# Human Rights Statement

Comcast Corporation is committed to promoting values that foster human rights and acting honestly and with integrity. We respect and support the broad principles aimed at protecting and promoting human rights as described in the United Nations' Universal Declaration on Human Rights. This support is consistent with our core business philosophy and values, which are primarily reflected in our [Code of Conduct](#). Among other things, we are committed to maintaining a work environment of mutual trust and respect; lessening our impact on the environment and providing a safe and healthy workplace; handling personal data of our employees, customers, and business partners responsibly; operating ethically and honestly in our business relationships; and operating in accordance with applicable laws everywhere we do business. We are also committed to giving back to the communities we serve; our current priorities include those relating to [Community Impact](#), [Internet Essentials](#), [Diversity, Equity & Inclusion](#), [Environment](#), [Military Engagement](#), and [Accessibility](#).
