Item 1.01 Entry into a Material Definitive Agreement

Amendment to Purchase Agreement

As previously reported in the Current Report on Form 8-K dated April 20, 2005 and filed by Comcast Corporation with the Securities and Exchange Commission on April 26, 2005 (the “**April 20 Form 8-K**”), on April 21, 2005, Comcast Corporation, a Pennsylvania corporation (“**Comcast**”), announced that it had entered into a definitive asset purchase agreement, dated as of April 20, 2005 (as amended, the “**Purchase Agreement**”), with Adelphia Communications Corporation, a Delaware corporation (“**Adelphia**”) relating to the acquisition of certain assets (including Adelphia’s majority interest in two joint ventures with Comcast) and the assumption of certain liabilities of Adelphia (the “**Comcast Adelphia Acquisition**”). Concurrently, Adelphia and Time Warner NY Cable LLC, a Delaware limited liability company (“**TW NY**”), a subsidiary of Time Warner Cable Inc., a Delaware corporation (“**TW Cable**”), entered into an asset purchase agreement, dated as of April 20, 2005 (as amended, the “**TW Purchase Agreement**”). The Purchase Agreement was filed with the April 20 Form 8-K.

On June 21, 2006, Comcast and Adelphia entered into Amendment No. 2 to the Purchase Agreement (the “**Comcast Amendment**”). Concurrently, Adelphia and TW NY entered into a similar amendment to the TW Purchase Agreement (the “**TW Amendment**”). Under the terms of the Comcast Amendment, the Comcast Adelphia Acquisition will be effected (i) pursuant to a modified plan under chapter 11 of the Bankruptcy Code relating to the joint ventures with Adelphia and their subsidiaries (the “**JV Plan**”) and (ii) the acquisition of assets (including Adelphia’s majority interest in the joint ventures) pursuant to sections 105, 363 and 365 of the Bankruptcy Code (together with the JV Plan, the “**363 Sale**”). The 363 Sale is subject to approval by the United States Bankruptcy Court for the Southern District of New York (the “**Court**”), and, assuming the Court approves the 363 Sale, the creditors of Adelphia (other than with respect to the joint ventures and their subsidiaries) will no longer be required to approve a plan of reorganization under chapter 11 of the Bankruptcy Code prior to the consummation of the Comcast Adelphia Acquisition.

Under the Comcast Amendment, the rights of Comcast and Adelphia to terminate the Purchase Agreement will remain in effect; however, except in limited circumstances, Adelphia may not elect to terminate the Purchase Agreement prior to September 1, 2006. The Amendment also provides that, upon termination of the Purchase Agreement under specified circumstances or the failure to consummate the Comcast Adelphia Acquisition prior to September 1, 2006 under specified circumstances, in both cases subject to the delivery of a Reversion Notice (as defined below), Adelphia may be required to pay Comcast a termination fee of, or reduce the purchase price under the Purchase Agreement by, \$87,500,000. The TW Amendment contains similar triggers with respect to the payment or crediting of the termination fee pursuant to the TW Purchase Agreement.

Notwithstanding the foregoing, the Comcast Amendment permits Adelphia to, in certain circumstances, deliver to Comcast a notice that Adelphia will not pursue the 363 Sale (a “**Reversion Notice**”), in which case the changes set forth in Exhibit A to the Comcast Amendment shall be deemed voided as of the date of the Reversion Notice and the Purchase Agreement will be deemed unchanged by the Comcast Amendment except as set forth in Exhibit B to the Comcast Amendment. The amendments contemplated by Exhibit B to the Comcast Amendment do not address any of the foregoing changes contemplated in respect of the 363 Sale and are generally intended to clarify certain provisions of the agreement made on April 20, 2005.

Letter Agreement Regarding Priority of Comcast Registration Rights

Pursuant to the TW Amendment, under certain circumstances, Adelphia and TW Cable are expected to enter into a registration rights and sale agreement (the “**TW RRA**”) at the closing of the transactions contemplated by the TW Purchase Agreement relating to the offer, transfer or other disposition of the shares of Class A common stock in TW Cable (“**TWC Stock**”) issued by TW Cable pursuant to the TW Purchase Agreement. On June 21, 2006, Adelphia, TW Cable, Comcast and TWE Holdings II Trust, a Delaware statutory trust (“**Comcast Trust**”), entered into a letter agreement (the “**Letter Agreement**”) relating to offerings of TWC Stock held by Comcast Trust. Under terms of the Letter Agreement, if both Comcast Trust and Adelphia participate in an offering, the shares to be sold by Comcast Trust in any such offering will have priority over any shares to be sold by Adelphia. The Letter Agreement further provides that (i) if the underwriter of any public underwritten offering by Comcast Trust requires

Comcast Trust to enter into a lock-up agreement, Adelphia will also enter into a lock-up agreement with similar terms and conditions (subject to certain limitations), (ii) between November 1, 2006 and November 17, 2007, Comcast Trust has the right to preclude any offering, transfer or other disposition of TWC Stock by Adelphia while Comcast Trust undertakes an offering, subject to certain exceptions, and (iii) subject to certain exceptions, Comcast Trust shall not consummate its first public offering of TWC Stock unless the net proceeds from such offering are reasonably expected to be at least \$1.5 billion in the aggregate.

Section 2.8 Closing Adjustment Amount.

(a) No later than ten Business Days prior to the Closing Date, Seller shall prepare, or cause to be prepared, and deliver to Buyer, with respect to each Specified Business, a statement (each, a "Seller's Statement"), which shall set forth Seller's good faith estimate of the Closing Adjustment Amount which shall be determined in accordance with this Agreement (the "Estimated Closing Adjustment Amount"). Each Seller's Statement shall be accompanied by a certification of Seller's Chief Financial Officer to the effect that such Seller's Statement has been prepared in good faith in accordance with this Agreement based on the books and records of such Specified Business and be reasonably satisfactory to Buyer. If the sum of the Estimated Closing Adjustment Amounts for the Specified Businesses is a negative number, then the Purchase Price payable at the Closing shall be decreased by the absolute value of such sum. If the sum of the Estimated Closing Adjustment Amounts for the Specified Businesses is a positive number, then the Purchase Price payable at the Closing shall be increased by such sum.

(b) As soon as practicable but in no event more than 90 days following the Closing, Buyer shall prepare, or cause to be prepared, and deliver to Seller, with respect to each Specified Business, a statement (each, a "Buyer's Statement") of the actual Closing Adjustment Amount, as of the Closing Date, which shall be determined in accordance with this Agreement. Each Buyer's Statement shall be accompanied by a certification of Buyer's Chief Financial Officer to the effect that such Buyer's Statement has been prepared in accordance with this Agreement based on the books and records of such Specified Business.

(c) Seller and Seller's accountants shall complete their review of each of the Buyer's Statements and Buyer's calculations of the Closing Adjustment Amount within 30 days after delivery thereof by Buyer. In the event that Seller determines in good faith that any Buyer's Statement has not been prepared in accordance with this Agreement, Seller shall, on or before the last day of such 30-day period, so inform Buyer in writing setting forth a specific description of the basis of Seller's determination and the adjustments to such Buyer's Statement and the corresponding adjustments to the applicable Closing Adjustment Amount that Seller believes should be made in accordance with this Agreement (a "Seller's Objection"). If no Seller's Objection is received by Buyer on or before the last day of such 30 day period, then the Closing Adjustment Amount set

47

forth in a Buyer's Statement shall be final and binding upon Seller. Buyer shall have 30 days from its receipt of a Seller's Objection to review and respond to such Seller's Objection.

(d) If Seller and Buyer are unable to resolve all of their disagreements with respect to the proposed adjustments set forth in any Seller's Objection within 15 days following the completion of Buyer's review of such Seller's Objection, they shall refer any remaining disagreements to the CPA Firm which, acting as experts and not as arbitrators, shall determine, in accordance with this Agreement based on the books and records of the applicable Specified Business, and only with respect to the remaining differences so submitted (and within the range of dispute between Buyer's Statement and Seller's Objection with respect to each such difference), whether and to what extent, if any, any Closing Adjustment Amount requires adjustment. Buyer and Seller shall instruct the CPA Firm to deliver its written determination to Buyer and Seller no later than 30 days after the remaining differences underlying any such Seller's Objection are referred to the CPA Firm. The CPA Firm's determination shall be conclusive and binding upon Buyer and Seller and their respective Affiliates. With respect to each Seller's Objection, the fees and disbursements of the CPA Firm shall be borne equally by Seller and Buyer. Buyer and Seller shall make readily available to the CPA Firm all relevant books and records and any work papers (including those of the parties' respective accountants, to the extent permitted by such accountants) relating to the determination of any Closing Adjustment Amount and all other items reasonably requested by the CPA Firm in connection therewith.

(e) Buyer shall provide to Seller and its accountants full access to the books and records of each Specified Business and to any other information, including work papers of its accountants (to the extent permitted by such accountants), and to any employees during regular business hours and on reasonable advance notice, to the extent reasonably necessary for Seller to review each Buyer's Statement, to prepare a Seller's Objection, if any, and to

prepare materials for presentation to the CPA Firm in connection with Section 2.8(d). Seller and its accountants shall have full access to all information used by Buyer in preparing such Buyer's Statement, including the work papers of its accountants (to the extent permitted by such accountants).

(f) Upon satisfaction of the applicable procedures of this Section 2.8, the Purchase Price shall be adjusted with respect to each Specified Business by an amount equal to (i) the Final Adjustment Amount of such Specified Business *minus* (ii) the Estimated Closing Adjustment Amount of such Specified Business (the "Subsequent Adjustment Amount"). If the Subsequent Adjustment Amount is a positive number, then the Purchase Price allocated to such Specified Business shall be increased by the Subsequent Adjustment Amount and Buyer shall promptly (and in any event within five Business Days) after the final determination thereof pay to the Escrow Agent, for deposit into the Escrow Account, the Subsequent Adjustment Amount, plus interest from the Closing Date to the date of payment at LIBOR calculated on a 365-day basis, by wire transfer of immediately available funds to the Escrow Account. If the Subsequent Adjustment Amount is a negative number, then the Purchase Price allocated to such Specified Business shall be decreased by the absolute value of the Subsequent Adjustment Amount and Buyer shall be entitled to payment of the Subsequent Adjustment Amount

48

from the Escrow Account promptly (and in any event within five Business Days) after the final determination of the Subsequent Adjustment Amount, plus interest from the Closing Date to the date of payment at LIBOR calculated on a 365-day basis, by wire transfer of immediately available funds to an account designated by Buyer; provided, however, that, to the extent the payment obligations pursuant to this sentence exceed the remaining funds in the Escrow Account, Seller shall promptly (and in any event with five Business Days) after the final determination of the Subsequent Adjustment Amount, pay such excess amount to Buyer by wire transfer of immediately available funds to an account designated by Buyer.

Section 2.9 Group 2 Systems.

(a) Notwithstanding anything to the contrary contained herein, if any Group 2 System has not been finally determined to be wholly-owned by Seller or its wholly-owned Subsidiaries (it being understood that, for purposes of this Section 2.9(a), if Seller has the right to cause the transfer of good and marketable title to the Assets of any Group 2 System (free and clear of all Encumbrances other than Permitted Encumbrances) to Buyer (or has otherwise arranged for such transfer to occur at the Closing to the reasonable satisfaction of Buyer), such Disputed MCE System shall be deemed to be wholly owned by Seller) or has been finally determined to be so owned but as to which there has not been an MCE Discharge as of the date on which the Seller's Statements are delivered under Section 2.8(a) (each such MCE System, a "Disputed MCE System"), then (i) the geographical areas serviced by such Disputed MCE System shall be deemed not to be listed on Schedule A of the Seller Disclosure Schedule and such Disputed MCE System shall be deemed not to be included in the Group 2 Business or otherwise Related to the Group 2 Business or the Acquired Business, (ii) any Assets, Liabilities or Employees that would, but for clause (i) above, have been Transferred Assets, Assumed Liabilities or Transferred Employees shall be deemed not to be Transferred Assets, Assumed Liabilities or Transferred Employees, respectively, (iii) the Closing shall be effected without such Disputed MCE System, (iv) the Purchase Price (before adjustment under Section 2.8) shall be reduced by an aggregate amount equal to the product of (A) the MCE Purchase Price multiplied by (B) the quotient obtained by dividing (1) the aggregate number of Basic Subscribers served by all such Disputed MCE Systems as of December 31, 2004 by (2) the aggregate number of Basic Subscribers served by all Group 2 Systems as of December 31, 2004 (such amount with respect to each such Disputed MCE System, the "Initial MCE Purchase Price"), (v) the Seller's Statement delivered in respect of the Group 2 Business shall be prepared to reflect the foregoing and (vi) with respect to the Disputed MCE Systems, the determination of the Closing Adjustment Amount (calculated as to each such Disputed MCE System separately as if it were its own Specified Business and assuming the Net Liabilities Adjustment Amount for each such Disputed MCE System is zero) shall be made in accordance with Section 2.8 except that the Subscriber Cap shall not apply to the determination of the Subscriber Adjustment Amount and there shall be no adjustment to the Purchase Price at the Closing as a result of such determination (the amount by which the Purchase Price would have been adjusted (expressed as a negative if decreased and as a positive if increased) in respect of each such Disputed MCE System as determined pursuant to this clause (vi), the "Initial Disputed MCE System Adjustment Amount").

49

(b) With respect to any Disputed MCE System, Seller shall (i) use commercially reasonable efforts to cause each such Disputed MCE System to be bound by a written management agreement with Buyer (or its designee) as of the Closing, in form and substance reasonably acceptable to Buyer and Seller (each such agreement, an "MCE Management Agreement") and (ii) continue during the succeeding 15 months (the "MCE Period") using commercially reasonable efforts to obtain full direct or indirect ownership of, and an MCE Discharge with respect to, such Disputed MCE System (it being understood that, for purposes of this Section 2.9(b), if Seller has the right to cause the transfer of good and marketable title to the Assets of any Group 2 System (free and clear of all Encumbrances other than Permitted Encumbrances) to Buyer (or has otherwise arranged for such transfer to occur at the MCE Closing to the reasonable satisfaction of Buyer), such Disputed MCE System shall be deemed to be wholly owned by Seller) (an "MCE Resolution"). Buyer shall not have any obligation to enter into an MCE Management Agreement unless Buyer is provided with reasonably satisfactory evidence of (A) the enforceability of such MCE Management Agreement from and after the Closing, (B) the authority of the counterpart(ies) to enter into and perform such MCE Management Agreement and to bind such Disputed MCE System and (C) **unless the MCE System is held by Seller or the Liabilities of such Disputed MCE System under the applicable MCE Management Agreement are guaranteed by Seller**, the creditworthiness of such Group 2 System (or such other Person who or such instrument that guarantees the Liabilities of such Group 2 System pursuant to the applicable MCE Management Agreement). Seller shall notify Buyer of any MCE Resolution as promptly as practicable and in any event within three Business Days of obtaining any such MCE Resolution and shall provide Buyer with such information and documentation related thereto as Buyer reasonably requests.

(c) As to any Disputed MCE System that is the subject of an MCE Resolution that occurs prior to the expiration of the MCE Period, and with respect to which (i) Buyer (or its designee) enters into an MCE Management Agreement that has not been terminated in accordance with its terms (other than by Seller as a direct result of a breach by Buyer (or its designee)) or rejected and remains in full force and effect until the completion of the MCE Closing (a "Buyer Managed MCE System") or (ii) Buyer (or its designee) does not enter into such an MCE Management Agreement but, within 60 days of such MCE Resolution, Buyer makes an election to purchase such Disputed MCE System, the parties agree that Seller shall sell, or cause to be sold, to Buyer and Buyer shall purchase from Seller (or the applicable transferor which Seller causes to sell) the Assets of such Disputed MCE Systems in exchange for an amount of cash equal to the **estimated** Final MCE Purchase Price (**to the extent related to the Net Liabilities Adjustment Amount in respect of such**

50

date all Disputed MCE Systems have been subject to an MCE Resolution; provided, however, that 4% of the cash so delivered will be deposited in the Escrow Account. At the MCE Closing, the parties will assign or assume, as applicable, the Transferred Assets and Assumed Liabilities with respect to each such Disputed MCE System (treating such System as a Specified Business) that would have been assigned and assumed as if the Closing had been delayed until the date of the MCE Closing and shall execute such conveyance, assumption and other instruments as are required pursuant to Sections 2.11 and 2.12 (applied with respect to such Disputed MCE Systems (treating such Systems as a Specified Business)) and applied with respect to the MCE Purchase Shares (treating such MCE Purchase Shares as Purchase Shares) *mutatis mutandis*. For purposes of determining the Disputed MCE System Adjustment Amount, the Net Liabilities Adjustment Amount in respect of each such Disputed MCE System shall be determined as of the date of the MCE Closing **and subsequently adjusted** in accordance with Section 2.8 applied *mutatis mutandis* (treating each such System as a Specified Business).

(d) Prior to the Closing Date, Seller shall deliver to Buyer a list identifying, in reasonable detail and to the Knowledge of Seller, the Delayed Transfer Assets and the Authorizations required therefor.

(e) The parties hereto further agree that, assuming as set forth in Section 2.13(b) that all or substantially all of the benefits and burdens relating to the Transferred Assets inure to Buyer, (i) any Delayed Transferred Assets referred to in this Section 2.13(e) shall be treated for all income Tax purposes as Assets of Buyer and (ii) neither Buyer nor Seller shall take, and each of Buyer and Seller shall prevent any of their respective Affiliates from taking, any position inconsistent with such treatment for any income Tax purposes (unless required by a change in applicable income Tax Law or a good faith resolution of a contest).

To the Knowledge of Seller, no other party to any Transferred Real Property Lease or Transferred Right-of-Way is in default, violation or breach of such Transferred Real Property Lease or Transferred Right-of-Way and there are no disputes pending or threatened thereunder other than those defaults, violations, breaches and disputes that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Neither the Transferred Owned Real Property nor the Transferred Leased Real Property is subject to any material Real Property Sublease.

(d) Seller has not received notice and has no Knowledge of any pending, threatened or contemplated material condemnation proceeding affecting the Transferred Owned Real Property or the Leased Real Property or any part thereof, or of any sale or other disposition of the Transferred Owned Real Property or the Leased Real Property or any part thereof in lieu of condemnation.

Section 3.22 Absence of Liabilities. Except to the extent of any Claims that will be discharged (or the functional equivalent thereof in terms of its effect on Buyer, each Specified Business, the Transferred Assets and the Assumed Liabilities) pursuant to the Discharge (or, as applicable, the MCE Discharge or an Additional Discharge), each Specified Business has no Liabilities and there is no existing condition, situation or set of circumstances that, individually or in the aggregate, would reasonably be expected to result in a Liability of any Specified Business, other than (a) Liabilities specifically reflected, reserved against or otherwise disclosed in the Derivative 2004 Financial Statements or, only with respect to Liabilities included in the Unallocated Shared Assets and [Liabilities] **Liabilities** that become Assumed Liabilities pursuant to Section 2.5, the Derivative Unallocated 2004 Financial Statements, (b) Excluded Liabilities and (c) Liabilities that were incurred in the Ordinary Course of Business since the date of the Derivative 2004 Financial Statements and that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

With such exceptions as would not be material, all premiums due in respect of the Insurance Policies have been paid by Seller or its Affiliate and Seller and its Affiliates are otherwise in compliance with the terms of such policies. Seller carries sufficient third party insurance to insure in all material respects all reasonable insurable risks of the Business. Following the Closing, the Insurance Policies shall continue to provide coverage with respect to acts, omissions and events occurring prior to the Closing in accordance with their terms as if the Closing had not occurred. To the Knowledge of Seller, there has not been any threatened termination of,

77

material premium increase (other than with respect to customary annual premium increases) with respect to, or material alteration of coverage under, any Insurance Policy.

(y) not file a cost-of-service rate justification;

(z) use commercially reasonable efforts to launch telephony and video on demand services in the Cable Systems identified on Schedule 5.2(z) of the Seller Disclosure Schedule substantially in accordance with the timetable set forth on such Schedule 5.2(z), and provide Buyer with written notice promptly following any such launch;

(aa) continue to conduct the Business in accordance with, and not make any change to, the Seller Subscriber Accounting Policy, including as to disconnects;

(bb) not transfer the employment duties of any Applicable Employee from any Cable System to a different Cable System or business unit other than in the Ordinary Course of Business;

(cc) use commercially reasonable efforts to maintain or cause to be maintained its Books and Records (and Excluded Books and Records) and accounts with respect to each Specified Business in the usual, regular and ordinary manner on a basis consistent with past practice;

(dd) give or cause to be given to Buyer, and its counsel, accountants and other representatives, (i) as soon as reasonably possible, but in any event prior to the date of submission to the appropriate Government Entity, copies of all FCC rate Forms 1205, 1210, 1235, and 1240, and simultaneous with, or as soon as reasonably possible after submission to the appropriate Government Entity, any other FCC Forms required under the regulations of the FCC promulgated under the Cable Act that are prepared with respect to any of the Cable Systems and (ii) as soon as reasonably possible after filing copies of all copyright returns filed in connection with any Cable System; provided, that in the case of clause (i), before any such FCC Forms 1205, 1210, 1235, or 1240 are filed, Seller and Buyer shall consult in good faith concerning the contents of such forms; and

(ee) not announce an intention, authorize or enter into any agreement or commitment with respect to any of the foregoing.

Section 5.3 Commercially Reasonable Efforts.

(a) Subject to the Bankruptcy Code and any orders of the Bankruptcy Court, Seller and Buyer shall cooperate and use their respective commercially reasonable efforts to fulfill as promptly as practicable the conditions precedent to the other party’s obligations hereunder and shall use their respective commercially reasonable efforts to

88

fulfill as promptly as practicable the conditions precedent to their obligations hereunder to the extent they have the ability to control the satisfaction of such obligations. Without limiting the generality of the foregoing, Seller and Buyer shall (i) make all filings and submissions required by the U.S. Antitrust Laws and any other Laws, and promptly file any additional information requested as soon as practicable after receipt of such request therefor and promptly file any other information that is necessary, proper or advisable to permit consummation of the Transaction and the Exchange and (ii) use commercially reasonable efforts to obtain and maintain all Seller Required Approvals and Buyer Required Approvals in form and substance reasonably satisfactory to Buyer and Seller.

In connection with the foregoing, Seller and Buyer will endeavor to consummate the Transaction without (or with minimal) costs, conditions, limitations or restrictions associated with the grant of such Seller Required Approvals and Buyer Required Approvals.

(b) Notwithstanding anything to the contrary herein, nothing in this Agreement shall require Buyer to agree to or to effect any divestiture, hold separate or similar agreement with respect to any business or Assets or agree to enter into, or amend, or agree to amend, any Contracts or governmental authorizations or take or refrain from taking any other action or conduct any business in any manner if doing so would reasonably be expected, individually or in the aggregate, to have an adverse impact that is material to the Buyer Business or the Transferred Assets or would materially constrain the operations of Buyer and its Subsidiaries or of the Transferred Assets; it being understood that the incurrence of legal, accounting, investment banking and other customary forms of transaction expenses and the commitment of reasonable management time and effort shall not be considered an adverse impact for the purpose of this Section 5.3(b).

(c) No later than 45 days following the date hereof, Buyer and Seller shall provide each other (or shall cause their respective Subsidiaries to provide) with all necessary documentation to allow filing of FCC Forms 394 with respect to the Franchises with respect to which a LFA Approval is or may be required. Buyer and Seller shall use commercially reasonable efforts to cooperate with one another and, no later than 60 days following the date hereof, file with the applicable Government Entity FCC Forms 394 for each of the Franchises with respect to which a LFA Approval is required. Buyer and Seller shall cooperate and use their commercially reasonable efforts to have Buyer enter into a substitute performance bond arrangement with respect to those Assets of each Specified Business the transfer of which to Buyer would require Buyer to enter into such a substitute bond arrangement, on substantially the same terms as the substitute bond arrangement with respect to such Assets in effect as of the date hereof. Notwithstanding anything to the contrary herein, Seller shall not accept, agree to or accede to any modifications or amendments to, or in connection with, or any conditions to the transfer of, any Franchises that are not approved by Buyer in writing, such approval not to be unreasonably withheld; provided, however, that if Seller affords Buyer reasonable notice of, and opportunity to attend and participate in, meetings or other discussions relating to LFA Approvals where modifications, amendments or conditions are expected to be discussed or negotiated, Buyer shall approve any such modifications, amendments or conditions that are approved by Seller so long as such modifications, amendments or conditions are commercially reasonable and are similar in nature, extent and impact (giving due consideration to such

89

factors as the relative size of the Franchise involved, the proximity of other Franchises, the financial and operational impact of the change and the precedential impact thereof) to modifications, amendments or conditions agreed to by Buyer or Friendco Parent in connection with material acquisitions of cable assets effected since 2001. In addition, if Buyer seeks any LFA Approval pursuant to this Transaction, Buyer shall agree to any modifications, amendments or conditions that are commercially reasonable and are similar in nature, extent and impact (giving due consideration to such factors as the relative size of the Franchise involved, the proximity of other Franchises, the financial and operational impact of the change and the precedential impact thereof) to modifications, amendments or conditions agreed to by Buyer or Friendco Parent in connection with material acquisitions of cable assets effected since 2001.

(d) Each of the parties hereto agrees to execute and deliver such other documents, certificates, agreements and other writings and to take such other commercially reasonable actions as may be necessary or desirable in order to evidence, consummate or implement expeditiously the transactions contemplated by this Agreement and to vest in Buyer good and marketable title to the Transferred Assets to the same extent as held by Seller and its Affiliates (other than the Transferred Assets to be retained by a Transferred Joint Venture Entity), and to vest in the Transferred Joint Venture Entities good and marketable title to the Transferred Assets to be retained by such Transferred Joint Venture Entity, in each case free and clear of all Encumbrances other than, in the case of Transferred Assets other than the JV Interests and the Transferred Investments, Permitted Encumbrances, in the case of the JV Interests, Encumbrances under the JV Documents, and in the case of the Transferred Investments, Encumbrances under the Investment Documents and, in each case, Encumbrances created by Buyer or any of its Affiliates (other than, prior to the Closing, any Transferred Joint Venture Entity or the Palm Beach Joint Venture).

(e) Seller and Buyer shall cooperate with each other and shall furnish to the other party all information reasonably necessary or desirable in connection with making any filing under the HSR Act, and in connection with resolving any investigation or other inquiry by any Government Antitrust Entity with respect to the Transaction and the Exchange; provided, however, that Buyer shall reimburse Seller for the reasonable out-of-pocket costs, if any, incurred by Seller as a result of such cooperation solely to the extent it relates to the consummation of the Exchange. Each of the parties shall promptly inform the other party of any communication with, and any proposed understanding, undertaking or agreement with, any Government Entity regarding any such filings or any such transaction. Seller and Buyer shall not participate in any meeting with any Government Antitrust Entity in respect of any such filings, investigation or other inquiry without giving the other party prior notice of, and the opportunity to participate in, such meeting. The parties hereto will consult and cooperate with one another in connection with any analyses, appearances, presentations, memoranda, briefs, arguments, opinions and proposals made or submitted by or on behalf of any party hereto in connection with all meetings, actions and proceedings under or relating to the HSR Act (including, with respect to making a particular filing, by providing copies of all such documents (other than those that will not be publicly available) to the non-filing party and their advisors prior to filing and, if requested, giving due consideration to all reasonable additions, deletions or

90

changes suggested in connection therewith); provided, however, that in no event shall Buyer or Seller be required to furnish any information that, based on advice of such party's counsel, would reasonably be expected to create any potential Liability under applicable Laws, including U.S. Antitrust Laws, or would constitute a waiver of any material legal privilege (provided, that in such latter event Buyer and Seller shall use commercially reasonable efforts to cooperate to permit disclosure of such information in a manner consistent with the preservation of such legal privilege).

(f) In furtherance and not in limitation of the foregoing, each of Buyer and Seller agrees to make, as promptly as practicable, (i) an appropriate filing of a Notification and Report Form pursuant to the HSR Act with respect to the Transaction and the Exchange (which filing shall be made in any event within 20 Business Days of the date hereof), (ii) appropriate filings with the FCC, and any state public service commissions having jurisdiction over any Transferred Assets or any services provided by any Specified Business or the Assets of or services provided by the Buyer Business with respect to

the Transaction and the Exchange, and (iii) all other necessary filings with other Government Entities relating to the Transaction and the Exchange, and to use commercially reasonable efforts to cause the expiration or termination of the applicable waiting periods under the HSR Act and the receipt of the Seller Required Approvals and the Buyer Required Approvals under such other Laws or from such authorities or third parties as soon as practicable; provided, however, that Buyer shall reimburse Seller for the reasonable out-of-pocket costs, if any, incurred by Seller as a result of such cooperation solely to the extent it relates to the consummation of the Exchange.

(g) Each of Seller and Buyer shall give (or shall cause their respective Subsidiaries to give) any notices to third parties, and use, and cause their respective Subsidiaries to use, commercially reasonable efforts to obtain any third party (excluding Government Entities) consents related to or required in connection with the Transaction and the Exchange that are Seller Required Approvals or Buyer Required Approvals; provided, however, that Buyer shall reimburse Seller for the reasonable out-of-pocket costs, if any, incurred by Seller as a result of such cooperation solely to the extent it relates to the consummation of the Exchange.

(h) Notwithstanding anything in this Agreement to the contrary, Buyer shall have the sole responsibility for any filing, submission or other action (including, for the avoidance of doubt, obtaining any required LFA Approval) that is necessary, proper or advisable to permit the consummation of the Exchange (it being understood that Seller shall use its commercially reasonable efforts to cooperate with Buyer with respect to any action required to be taken by Buyer pursuant to this sentence; provided, however, that Buyer shall reimburse Seller for the reasonable out-of-pocket costs, if any, incurred by Seller as a result of such cooperation solely to the extent it relates to the consummation of the Exchange).

(i) After the Closing, Buyer shall, in the ordinary course of business of Buyer, use its commercially reasonable efforts to bill and collect from each Basic Subscriber that is potentially a Qualified Customer any amounts due and payable in respect of services delivered to such Basic Subscriber prior to the Closing.

91

Section 5.4 Tax Matters.

(a) Proration of Taxes. To the extent necessary to determine the liability for Taxes for a portion of a taxable year or period that begins before and ends after the Closing, the determination of the Taxes for the portion of the year or period ending on, and the portion of the year or period beginning after, the Closing shall be determined by assuming that the taxable year or period ended as of the close of business on the Closing, except that those annual property taxes and exemptions, allowances or deductions that are calculated on an annual basis shall be prorated on a time basis. For the avoidance of doubt, (i) any Taxes that are apportioned to the portion of a taxable period that ends on the Closing pursuant to this Section 5.4(a) shall be Excluded Taxes and (ii) any Taxes that are apportioned to the portion of a taxable period beginning after the Closing pursuant to this Section 5.4(a) shall be Assumed Taxes.

(b) Tax Returns. (i) Seller shall file or cause to be filed when due all Tax Returns that are required to be filed by or with respect to all Transferred Joint Venture Entities for taxable years or periods ending on or before the Closing Date and shall pay any Taxes due in respect of such Tax Returns (which for the avoidance of doubt shall not include income Taxes payable by any partner in a Transferred Joint Venture Parent), and Buyer shall file or cause to be filed when due all Tax Returns that are required to be filed by or with respect to all Transferred Joint Venture Entities for taxable years or periods ending after the Closing Date.

(ii) Except as provided in Section 5.4(c), if either party shall be liable hereunder to pay over to the other party any portion of the Tax (including, for the avoidance of doubt, by reason of the inclusion of such Tax in Assumed Taxes or Excluded Taxes) of a Transferred Joint Venture Entity shown due on any such Tax Return required to be filed by the other party with respect to a taxable period that includes the Closing Date, the party preparing such Tax Return shall deliver a copy of the relevant portions of such Tax Return to the party so liable for its review and approval not less than 30 days prior to the date on which such Tax Return is due to be filed (taking into account any applicable extensions). If the parties disagree as to any item reflected on any such Tax Return, the non-preparing party shall notify the preparing party of such disagreement and its reasons for so disagreeing, in which case the parties shall attempt to resolve such disagreement. To the extent that Seller and Buyer cannot reach agreement with respect to such disputed item, the resolution of such dispute shall be made by the CPA Firm, or such nationally recognized firm of independent accountants agreed upon by Seller and Buyer, whose decision shall be final and binding and whose expenses shall be shared equally by Seller and Buyer. The party liable to pay over to the other party any portion of a Tax under Section 5.4(b) that is payable with a Tax Return to be filed by the other party with respect to a taxable period that includes the Closing Date, shall pay the other party at least 10 days prior to the due date for the filing of such Tax Return.

(iii) Buyer shall not file any amended Tax Returns with respect to any Transferred Joint Venture Entity that includes a period ending on or before the Closing Date without Seller's written consent, which shall not be unreasonably withheld or delayed.

92

(c) Transfer Taxes. (i) To the extent not otherwise exempt to the fullest extent permitted by section 1146(c) of the Bankruptcy Code and except as otherwise provided in this Section 5.4(c)(i), all federal, state, local or foreign or other excise, sales, use, value added, transfer (including real property transfer or gains), stamp, documentary, filing, recordation and other similar taxes and fees that may be imposed or assessed as a result of the Transaction, together with any interest, additions or penalties with respect thereto and any interest in respect of such additions or penalties ("Transfer Taxes"), shall, subject to the provisos to Sections 5.4(c)(iii) and 5.4(c)(v), be borne by Buyer]vi), **be borne by Buyer except that, with respect to any portion of the Transaction consummated pursuant to the 363 Sale, if an exemption from Transfer Taxes under section 1146 of the Bankruptcy Code is not available but would more likely than not have been available if the 363 Sale had been consummated under a chapter 11 plan of reorganization of Seller and its Affiliates, Seller shall pay all such incremental Transfer Taxes payable with respect to the 363 Sale (such Transfer Taxes the "Incremental Transfer Taxes") (it being understood that Seller shall bear the burden of proving that it is not the case that it is more likely than not**

that section 1146 of the Bankruptcy Code would have exempted such Transfer Taxes if the 363 Sale had been consummated under such plan of reorganization).

(ii) Any Tax Returns that must be filed in connection with Transfer Taxes (“Transfer Tax Returns”) shall be prepared by Buyer, and Buyer shall prepare such Transfer Tax Returns in a manner consistent with the allocation of the consideration that is agreed pursuant to Section 5.4(d); provided, however, that if Buyer and Seller do not jointly agree to a Purchase Price Allocation Schedule as provided in Section 5.4(d) and except as provided in Section 5.4(c)(iii)iv), any such Transfer Tax Return shall be prepared by Buyer in good faith in a manner consistent with the purchase price allocation of Buyer or Seller that Buyer and Seller, as the case may be, use for Tax purposes that results, in the higher aggregate Transfer Tax liability with respect to each applicable jurisdiction. The party filing any Transfer Tax Return (or similar form claiming an applicable exemption from Transfer Taxes) pursuant to this Section 5.4 shall furnish a copy of such Transfer Tax Return (or similar form) to the other party.

(iii) (A) Except as [provided in the following proviso,]set forth in Section 5.4(c)(iv), (a) all Transfer Tax Returns shall be filed by Buyer, [and Buyer](b) Buyer shall reasonably cooperate with Seller to determine and agree upon the appropriate amount of Incremental Transfer Taxes due in respect of the Transaction and, no later than 10 Business Days prior to the expected Closing Date, Buyer shall use commercially reasonable efforts to provide Seller with a written notice setting forth the amount of Incremental Transfer Taxes, if any, that Buyer believes are due in respect of the Transaction (the “Incremental Transfer Tax Return Notice”), (c) no later than 5 Business Days thereafter, if Seller in good faith believes the amount of Incremental Transfer Taxes due in respect of the Transaction is less than the amount of Incremental Transfer Taxes indicated in the Incremental Transfer Tax Return Notice, Seller shall deliver written notice to Buyer setting forth Seller’s reasonable good faith belief as to the amount of Incremental Transfer Taxes that are due in respect of the Transaction (an “Incremental Transfer Tax Dispute Notice”), (d) on the Closing, (X) if Seller has not delivered an Incremental Transfer

93

Tax Dispute Notice, Seller shall pay to Buyer the amount of Incremental Transfer Taxes indicated on the Incremental Transfer Tax Return Notice and (Y) if Seller has delivered an Incremental Transfer Tax Dispute Notice, Seller shall pay to Buyer the amount set forth on the Incremental Transfer Tax Dispute Notice and the difference between the amount set forth on the Incremental Transfer Tax Return Notice and the amount set forth on the Incremental Transfer Tax Dispute Notice shall be deposited by Seller in the Transfer Tax Escrow Account, (e) Buyer shall file Transfer Tax Returns consistent with its own good faith determination of the appropriate amount of Incremental Transfer Taxes due and shall be responsible for remitting all amounts shown as due on such Transfer Tax Returns to the appropriate Government Entity[; provided, however, that, in], and (f) all disagreements as to the amount of Incremental Transfer Taxes due that pertain to valuation of assets transferred and for which amounts have been deposited in the Transfer Tax Escrow Account pursuant to Section 5.4(c)(iii)(A)(d) shall be resolved by the CPA Firm. The CPA Firm shall determine the appropriate valuation and, based on such determination, Buyer and Seller will instruct the Escrow Agent to distribute amounts from the Transfer Tax Escrow Account to Buyer or Seller, as the case may be, in accordance with such determination (it being understood that the costs of the CPA Firm in connection with the resolution of a dispute under clause (f) of this Section 5.4(c)(iii)(A) shall be borne by Seller and shall be treated as Incremental Transfer Taxes for purposes of this Agreement). Any dispute regarding an amount of Incremental Transfer Taxes for which a resolution procedure is not described in clause (f) of this Section 5.4(c)(iii)(A) shall be resolved only by a final, nonappealable, and non-reviewable determination by the relevant authority (“Final Transfer Tax Determination”) and funds in the Transfer Tax Escrow Account shall be distributed only in accordance with such Final Transfer Tax Determination.

(B) Notwithstanding anything to the contrary in Section 5.4(c)(iii)(A), (a) if, prior to the date on which the Seller is obligated to make payments to Buyer pursuant to Section 5.4(c)(iii)(A)(d), the Bankruptcy Court has issued a ruling providing for an exemption of Transfer Taxes under section 1146, Seller shall not be obligated to pay any amounts to Buyer pursuant to Section 5.4(c)(iii)(A)(d) to the extent such amounts represent Transfer Taxes that pursuant to such ruling are not payable, but shall instead deposit in the Transfer Tax Escrow Account such amounts as are identified as Incremental Transfer Taxes in the Incremental Transfer Tax Return Notice and with respect to which the Bankruptcy Court ruling providing for exemption of Transfer Taxes under section 1146 is appealable or has been appealed, (b) to the extent that the Bankruptcy Court has issued a ruling providing for an exemption of Transfer Taxes under section 1146 and the Bankruptcy Court’s ruling is reversed on appeal by any Final Determination, Incremental Transfer Taxes due under the appellate court’s ruling shall be paid, first, from Transfer Tax Escrow Account available funds and, second, Seller shall promptly pay to Buyer any amount by which such taxes exceed such available funds, and (c) if the Bankruptcy Court issues a ruling providing for an exemption from Transfer Taxes under section 1146 and such ruling is issued after the Seller has made payments to Buyer under Section

94

5.4(c)(iii)(A)(d), then to the extent such payments would have been deposited in the Transfer Tax Escrow Account pursuant to Section 5.4(c)(iii)(B)(a) had the ruling been issued before the payments were made, Buyer shall transfer to the Transfer Tax Escrow Account any portion of such payments that it has not yet remitted to a Governmental Entity under Section 5.4(c)(iii)(A)(d), and in the case of any portion of such payments already remitted to a Governmental Entity, Buyer shall seek to obtain a refund and shall transfer any such amounts refunded to the Transfer Tax Escrow Account (it being understood that Seller shall reimburse Buyer for any reasonable costs incurred by Buyer in seeking such refund claim and that any such costs shall be treated as Incremental Transfer Taxes for purposes of this Agreement). Amounts placed in the Transfer Tax Escrow Account pursuant to clause (c) of this Section 5.4(c)(iii)(B) shall be distributed to Buyer or Seller in accordance with a Final Transfer Tax Determination.

(C) Notwithstanding anything to the contrary in Sections 5.4(c)(iii)(A) or (B), Seller shall hold Buyer harmless for any Losses with respect to Incremental Transfer Taxes.

(iv) In the case of any Transfer Tax Return in which Seller's purchase price allocation would result in a higher aggregate Transfer Tax liability than Buyer's purchase price allocation (w) Buyer shall prepare such Transfer Tax Return unless Seller reasonably determines that the positions taken on such Transfer Tax Return as prepared by Buyer would reasonably be expected to give rise to a material risk of civil and/or criminal penalties (other than interest) if challenged by the applicable Government Entity, in which case, Seller may prepare such Transfer Tax Return, (x) Seller shall be responsible for filing such Transfer Tax Return and for remitting all amounts shown as due thereon to the appropriate Government Entity, (y) notwithstanding any other provision of this Section 5.4(c) to the contrary, Buyer shall pay to Seller an amount equal to the Transfer Tax liability that would have resulted if such return had been prepared by Buyer (it being understood that, for purposes of this clause (y), (A) the Transfer Tax Return that would have been prepared by Buyer shall be determined by using (1) [the] Buyer's purchase price allocation[,] and (2) Buyer's interpretation of applicable Tax Law as reflected in the Transfer Tax Return prepared by Buyer pursuant to clause (x) hereof) **w) hereof and (B) Buyer shall have no obligation to pay Seller any amount in respect of Incremental Transfer Taxes**, and (z) Seller shall have sole responsibility for the balance of the Transfer Tax liability with respect to such Transfer Tax Return **(including any amount in respect of Incremental Transfer Taxes)**. Buyer and Seller shall (and shall cause each of their respective Affiliates to) cooperate in the timely completion and filing of all such **Transfer** Tax Returns, and Buyer and Seller shall (and shall cause each of their respective Affiliates to) execute such documents in connection with such filings as shall have been required by Law or reasonably requested by the other party.

(v) [(iv)] Buyer shall control the conduct of any audit, claim, contest or administrative or judicial proceeding **(collectively, "Audits")** relating to [such]Transfer Taxes[,] subject to Seller's right to make any statement or report to any tax authority reflecting the purchase price allocation prepared by Seller; provided, however,

95

that Seller shall be entitled to make any such statement and/or report only (A) to the extent Seller reasonably determines [is]it reasonably necessary to rebut any presumption under applicable Tax Law that would otherwise deem Seller to have agreed to and adopted the purchase price allocation prepared by Buyer in the absence of such statement or report and (B) if such presumption could reasonably be expected to result in an adverse effect on Seller other than a de minimis adverse effect; **provided, further, that with respect to any Audit relating to a Transfer Tax Return with respect to Incremental Transfer Taxes, Buyer (X) shall defend such Audit in good faith (it being understood that reasonable expenses incurred by Buyer in connection with the defense of any such Audit that are properly allocable to the portion of the Audit relating to Incremental Transfer Taxes shall be borne by Seller and shall be treated as Incremental Transfer Taxes for purposes of this Agreement), (Y) shall consult with Seller in good faith in connection with the defense of such Audit, including by providing Seller with all documents provided to Buyer by the relevant Government Entities and all submissions by Buyer to the relevant Government Entities, and (Z) shall not settle such Audit to the extent relating to Incremental Transfer Taxes without Seller's consent, which consent shall not be unreasonably withheld or delayed.** If Buyer or Seller receives any written notice of assessment or other claim from any Government Entity with respect to Transfer Taxes for which the other party may be liable pursuant to this Section 5.4(c), the notified party shall notify the other party in writing of the receipt of such notice of assessment or other claim promptly after the receipt thereof.

(vi) [(v)] Any additional Transfer Taxes resulting from an adverse determination by a Government Entity shall be borne by Buyer **or Seller, as the case may be, consistent with the provisions of Section 5.4(c)(i)**; provided, however, that, so long as the adverse determination by the applicable Government Entity does not relate directly to purchase price allocation, Seller shall be responsible for any such additional Transfer Taxes to the extent that such additional Transfer Taxes are attributable to the use of Seller's purchase price allocation rather than Buyer's purchase price allocation. **Seller shall not be relieved of any liability for Incremental Transfer Taxes under this Section 5.4(c)(vi) by reason of the fact that such Incremental Transfer Taxes were not set forth on an Incremental Transfer Tax Return Notice.**

(vii) [(vi)] Any Transfer Taxes resulting from any subsequent increase in the Purchase Price pursuant to this Agreement shall be borne in accordance with the provisions of this Section 5.4(c).

(viii) [(vii)] Buyer and Seller shall cooperate in good faith to minimize the amount of Transfer Taxes that may be imposed or assessed as a result of the Transaction, including pursuant to one or more restructuring transactions consummated pursuant to the Plan[prior to the Closing; provided, that Buyer and Seller conclude in good faith that such restructuring would have a more likely than not probability of prevailing if challenged by the applicable Government Entity], **JV Plan and/or the 363 Sale.**

(d) Determination and Allocation of Purchase Price. Seller and Buyer undertake to act in good faith to jointly agree to a schedule setting forth the allocation of

96

the consideration in the Transaction (including, as appropriate for Tax purposes, assumptions of liabilities) among the Transferred Assets (the "Purchase Price Allocation Schedule") for Tax purposes. If Seller and Buyer so agree within 180 days of the Closing Date, Seller and Buyer shall, and Seller and Buyer shall cause each of their respective Affiliates, (i) to report the federal, state, and local income and other Tax consequences of the Transaction contemplated herein in a manner consistent with such Purchase Price Allocation Schedule and (ii) not to take any position inconsistent therewith for any Tax purposes (unless required by a change in applicable Tax Law or as a result of a good faith resolution of a contest). If Seller and Buyer do not so agree within 180 days of the Closing Date, each of Seller and Buyer may prepare their own purchase price allocation and, for the avoidance of doubt and except as provided in [Sections]Section 5.4(c)(iii) and 5.4(c)(v), each of Buyer and Seller will have no liability to the other for any additional Taxes that may be imposed by any Government Entity as a result of inconsistencies between the respective allocations of Buyer and Seller.

(e) Employee Withholding and Reporting Matters. With respect to those Transferred Employees who are employed by Buyer within the same calendar year as the Closing, Buyer shall, in accordance with and to the extent permitted pursuant to Revenue Procedure 2004-53, 2004-34 I.R.B. 320, assume all responsibility for preparing and filing Form W-2, Wage and Tax Statement, Form 941, Employer's Quarterly Federal Tax Return, Form W-4,

Employee's Withholding Allowance Certificate and Form W-5, Earned Income Credit Advance Payment Certificate. Seller and Buyer agree to comply with the procedures described in Section 5 of the Revenue Procedure 2004-53. Notwithstanding any provision of this Agreement, all Taxes required to have been withheld by Seller and its Subsidiaries from their respective employees and independent contractors with respect to any taxable periods, or portions thereof, ending on or before the Closing shall be Excluded Liabilities and shall not be treated as Assumed Liabilities.

(f) Section 754 Elections.

(i) Seller agrees to use commercially reasonable efforts to cause each Transferred Joint Venture Parent to make a valid Section 754 Election (or comparable election, if provided for under applicable state or local law) for a taxable year ending on or prior to the Closing Date. Seller shall not take any action or permit any of its Affiliates (including any Transferred Joint Venture Parent) to take any action that would cause any such Section 754 Election to become void or invalid.

(ii) If Seller or any of its Affiliates reports any Subsidiary of a Transferred Joint Venture Parent as a partnership for U.S. federal income Tax purposes, Seller agrees to use commercially reasonable efforts to cause such Subsidiary to make a valid Section 754 Election (or comparable election, if provided for under state or local law) for a taxable year ending on or prior to the Closing Date.

Section 5.5 Post-Closing Obligations of each Specified Business to Certain Employees.

97

(a) Seller shall provide to Buyer not later than 14 Business Days following the date hereof, a copy of each employment agreement or other individual agreement governing the terms and conditions of any Applicable Employee's employment entered into with any Applicable Employee and a schedule of each Applicable Employee with his or her title, job location, employer, primary place of residence, salary or wage rate, commission status, bonus opportunity, date of hire, level or other job classification, full or part time status, "exempt" or "non-exempt" status, whether such Applicable Employee is part of a collective bargaining unit and regularly scheduled work shift, as applicable, and shall supplement such schedule not later than 60 Business Days following the date hereof, indicating for each Applicable Employee, such Applicable Employee's direct supervisor and most recent performance rating or evaluation. In addition, not later than 55 Business Days prior to the Closing Date, Seller shall update such schedule, including with respect to each Applicable Employee's direct supervisor and most recent performance rating or evaluation. Not later than 40 Business Days prior to the Closing Date, Buyer shall make offers of employment commencing on the Closing Date to all Applicable Employees, and such offers shall be contingent upon (i) the Closing, (ii) such Employee being an Applicable Employee on the Closing Date and (iii) such Applicable Employee's satisfaction of customary employment conditions applicable to all Buyer employees which customary employment conditions are set forth on Schedule 5.5(a)(i) of the Buyer Disclosure Schedule (it being understood that such conditions will not include the evaluation of prior performance) (the "Background Check"); provided, however, that Buyer shall have no obligation to extend an offer of employment to any Employee who as of the date hereof or as of the Closing Date is identified by job function, description or title or otherwise noted on Schedule 5.5(a)(ii) of the Seller Disclosure Schedule; and provided, further that Buyer need not extend an offer to any Applicable Employee who is employed by a Transferred Joint Venture Entity (such employees, other than those set forth on Schedule 5.5(a)(ii) of the Seller Disclosure Schedule, the "Joint Venture Employees"). Joint Venture Employees who have, as of the Closing Date, satisfied the Background Check and who are Applicable Employees on the Closing Date ("Transferred Joint Venture Employees") shall remain employees of the applicable Transferred Joint Venture Entity as of immediately following the Closing and shall be entitled to compensation and benefits in accordance with the terms set forth in this Section 5.5. Buyer shall cooperate with Seller from and after the date hereof to communicate with Applicable Employees other than those set forth on Schedule 5.5(a)(ii) of the Seller Disclosure Schedule regarding (i) the anticipated offers of employment to be made by Buyer to such Applicable Employees hereunder or (ii) the continuation of such Applicable Employee's employment with the applicable Transferred Joint Venture Entity, as the case may be. Offers of employment required by this Section 5.5(a) shall be for a position of similar or greater status, authority, duties and aggregate compensation (excluding any equity-based compensation, severance, retention, sale, stay, special bonus, emergence or other change in control payments or awards or any similar compensation or award) as such Employee enjoys with Seller and/or its Affiliates immediately prior to the Closing Date, that is within a 50-mile radius from such Employee's primary place of residence as of the Closing Date, and with any such additional rights and benefits as are prescribed by this Section 5.5. Consistent with and subject to the foregoing and the other terms of this Agreement, Buyer shall have the right to establish the terms and conditions under which such offers will be

98

made. Not later than two Business Days following the date offers are required to be made hereunder, Buyer shall provide to Seller a list of the Applicable Employees who do not satisfy the Background Check, by job position or name and region, and as to whom Buyer as a result of such Background Check failure has not made offers of employment pursuant to this Section 5.5(a). The parties hereto shall cooperate with each other to give effect to this Section 5.5(a) and neither Seller nor its Affiliates shall take any actions that would interfere with the Applicable Employees so offered employment from becoming employed by Buyer or the Joint Venture Employees becoming Transferred Joint Venture Employees, as the case may be, as of the Closing Date. Immediately prior to the Closing, the Transferred Joint Venture Entities shall employ no individuals other than those Employees who are or will be Transferred Joint Venture Employees Related to the applicable Joint Venture Business. If any Employee, other than a Transferred Employee, becomes entitled to any payments or benefits under any severance policy, plan, agreement, arrangement or program which exists or arises or may be deemed to exist or arise, under any applicable Law or otherwise, as a result of the consummation of the Transaction or otherwise, Seller shall be liable for such amounts, which Liability shall constitute an Excluded Liability except to the extent Buyer does not comply with the requirement to offer employment on the terms set forth in this Section 5.5(a).

(b) Beginning on the Closing Date and ending no earlier than the first anniversary of the Closing Date, Buyer shall provide each Transferred Employee, other than any Transferred Employee included in a collective bargaining unit covered by the Collective Bargaining Agreements as in effect on the Closing Date (each, a "Union Employee") with, at Buyer's sole discretion, either compensation and employee benefits that are (i) no less

favorable in the aggregate (excluding any equity-based compensation, severance, retention, sale, stay, special bonus, emergence or other change in control payments or awards or any similar compensation or award) than the compensation and employee benefits provided to each such Transferred Employee immediately prior to the Closing Date or (ii) substantially comparable in the aggregate (excluding any severance) to the compensation and employee benefits provided to similarly situated employees of Buyer; provided, that for purposes of any equity-based compensation, such employees shall be deemed newly hired employees of Buyer. In addition, to the extent Buyer maintains a tax-qualified defined benefit pension plan, from and after the date each Transferred Employee satisfies the applicable eligibility and service requirements of any such plan as in effect on any date of determination, such Transferred Employee shall participate in such plan to the same extent as similarly situated employees of Buyer. With respect to Union Employees, Buyer will retain any and all of the rights and obligations it may have pursuant to applicable labor Law.

(c) Notwithstanding Section 5.5(b), beginning on the Closing Date, Buyer shall, for a period ending no earlier than the first anniversary of the Closing Date, maintain a severance plan for the benefit of each Transferred Employee, other than any Union Employee, that is no less favorable to Transferred Employees than the Amended and Restated Adelphia Communications Corporation Severance Plan effective September 21, 2004 (the “Seller Severance Plan”) and which includes the same general terms and conditions regarding eligibility and exclusion from eligibility for severance pay and

99

benefits as the Seller Severance Plan. It is intended that this Section 5.5(c) shall not result in any duplication of benefits to any Transferred Employee.

(d) To the extent (and only to the extent) set forth on Schedule 5.5(d) of the Seller Disclosure Schedule, Buyer shall assume all Liabilities and obligations to provide any severance pay and benefits to any Transferred Employee whose employment is terminated following the Closing. Buyer shall reimburse Seller for any severance costs incurred with respect to any Employee who is not offered employment by Buyer pursuant to this Transaction in the event Buyer or any of its Subsidiaries hires such Employee within three months after the Closing.

(e) For purposes of this Agreement, (i) “Applicable Employees” means all of the following:

(A) All persons who are active Employees on the Closing Date, including Employees on vacation and Employees on a regularly scheduled day off from work. Employees on temporary leave for purposes of jury or annual two-week national service/military duty shall be deemed to be active Employees;

(B) Employees who on the Closing Date are on nonmedical leave of absence; provided, however, that no such Employee shall be guaranteed reinstatement to active service if his return to employment is contrary to the terms of his leave, unless otherwise required by applicable Law (for purposes of the foregoing, nonmedical leave of absence shall include maternity or paternity leave, leave under the Family and Medical Leave Act of 1993, educational leave, military leave with veteran’s reemployment rights under federal Law, or personal leave, unless any of such is determined to be a medical leave); and

(C) Employees who on the Closing Date are on disability or medical leave and for whom it has been 180 calendar days or less since their last day of active employment; provided, however, that no such Employee shall be guaranteed reinstatement to active service if he is incapable of working in accordance with the policies, practices and procedures of Buyer; and

(ii) “Transferred Employees” means those Applicable Employees who accept offers of employment with Buyer and the Transferred Joint Venture Employees.

(f) Seller shall retain responsibility for and continue to pay all medical, life insurance, disability and other welfare plan expenses and benefits for each Transferred Employee with respect to claims incurred by such Transferred Employee or his or her covered dependents prior to the Closing Date except to the extent (and only to the extent) such liabilities are reflected in the determination of the Closing Net Liabilities used in the determination of the Final Adjustment Amount for the Specified Business in which such Transferred Employee is employed. Buyer shall be responsible for all expenses and benefits with respect to claims incurred by Transferred Employees or their covered dependents on or after the Closing Date. For purposes of this paragraph, a claim is deemed

100

incurred: (i) in the case of medical or dental benefits, when the services that are the subject of the claim are performed, (ii) in the case of life insurance, when the death occurs, (iii) in the case of long-term disability benefits, when the Employee becomes disabled, and (iv) in the case of workers compensation benefits, when the event giving rise to the benefits occurs.

(g) With respect to any plan that is a “welfare benefit plan” (as defined in Section 3(1) of ERISA), or any plan that would be a “welfare benefit plan” (as defined in Section 3(1) of ERISA) if it were subject to ERISA, maintained by Buyer, Buyer shall (i) provide coverage for Transferred Employees under its medical, dental and health plans as of the Closing Date in accordance with the terms of such plans, (ii) cause there to be waived any pre-existing conditions, actively at work requirements and waiting periods or other eligibility requirements to the extent such conditions, requirements or waiting periods were satisfied by a Transferred Employee under a corresponding Benefit Plan, and (iii) cause such plans to honor any expenses incurred by the Transferred Employees and their dependents or beneficiaries under similar plans of Seller and its Affiliates during the portion of the calendar year in which the Closing Date occurs for purposes of satisfying applicable deductible, co-insurance and maximum out-of-pocket expenses.

(h) Transferred Employees shall be given credit for purposes of eligibility and vesting and other entitlement to benefits or rights, under each employee benefit plan of Buyer (each a “Buyer Plan”) in which such Transferred Employees are or become eligible to participate, for all service

(including service with Seller or any of its Affiliates) for which such Transferred Employees were credited for such purposes under a corresponding Benefit Plan of Seller prior to the Closing Date; provided, however, that nothing in this Section 5.5(h) shall result in any duplication of benefits.

(i) Except as required by applicable Law, as of the Closing Date, the Transferred Employees shall cease to accrue further benefits under the employee benefit plans and arrangements maintained by Seller and its Affiliates. From and after the Closing, Seller shall remain solely responsible for any and all Liabilities in respect of the Employees, including the Transferred Employees, related to the Benefit Plans, except as otherwise provided in this Section 5.5. None of Buyer or any of its Affiliates shall assume or have transferred to them the sponsorship of any of the Benefit Plans or any other benefit plans or arrangements maintained by Seller or any of its Affiliates; including any non qualified deferred compensation or rabbi trust plans or arrangements, pursuant to or in connection with the Transaction.

(j) Seller shall take all actions necessary to fully vest the Transferred Employees in their account balances under Seller's tax-qualified 401(k) plan ("Seller's 401(k) Plan") effective as of the Closing Date. In accordance with the terms of the applicable plan, each Transferred Employee shall be eligible to participate in a Buyer-sponsored defined contribution plan intended to qualify under Sections 401(a) and 401(k) of the Code ("Buyer's 401(k) Plan"). Buyer shall take all actions reasonably necessary to permit beginning as soon as reasonably practical following the Closing Date each Transferred Employee who has received an eligible rollover distribution (as defined in Section 402(c)(4) of the Code) from Seller's 401(k) Plan to roll over the distribution, to

101

an account in Buyer's 401(k) Plan; provided, that any Transferred Employee with less than six months of service with Seller or any of its Affiliates immediately prior to the Closing Date will only become a participant in the Buyer's 401(k) Plan after completing six months of combined continuous service with Seller or any of its Affiliates and Buyer and any of its Affiliates (without duplication).

(k) With respect to any accrued but unused vacation time (including flexible time-off and sick pay) to which any Transferred Employee is entitled pursuant to the vacation policy applicable to such Transferred Employee immediately prior to the Closing Date, Buyer shall, to the extent permitted by applicable Law, assume the liability for such accrued vacation and allow such Transferred Employee to use such accrued vacation to the extent such Transferred Employee would have been entitled to such accrued vacation based on his level and years of service under the vacation policy of Buyer in effect as of the Closing Date as if such Transferred Employee had been employed by Buyer during such Transferred Employee's employment with Seller; provided, however, that if the Transferred Employee's accrued vacation is greater than the amount of vacation to which such Transferred Employee would have been entitled under Buyer's vacation policy, Buyer shall pay to such Transferred Employee within 90 days of the Closing Date an amount in cash equal to the difference but only to the extent of the amount reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount for the Specified Business in which such Transferred Employee is employed. With respect to any sale bonuses under the Sale Bonus Program, Seller shall be responsible for the payment to all Employees of that portion of the bonus that is to be paid on the "First Sale Bonus Payment Date" (as defined in the Sale Bonus Program), which bonuses shall be paid prior to or on the Closing. Buyer shall be responsible for the payment to Transferred Employees on a timely basis of any sale bonuses under the Sale Bonus Program to be paid after the "First Sale Bonus Payment Date" but only to the extent of the amount reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount for the Specified Business in which such Transferred Employee is employed.

(l) Buyer shall be responsible for providing or discharging any and all notifications, benefits and liabilities to Transferred Employees and governmental authorities required by WARN or by any other applicable Law relating to plant closings or employee separations that are required (i) to be provided after the Closing or (ii) with respect to any plant closing or mass layoff that occurs within the 60-day period immediately following the Closing. Seller agrees to cooperate in preparing and distributing any notices that Buyer may desire to provide prior to the Closing. No later than five Business Days prior to the Closing Date, Seller shall provide Buyer with a schedule setting forth each Employee whose employment was terminated or is anticipated to be terminated during the six month period prior to the Closing Date and the work location of such Employee.

(m) Buyer shall assume any liability under COBRA arising from the actions (or inactions) of Buyer or its Affiliates with respect to the Transferred Employees after the Closing Date. Seller shall retain all obligations with respect to continued coverage under COBRA (and any similar state Law), Section 4980B of the Code and Part 6 of Subtitle B of Title I of ERISA and the regulations thereunder for all Employees, including

102

Applicable Employees, who do not become Transferred Employees. Notwithstanding the immediately preceding sentence, to the extent required by Treasury Regulation Section 54.4980B-9, Q&A-8(c), Buyer shall perform all obligations under COBRA and the foregoing provisions of the Code and ERISA with respect to each employee of Seller who is an "M&A qualified beneficiary" with respect to the Transaction, as such term is defined by Treasury Regulation section 54.4980B-9, Q&A-4.

(n) For Employees who participate in Seller's short term incentive bonus program, including the Short-Term Incentive Plan, Sales Incentive Plan and Marketing Incentive Plan, Seller shall be responsible for paying their respective annual bonuses for the period from the January 1 immediately preceding the Closing Date through the Closing (pro-rated for the partial year) and shall pay such bonuses to such Employees not later than the Closing; and, solely with respect to Transferred Employees who participated immediately prior to the Closing Date in such Seller's short term incentive bonus programs, Buyer shall be responsible for paying respective annual bonuses for the period from the Closing Date through the December 31 immediately following the Closing Date pro-rated for the partial year.

(o) With respect to any Transferred Employee who becomes employed by Friendco or any of its Affiliates pursuant to the Exchange Agreement, references to any benefit plans maintained by Buyer shall be deemed to be references to benefit plans maintained by Friendco or its Affiliates and references to similarly situated employees of Buyer shall be deemed to be references to similarly situated employees of Friendco or its Affiliates.

(p) The parties hereto hereby acknowledge and agree that no provision of this Agreement shall be construed to create any right to any compensation or benefits whatsoever on the part of any Employee or other future, present or former employee of Seller or any of its Affiliates. Nothing in this Section 5.5 or elsewhere in this Agreement shall be deemed to make any employee of the parties or their respective Affiliates a third party beneficiary of this Section 5.5 or any rights relating hereto.

(q) The parties hereto hereby acknowledge and agree that Buyer shall have no Liability in respect of any award to any Employee, director, consultant, independent contractor or other service provider of Seller or its Affiliates with respect to any shares of Seller's Equity Securities, whether existing on the date hereof or arising in the future ("Stock Awards"), and that all Liabilities related to such Stock Awards shall be Excluded Liabilities.

(r) Seller agrees that, notwithstanding anything in this Agreement to the contrary, the payments of awards under the Amended and Restated Adelphia Communications Corporation Performance Retention Plan shall in no event be made in Equity Securities of Buyer or any Affiliate of Buyer and shall be satisfied in full by Seller prior to or on the Closing.

Section 5.6 Ancillary Agreements. At the Closing, Seller shall and shall cause each of its Affiliates party to an unexecuted Ancillary Agreement to, execute and deliver

103

each unexecuted Ancillary Agreement to which it is a party, and Buyer shall execute and deliver each of the unexecuted Ancillary Agreements to be executed by it.

Section 5.7 Transfer and Assignment of Assets and Certain Employees of Transferred Joint Venture Entities. At or prior to the Closing, Seller shall (a) cause each Transferred Joint Venture Entity to transfer to the applicable Seller JV Partner all Excluded Assets held by such Transferred Joint Venture Entity (b) terminate the employment of all individuals who are then employed by a Transferred Joint Venture Entity and who are not or will not be Transferred Joint Venture Employees Related to the applicable Joint Venture Business and (c) cause such Seller JV Partner to, assume and discharge or perform when due all Excluded Liabilities to which such Transferred Joint Venture Entity is subject, in each case pursuant to agreements, instruments or other documents in form and substance reasonably satisfactory to Buyer.

Section 5.8 Acquisition Proposals. Except as otherwise provided in this Section 5.8, Seller agrees that neither it nor any of its Subsidiaries nor any of their respective directors, officers or employees shall, and that it shall direct its Subsidiaries and its and its Subsidiaries' agents and representatives and use its best efforts to cause its and its Subsidiaries' agents and representatives (including any investment banker, attorney or accountant retained by it or any of its Subsidiaries) not to, directly or indirectly, initiate, solicit or encourage any inquiries or the making of any proposal or offer with respect to a merger, reorganization (including an Alternate Plan), share exchange, consolidation or similar transaction involving (directly or indirectly), or any purchase (directly or through a proposed investment in Equity Securities, debt securities or claims of creditors) of 10% or more of the Transferred Assets Related to the Business or of the outstanding Equity Securities of Seller or any of its Affiliates directly or indirectly owning Assets Related to the Business (any such proposal or offer being hereinafter referred to as an "Acquisition Proposal" and any such transaction, an "Acquisition"); provided, however, that the foregoing shall not restrict Seller from renewing the "exit financing" of the Debtors on substantially the same terms as in effect as of March 31, 2005. Seller further agrees that neither it nor any of its Subsidiaries nor any of their respective directors, officers or employees shall, and that it shall direct its Subsidiaries and its and its Subsidiaries' agents and representatives and use its best efforts to cause its and its Subsidiaries' agents and representatives (including any investment banker, attorney or accountant retained by it or any of its Subsidiaries) not to, directly or indirectly, engage in any negotiations concerning, or provide any confidential information or data to or have any discussions with any Person relating to, an Acquisition Proposal, or otherwise facilitate any effort or attempt to make or implement an Acquisition Proposal. Seller agrees that it will take the necessary steps to promptly inform the Persons referred to in the first sentence of this Section 5.8 of the obligations undertaken in this Section 5.8 and to cause them to cease immediately any current activities that are inconsistent with this Section 5.8. Notwithstanding the foregoing, nothing contained in this Agreement shall prevent Seller or its board of directors (the "Board") from:

(a) (i) complying with its disclosure obligations under Law or the Bankruptcy Code with regard to an Acquisition Proposal, or (ii) prior to the commencement of the Confirmation Hearing[,] **for the Plan on May 15, 2006**, in

104

response to an unsolicited bona fide Acquisition Proposal, (A) (1) providing information to (including discussing any due diligence issues, requests or clarifications with) a Person with whom Seller executes a confidentiality agreement on terms no less favorable to Seller than those contained in the Seller Confidentiality Agreement (as in effect prior to amendment on the date hereof), other than any restrictions on such Person's ability to make or amend an Acquisition Proposal and (2) following receipt of a bona fide unsolicited Acquisition Proposal from such a Person, engaging in discussions with such Person to the extent such discussions are confined to clarifying any term of such Acquisition Proposal or (B) engaging in any negotiations or discussions with any Person who has made such an Acquisition Proposal if and only to the extent that, in each such case referred to in clauses (A) and (B) above, (1) the Board determines in good faith after consultation with outside legal counsel that the directors of Seller should take such action in order to comply with their fiduciary duties under applicable Law, (2) such Acquisition Proposal involves the direct or indirect acquisition by one or more third parties of at least 66 2/3% of (x) all Assets Related to the Business or (y) the outstanding Equity Securities of Seller and (3) in each such case referred to in clause (B) above, the Board determines in good faith (after consultation with its financial and legal advisors) that such Acquisition Proposal, if accepted, is reasonably likely to be consummated, taking into account all legal, financial and regulatory aspects of the proposal and the Person making the proposal, and if consummated, would result in a transaction more favorable (taking into account, without limitation, financial terms of any termination fee that may be payable pursuant to Section 8.5(b)) to Seller's stakeholders from a financial point of view than the Transaction (any such more favorable Acquisition Proposal being referred to in this Agreement as a "Superior Proposal"). Seller or any of its Subsidiaries shall notify Buyer promptly (but in no event later than 24 hours) after receipt by Seller or any of its Subsidiaries (or any of their respective directors, officers, employees or advisors) of any Acquisition Proposal, any indication that a third party is considering making an Acquisition Proposal or any request for information relating to the Transferred Assets, any Specified Business, Seller or any of its Subsidiaries or for access to any Specified Business or any of the Transferred Assets by any third party that may be considering making, or has made, an Acquisition Proposal. Seller shall provide such notice orally and in writing and shall identify the third party making, and the terms and conditions of, any such

Acquisition Proposal, indication or request. Seller shall keep Buyer fully informed, on a current basis, of the status and details of any such Acquisition Proposal, indication or request. Seller shall promptly provide Buyer with any non public information concerning Seller's business, present or future performance, financial condition or results of operations, provided to any third party that was not previously provided to Buyer; and

(b) (i) prior to the commencement of the Confirmation Hearing[,] **for the Plan on May 15, 2006**, engaging in any negotiations or discussions concerning an Alternate Plan with the Committees, the stakeholders of Seller or its Affiliates or their respective advisors (in each case (other than in the case of Committees) with whom Seller enters into, or has entered into, a confidentiality agreement on customary terms under the circumstances that restricts such stakeholder (other than with respect to any other stakeholder who is subject to a substantially similar confidentiality agreement or to the Committees) from (x) disclosing any confidential information regarding Seller and its Affiliates, Buyer and its Affiliates, or information regarding an Alternate Plan, including

105

the status thereof, and (y) making public statements regarding any of the foregoing), but only to the extent that (A) the Board determines in good faith after consultation with outside legal counsel that the directors of Seller should take such action in order to comply with their fiduciary duties under applicable Law and (B) the Board determines in good faith (after consultation with its financial and legal advisors) that such Alternate Plan, if pursued and assuming (for purposes of determining the right to engage in negotiations or discussions pursuant to this Section 5.8(b), but not for purposes of the definition of "Superior Alternate Plan") the support of Seller's stakeholders therefor, is reasonably likely to be consummated, taking into account all legal, financial and regulatory aspects of the proposed Alternate Plan and, if consummated, would result in a transaction more favorable (taking into account, without limitation, the financial terms of any termination fee that may be paid pursuant to Section 8.5(b)) to the stakeholders of Seller and its Affiliates from a financial point of view than the Transaction (any such more favorable Alternate Plan being referred to in this Agreement as a "Superior Alternate Plan") or (ii) after entry of a Confirmation Order satisfying the condition set forth in Section 6.2(g) (but only for so long as such Confirmation Order is in effect), planning for an Alternate Plan that involves the emergence of Debtors as standalone entities with no greater than a 10% additional equity contribution (other than existing Claims), including engaging in any negotiations or discussions concerning an Alternate Plan with stakeholders of Seller or its Affiliates or their advisors, preparing (but not filing) a disclosure statement with respect to such Alternate Plan and preparing and negotiating any intercreditor agreements; provided, however, that such Alternate Plan provides that it can only be confirmed and effective if this Agreement is terminated in accordance with its terms and such planning does not involve any action or omission that could reasonably be expected to materially impair or materially delay the Transaction; provided, further, that nothing in this Section 5.8(b) shall permit any public statements or filings with the Bankruptcy Court or any other court by or on behalf of Seller or its Affiliates. Seller shall notify Buyer of its engagement in discussions concerning an Alternate Plan and shall keep Buyer reasonably informed, on a current basis, of material developments that could reasonably be expected to result in an Alternate Plan. For purposes of this Agreement, an "Alternate Plan" is any plan under chapter 11 of the Bankruptcy Code (other than the Plan **or the JV Plan**) or any liquidation under chapter 7 of the Bankruptcy Code. Without limiting any other obligation set forth in this Agreement, Seller shall, in connection with the activities permitted under this Section 5.8(b), use commercially reasonable efforts to enforce any confidentiality obligations of the Committees and any obligations under the confidentiality agreements described in this Section 5.8(b).

Section 5.9 Additional Financial Information.

(a) Seller shall use commercially reasonable efforts, and shall cause its Affiliates to use commercially reasonable efforts, to provide Buyer with financial statements and related information (collectively, "Financial Information") sufficient to permit Buyer or its Affiliates to fulfill their obligations to include financial disclosure relating to each Specified Business and, if required, the Friendco Business and the Group 2 Systems, on a timely basis **in any report** under the Exchange Act and, if Buyer or any of Buyer's Affiliates undertakes an offering of securities prior to the Closing, the Securities Act (it being understood that the foregoing shall not require Seller to file or furnish any

106

periodic or current reports that are required to be filed prior to the date hereof under the Exchange Act with the SEC). If some or all of the Financial Information is included in or incorporated by reference into a prospectus for an offering of securities by Buyer or any of Buyer's Subsidiaries prior to the Closing, Seller shall, and shall cause its Affiliates to, use commercially reasonable efforts to cause the independent auditors of Seller to provide customary assistance to Buyer or such Subsidiary and its underwriters in connection with such financing, including the provision of consent and comfort letters addressed to the [SEC]Buyer, comfort letters addressed to the underwriters, participation in due diligence matters with respect to such offering and assistance in responding to comments or questions from the SEC with respect to the Financial Information. Buyer shall reimburse Seller for the reasonable costs and expenses incurred by Seller pursuant to this Section 5.9(a), including reasonable out-of-pocket costs and any incremental costs and expenses necessary to comply with this Section 5.9(a) (including all necessary incentive compensation) (unless and to the extent compliance with this Section 5.9(a) is waived by Buyer prior to the incurrence of such costs and expenses). Seller shall give Buyer reasonable advance notice of the type and the amount of such costs and expenses prior to the incurrence thereof.

(b) As soon as reasonably practicable (and, in any event, prior to the Closing), Seller shall, and shall cause its Affiliates to, use commercially reasonable efforts, to provide Buyer with a copy of (i) the consolidated audited balance sheets and audited statements of income, stockholders equity and cash flows for each Specified Business reflecting the allocation of Shared Assets and Liabilities pursuant to the Designated Allocation and Section 2.5 (provided, that, but subject to clause (iii) below, such financial statements do not need to be provided for the Group 2 Business for any period prior to January 1, 2004), at and for the fiscal years ended December 31, 2002 (unless statements at and for the fiscal year ended December 31, 2005 are provided as set forth below), December 31, 2003, December 31, 2004, and, if the Closing shall not have occurred on or prior to March 31, 2006 (or if such statements are otherwise available) December 31, 2005 (as modified by the proviso to clause (i) of this Section 5.9(b), the "Derivative Audited Financial Statements"), (ii) the consolidated audited balance sheets and audited statements of income, stockholders' equity and cash flows for Seller and its Affiliates for the fiscal years ended December 31, 2004, and, if the Closing shall not have occurred on or prior to March 31, 2006 (or if such statements are otherwise available), December 31, 2005 (the "Seller Audited Financial Statements"), and (iii) the unaudited balance sheets and unaudited statements of income, stockholders' equity and cash flows for each Group 2 System for the fiscal years ended December 31, 2002 (unless the Derivative Audited Financial Statements include consolidated audited balance sheets and audited statements of income, stockholders equity and cash flows for each Specified Business for the fiscal year ended December 31, 2005 are provided as set forth above), and December 31, 2003 (the "MCE Financial Statements" and, together with the Derivative Audited Financial Statements and the Seller Audited Financial Statements, the "Additional Financial Statements"); provided, that Buyer shall

reimburse Seller for the reasonable costs and expenses incurred by Seller in connection with the preparation of the Derivative Audited Financial Statements and the MCE Financial Statements, including reasonable out-of-pocket costs and any incremental costs and expenses necessary to comply with this Section 5.9(b) (including all necessary incentive compensation). Seller shall give Buyer

107

reasonable advance notice of the type and the amount of such costs and expenses prior to the incurrence thereof.

(c) Buyer shall use its commercially reasonable efforts to obtain relief from the staff of the SEC from Buyer's obligations to include financial statements with respect to periods ending on or prior to December 31, 2002 required by Section 5.9(a) or Section 5.9(b) in Buyer's filings under the Securities Act or Exchange Act. Seller shall cooperate with Buyer in respect of the obtaining of any such relief.

Section 5.10 Post Closing Consents.

(a) Subsequent to the Closing, and subject to Section 2.13, Seller shall and shall cause its Affiliates to continue to use commercially reasonable efforts to obtain in writing as promptly as possible any consent, authorization or approval necessary or commercially advisable in connection with the Transaction which was not obtained on or before the Closing in form and substance reasonably satisfactory to Buyer.

(b) Without limiting Section 5.10(a), in the event that a Closing under this Agreement occurs without the receipt of all LFA Approvals, Buyer and Seller shall act in good faith to obtain any remaining LFA Approvals following the Closing. Until such time as all LFA Approvals have been obtained, Buyer covenants and agrees to use commercially reasonable efforts to satisfy all obligations of Seller or any of its Affiliates arising after the Closing under each Franchise agreement corresponding to a LFA Approval that has not been obtained. Buyer and Seller agree to enter into such arrangements as are reasonably necessary to cause Seller not to be in breach under each such Franchise agreement and to permit Buyer to receive the economic benefits of each such Franchise agreement.

(c) Buyer and Seller agree, assuming as set forth in Section 5.10(b) that all or substantially all of the economic benefits relating to a remaining Franchise inure to Buyer, (i) that any remaining Franchises described in Section 5.10(b) shall be treated for all income Tax purposes as Assets of Buyer as of the Closing and (ii) not to take, and to prevent any of their respective Affiliates from taking, any position inconsistent with such treatment for any income Tax purposes (unless required by a change in applicable income Tax Law or a good faith resolution of a contest).

Section 5.11 Bankruptcy Proceedings.

(a) Seller shall, as soon as reasonably practicable after the date hereof, but no later than 45 days hereafter, file with the Bankruptcy Court (i) a Disclosure Statement with respect to the Plan intended to meet the requirements of section 1125(b) of the Bankruptcy Code and this Section 5.11(a) (as amended from time to time in accordance with this Agreement, the "Disclosure Statement"), (ii) a motion to approve, among other things, the Disclosure Statement (the "Disclosure Statement Motion") and (iii) the Plan. Seller shall, and shall cause each of its Affiliates to, commence appropriate proceedings before the Bankruptcy Court and otherwise use commercially reasonable efforts to obtain approval of the Disclosure Statement and the Plan **(except to the extent Seller is pursuing**

108

or has consummated the 363 Sale and the JV Plan) as expeditiously as possible and, after May 19, 2006 and prior to delivery of the Reversion Notice, to obtain approval of the 363 Sale, the JV Plan and any required disclosure statement for the JV Plan and entry of the 363 Order, in each case, as expeditiously as possible. Seller shall, and shall cause its Affiliates to, provide in the Disclosure Statement a range of values determined by Seller after consultation with Buyer; provided, that the midpoint of such range shall equal the Aggregate Value of the Purchase Shares); provided, however, that, based on changes, events or circumstances first arising or occurring following the date hereof, Seller may, after consultation with Buyer and its counsel, change the midpoint, and the range in order that the statements contained in the Disclosure Statement in respect of the value of the Purchase Shares would not be misleading or result in a violation of any applicable Law by Seller. The Plan, any and all exhibits and attachments to the Plan, the Disclosure Statement, and the Disclosure Statement Motion, **the 363 Motion and the JV Plan, and any and all exhibits and attachments to the JV Plan, any required disclosure statement for the JV Plan,** and the orders approving the same (including the [Confirmation]Transaction Order), and any amendment or supplement to any of the foregoing, (A) to the extent affecting the terms of the Transaction, the Transferred Assets, the Assumed Liabilities, Buyer or its Affiliates (in the case of Buyer or its Affiliates, only to the extent related to the Transaction or an interest in the Transferred Joint Venture Parents (other than with respect to Plan **or JV Plan** distribution matters) and not in their capacity as creditors or, with respect to Plan **or JV Plan** distribution matters, equityholders), shall be, **except in the case of the 363 Motion and the 363 Order,** in all material respects reasonably acceptable **and, in the case of the 363 Motion and the 363 Order, in all respects reasonably acceptable,** in form and substance to, and shall not be filed until consented to by, Buyer, which consent shall not be unreasonably withheld; **(B) without limiting clause (A) with respect to the 363 Motion and the 363 Order,** [(B)] shall not otherwise contain any provision (including any provision relating to the allocation of distributable proceeds among Seller's stakeholders), or otherwise have an effect, that would, individually or in the aggregate, reasonably be expected to materially impair or materially delay the Transaction; it being understood that any allocation of distributable proceeds that does not violate the absolute priority rule or any proposed waiver of the absolute priority rule as may be contemplated by the Plan that is reasonably expected to be consented to by the affected classes shall not be deemed to materially impair or materially delay the Transaction, (C) shall not contain any provision providing for an Alternate Plan, including the so-called "toggle plan", (D) shall not treat Buyer or its Affiliates, in their capacities as creditors or equityholders, in a discriminatory manner as compared to similarly classified stakeholders, (E) except to the extent expressly set forth herein, shall not modify, alter, amend or otherwise impair the rights of any of the Buyer JV Partners in their capacity as equity security holders (and not as holders of claims) set forth in the JV Documents or otherwise impair or alter the terms of any Joint Venture Securities and (F) without limiting the generality of the foregoing, in the case of the [Confirmation]Transaction Order, shall contain the finding that Buyer is a good faith purchaser of the Transferred Assets pursuant to section 363(m) of the Bankruptcy Code unless Buyer's actions which have been determined by the Bankruptcy Court to have not been in good faith preclude such a finding. Buyer shall refrain from taking any actions in connection herewith that are not in good faith (as determined by the Bankruptcy Court) and

that would preclude a finding that Buyer is a good faith purchaser of the Transferred Assets pursuant to section 363(m) of the Bankruptcy Code. Seller shall provide Buyer and its counsel with copies of all material motions, applications, supporting papers and notices prepared by Seller (including forms of orders and notices to interested parties) relating in any way to the Disclosure Statement, the Plan, **the 363 Sale, the JV Plan, any required disclosure statement for the JV Plan** or the Transaction prior to the filing of such documents and shall provide Buyer, to the extent practicable, with a reasonable opportunity to review and comment on same. Seller shall consult with Buyer prior to taking any action in or with respect to the Reorganization Case that could reasonably be expected, individually or in the aggregate, to (x) be inconsistent with this Agreement or the Transaction, (y) materially impair or materially delay the Transaction or (z) relate to any material information provided by Buyer for inclusion in the Disclosure Statement or **any required disclosure statement for the JV Plan** or have an adverse effect on the Transaction, the Transferred Assets, the Assumed Liabilities, Buyer or its Affiliates (in the case of Buyer or its Affiliates, only to the extent related to the Transaction or an interest in the Transferred Joint Venture Parents (other than with respect to Plan **or JV Plan** distribution matters) and not in their capacity as creditors or, with respect to Plan **or JV Plan** distribution matters, equityholders). Buyer shall provide Seller with all information concerning Buyer as is required (or, with respect to Systems to be received by Friendco or its Affiliates in the Exchange, reasonably advisable) to be included in the Disclosure Statement **or any required disclosure statement for the JV Plan** and is requested by Seller. Any information delivered by Buyer or Seller for inclusion in the Disclosure Statement **or any required disclosure statement for the JV Plan** will be intended to satisfy the requirements of section 1125(a) of the Bankruptcy Code.

(b) No later than 70 days prior to the Confirmation Hearing **for the Plan**, Seller shall deliver to Buyer a true and complete list of all Contracts Related to each Specified Business (other than Programming Agreements but including retransmission consent agreements) entered into prior to such seventieth day (provided, that between such seventieth day and the Confirmation Hearing **for the Plan**, Seller shall promptly update such list to reflect Contracts Related to each Specified Business (other than Programming Agreements but including retransmission consent agreements) entered into during such period) which shall include the following, each of which must be satisfactory in form and substance to Buyer in its reasonable discretion: (i) a list of Contracts (other than Programming Agreements but including retransmission consent agreements) which Seller or any Affiliate has rejected pursuant to an order of the Bankruptcy Court (the "Rejected Contracts"); (ii) a list of Contracts (other than Programming Agreements but including retransmission consent agreements) which Seller or any Affiliate has assumed pursuant to an order of the Bankruptcy Court; (iii) with respect to each such Contract that is not a Rejected Contract, (A) Seller's good faith estimate of the Cure Costs in respect of such Contract, (B) Seller's good faith estimate of the Rejection Claims in respect of such Contract and (C) whether such Contract was entered into on or following the Petition Date. No later than 40 days prior to the Confirmation Hearing **for the Plan**, Buyer shall provide Seller with a list of Contracts to be assumed, if applicable, by Seller or any of its Affiliates and assigned by Seller or any of its Affiliates to Buyer (or, in the case of Contracts to which any Transferred Joint Venture Entity is party, assumed and retained by such Transferred Joint Venture Entity) with respect to each Specified Business (as further identified by

Buyer pursuant to the provisions of this Section 5.11(b), the "Assigned Contracts"). As promptly as practicable following the determination of the Assigned Contracts by Buyer and in any event no later than 20 days prior to the Confirmation Hearing **for the Plan**, Seller or its Affiliates, as the case may be, shall commence appropriate proceedings before the Bankruptcy Court and otherwise take all necessary actions in order to determine Cure Costs with respect to any Assigned Contract entered into prior to the Petition Date. Notwithstanding the foregoing, prior to the Closing, Buyer may identify (x) any Assigned Contract as one that Buyer no longer desires to have assigned to it (or retained by a Transferred Joint Venture Entity, as applicable) and such Contract shall for all purposes of this Agreement, including Section 5.11(d) and any Ancillary Agreement be deemed not to be an Assigned Contract and (y) any Contract entered into by Seller of any of its Affiliates following entry of the Confirmation Order **for the Plan or the JV Plan or the 363 Order** that is Related to any Specified Business as an Assigned Contract and such Contract shall for all purposes of this Agreement be deemed to be an Assigned Contract. At the direction of Buyer, Seller shall or shall cause its Affiliates to, as the case may be, take all necessary actions and, if necessary, promptly commence appropriate proceedings before the Bankruptcy Court in order to effect the assumption of any Assigned Contract by Seller or any of its Affiliates and the assignment of such Contract to Buyer at the Closing (or, in the case of Assigned Contracts to which any Transferred Joint Venture Entity is party, the assumption and retention by such Transferred Joint Venture Entity) pursuant to the Plan, **the JV Plan or the 363 Order (and/or an order pursuant to section 365 of the Bankruptcy Code authorizing the assumption, retention and/or assignment, as applicable, of the Assigned Contracts)**. Following the Closing, Seller shall not, and shall cause each of its Affiliates not to, amend, modify, terminate or abrogate any Assigned Contract. Seller shall, and shall cause each of its Affiliates to, take all actions such that each OCB Contract that is not an Assigned Contract shall be terminated or rejected as of the Closing.

(c) Seller shall use its commercially reasonable efforts to make available to Buyer as promptly as practicable after the date hereof (or, in the case of Contracts entered into after the date hereof, as promptly thereafter as practicable) true and complete copies of each of the Contracts Related to each Specified Business (other than Programming Agreements but including retransmission consent agreements) and of each of the Contracts listed, or required to be listed, in Schedule 3.15(b) of the Seller Disclosure Schedule, and true and complete summaries of the terms of any such oral Contracts; it being understood that, in any event, such copies and summaries shall be made available in respect of the Contracts listed on the list delivered pursuant to the first sentence of Section 5.11(b) no later than 70 days prior to the Confirmation Hearing **for the Plan**.

(d) Other than the Assumed Cure Costs, Seller shall be liable for all Cure Costs, and Buyer shall have no Liability to any Seller Indemnified Party, the estate of Seller or any of its Affiliates or to any non-debtor party to any Contract in connection therewith; provided, however, that if the amount of the Cure Costs in respect of any Assigned Contract that is not an OCB Contract is greater than the amount that would be paid to the non-debtor party to such Contract on account of a Rejection Claim in respect of such Contract, taking into consideration the likely recovery on account of such Rejection Claim under [the] **a chapter 11 plan of Seller and/or its Affiliates, including a**

Remainder Plan (as Seller and Buyer mutually agree, or, in the absence of such agreement, as may be determined by the Bankruptcy Court), then such excess, but only such excess, shall be deemed to constitute an Assumed Cure Cost. Seller shall also be liable for all Claims, including Rejection Claims, in respect of any Contract that is not an Assigned Contract, and Buyer shall have no Liability to any Seller Indemnified Party, the estate of Seller or any of its

Affiliates or to any non-debtor party to any such Contract in connection therewith; provided, however, that if the amount that would be paid to the non-debtor party to an OCB Contract that is not an Assigned Contract on account of a Rejection Claim in respect of such OCB Contract, taking into consideration the likely recovery on account of such Rejection Claim under [the] **a chapter 11 plan of Seller and/or its Affiliates, including a Remainder Plan**, is greater than the Cure Costs with respect to such OCB Contract (in either case as Seller and Buyer mutually agree, or, in the absence of such agreement, as may be determined by the Bankruptcy Court), then, subject to such OCB Contract having been made available to Buyer for at least 70 days prior to the Confirmation Hearing **for the Plan** (or, in the case of Contracts entered into after such seventieth day, as promptly thereafter as practicable), such excess, but only such excess, shall constitute an Assumed Liability. Subject to approval of the Bankruptcy Court (which approval Seller shall use commercially reasonable efforts to obtain), Buyer (or its designee) shall be entitled to assume and maintain control, on behalf of Seller and any of its Affiliates, of the litigation and settlement of any dispute over any Assumed Cure Costs with respect to any Franchise or, in respect of any OCB Contract, any Rejection Claim that is an Assumed Liability. Seller shall not, and shall cause each of its Affiliates not to, without the prior written consent of Buyer (not to be unreasonably withheld), settle, compromise or offer to settle or compromise any Liability in respect of (i) Cure Costs under such Assigned Contract that is not an OCB Contract or under any Franchise unless Seller shall have assumed all Liabilities in respect thereof and shall have agreed to release Buyer from all Liabilities in respect of any and all Cure Costs under such Assigned Contract or such Franchise or (ii) any Rejection Claim in respect of any OCB Contract unless Seller shall have assumed all Liabilities in respect thereof and shall have agreed to release Buyer from all Liabilities in respect of any and all Rejection Claims caused by or arising out of any such settlement or compromise and Seller shall consult with and, in each case, provide Buyer a meaningful opportunity to participate in any such litigation or settlement.

(e) Any motion, application or other court document filed with, and the proposed orders submitted to, the Bankruptcy Court seeking authorization to assume and assign or reject or terminate any Contracts Relating to any Specified Business or the Business shall be provided to Buyer in advance of filing (with a reasonable opportunity to review and comment on same) and shall be **(i) to the extent relating to the 363 Motion, the 363 Order, the 363 Sale or the JV Plan, in form and substance reasonably satisfactory to Buyer in all respects and (ii) in all other cases**, in form and substance reasonably satisfactory to Buyer in all material respects. On or prior to the Closing, Seller shall, and shall cause its Affiliates to, cure any and all defaults and breaches under and satisfy (or with respect to any Assumed Liability or obligation that cannot be rendered non-contingent and liquidated prior to the Closing Date, make effective provision satisfactory to Buyer and the Bankruptcy Court for satisfaction from funds of Seller) any Liability (other than as to Assumed Cure Costs) arising from or relating to pre-Closing periods under the Assigned Contracts so that such Contracts may be assumed by Seller or

112

its Affiliates and assigned to Buyer in accordance with the provisions of section 365 of the Bankruptcy Code and this Agreement. On or prior to the Closing, Seller shall, and shall cause its Affiliates to, pay or make adequate reserve for all Cure Costs other than the Assumed Cure Costs.

(f) Seller shall, and shall cause its Affiliates to, and Buyer shall, each use commercially reasonable efforts, and cooperate, assist and consult with each other, as promptly as practicable, to secure approval of the Disclosure Statement, confirmation of the Plan [and consummation of the transactions contemplated by the Plan and this Agreement. Neither the Plan nor] **(except to the extent Seller is pursuing or has consummated the 363 Sale and the JV Plan) and consummation of the Transaction and, after May 19, 2006 and prior to the delivery of the Reversion Notice, entry of the 363 Order, approval of any required disclosure statement for the JV Plan and confirmation of the JV Plan. None of the Plan, the 363 Motion, the 363 Order, the JV Plan**, the Disclosure Statement[nor], **any required disclosure statement for the JV Plan or** any other material document relating to the transactions contemplated hereby shall be amended, modified, supplemented, withdrawn or revoked (i) if such amendment, modification, supplement, withdrawal or revocation **(A) relates to the 363 Motion or the 363 Order or (B)** affects the terms of the Transaction, the Transferred Assets, the Assumed Liabilities, Buyer or its Affiliates (in the case of Buyer or its Affiliates, only to the extent related to the Transaction or an interest in the Transferred Joint Venture Parents (other than with respect to Plan **or JV Plan** distribution matters) and not in their capacity as creditors or, with respect to Plan **or JV Plan** distribution matters, equityholders) without the consent of Buyer (provided, that such consent shall not be unreasonably withheld) or (ii) **without limiting clause (i)(A)**, if such amendment, modification, supplement, withdrawal or revocation would contain or alter any provision (including as to the allocation of distributable proceeds among Seller's stakeholders), that would, individually or in the aggregate, reasonably be expected to materially impair or materially delay the Transaction. For the avoidance of doubt, the parties hereto acknowledge and agree that it would not be unreasonable for Buyer to decline to consent to any Plan **or JV Plan** modification which would require the payment of additional consideration by Buyer under the Plan or **JV Plan or** which would reduce or impair the Transferred Assets or increase the Assumed Liabilities.

(g) If an order, judgment or ruling of a court of competent jurisdiction in the Reorganization Case is entered denying entry of (or vacating), or that is inconsistent with the entry of, a [Confirmation] **Transaction** Order satisfying the condition set forth in Section 6.2(g), Seller and Buyer will cooperate and otherwise use commercially reasonable efforts to prosecute diligently the entry of a [Confirmation] **Transaction** Order satisfying the condition set forth in Section 6.2(g). If the [Confirmation] **Transaction** Order or any other orders of the Bankruptcy Court relating to this Agreement, the Disclosure Statement **or the disclosure statement for the JV Plan**, the solicitation of acceptances of the Plan or **the JV Plan**, confirmation of the **Plan or the JV Plan, the 363 Motion, the 363 Order or the Remainder Plan** shall be appealed by any party (or a petition for certiorari or motion for reconsideration, amendment, clarification, modification, vacation, stay, rehearing or reargument shall be filed with respect to any such order), Seller and Buyer will cooperate in taking such steps to prosecute diligently such appeal, petition or motion, each of Seller

113

and Buyer shall use commercially reasonable efforts to obtain an expedited resolution of any such appeal, petition or motion and any expenses incurred by Seller in connection therewith shall be borne by Seller.

(h) Seller shall either (i) (A) cause the Subsidiaries of Seller listed on Schedule 5.11(h) of the Seller Disclosure Schedule or any other non-debtor Subsidiary of Seller that acquires Assets Related to the Acquired Business (the "Non-Debtor Subsidiaries") to file a petition for relief under chapter 11 of the Bankruptcy Code (the "Additional Reorganization Case"), (B) take all steps reasonably necessary to obtain approval by the Bankruptcy Court of the Transaction as it relates to the Non-Debtor Subsidiaries and (C) obtain an Additional Discharge for the Non-Debtor Subsidiaries, in each case as expeditiously as possible under the Bankruptcy Code and the Bankruptcy Rules, and in any event prior to Closing or (ii) subject to the prior approval of the Bankruptcy Court, cause each Non-Debtor Subsidiary to transfer any Assets of such Non-Debtor Subsidiary to a Debtor (other than a Transferred Joint Venture Entity) in exchange for payment of adequate consideration (provided, that such transfer shall be reasonably satisfactory to Buyer in all material

respects and shall render such Assets subject to the Discharge) (such transfer, a “Non-Debtor Transfer”). Seller shall, and shall cause each Non-Debtor Subsidiary to, (x) provide Buyer and its counsel with copies of all material motions, applications, supporting papers and notices prepared by Seller or such Non-Debtor Subsidiary (including forms of orders and notices to interested parties) relating in any way to an Additional Reorganization Case or Non-Debtor Transfer prior to the filing of such documents and (y) provide Buyer, to the extent practicable, with a reasonable opportunity to review and comment on same. Seller shall, and shall cause each Non-Debtor Subsidiary to, consult with Buyer prior to taking any action in or with respect to any Additional Reorganization Case or Non-Debtor Transfer. For purposes of Sections 2.1, 2.3 and 2.5 (including any related definitions), unless otherwise directed in writing by Buyer (and only to the extent set forth in such writing), each Non-Debtor Subsidiary shall only be considered an Affiliate of Seller if and only to the extent such Non-Debtor Subsidiary shall have performed the actions and satisfied the requirements set forth in clause (i) or (ii) of this Section 5.11(h).

(i) Seller shall, and shall cause each of its Affiliates to, use commercially reasonable efforts to maintain the exclusive periods pursuant to section 1121(d) of the Bankruptcy Code during which the Debtors may file a plan or plans of reorganization and solicit acceptances thereof.

(j) **Any Remainder Plan, any and all exhibits and attachments to any Remainder Plan, and any amendment or supplement to any Remainder Plan, (A) to the extent affecting the terms of the Transaction, the Transferred Assets, the Assumed Liabilities, Buyer or its Affiliates (in the case of Buyer or its Affiliates, only to the extent related to the Transaction or an interest in the Transferred Joint Venture Parents (other than with respect to Remainder Plan distribution matters) and not in their capacity as creditors or, with respect to Remainder Plan distribution matters, equityholders), shall be in all material respects reasonably acceptable in form and substance to, and shall not be filed until consented to by, Buyer, which consent shall not be unreasonably withheld, (B) shall not treat Buyer or its Affiliates,**

114

in their capacities as creditors or equityholders, in a discriminatory manner as compared to similarly classified stakeholders, (C) shall not conflict with, derogate from or otherwise contain any provision that is inconsistent in any manner adverse to Buyer with the 363 Order, the confirmation order with respect to the JV Plan, this Agreement or any Ancillary Agreement, and (D) shall provide for the treatment of Retained Claims in a manner consistent with this Agreement. In connection with the Remainder Plan, Seller shall, and shall cause its Affiliates to, use commercially reasonable efforts to have such Remainder Plan provide (x) that the sale of the Transferred Assets pursuant to the 363 Order was in contemplation, and in furtherance, of the Remainder Plan and (y) for the ratification of any finding in the 363 Order that section 1146 of the Bankruptcy Code was and remains applicable with respect to the Transferred Assets. Following confirmation of the Remainder Plan, Seller shall keep Buyer reasonably informed as to all material developments in respect of the implementation of the Remainder Plan, including the timing and amount of any distribution of Purchase Shares (as defined in the Friendco Purchase Agreement) or the establishment of any reserves that include Purchase Shares (as defined in the Friendco Purchase Agreement).

Section 5.12 Name of Business. Buyer shall cause the Acquired Business, within six months following the Closing Date, not to use or conduct business using any such terms, or other names, marks, logos or indicia of Seller, other than to use the name “Adelphia” to notify Persons of their name changes in connection with the Transaction. During such six month period such use shall be permitted consistent with past practices. The Business may, notwithstanding any expiration of such six month period, continue to use reproductions of such names or marks that are affixed to converters, remotes and other items already in use as of the Closing Date in customer homes or properties or that are already in use as of the Closing Date in similar fashion making such removal or discontinuation impracticable; provided that Buyer shall discontinue use of such items bearing such reproductions upon it becoming reasonably practicable to do so (e.g., upon their return to Buyer or removal from service).

Section 5.13 Equipment Leases. Seller shall, and shall cause its Affiliates to, pay the remaining balances on any Equipment Leases and shall deliver title to all vehicles and Fixtures and Equipment covered by such Equipment Leases free and clear of all Encumbrances to Buyer at the Closing.

Section 5.14 Environmental Matters.

(a) Environmental Self-Audit. Seller shall provide copies of all correspondence, audits, assessments, agreements, proposals and other documentation relating to the Environmental Self-Audit to Buyer. Prior to the Closing Date, Seller shall cooperate and consult with Buyer in the (i) negotiation of any agreement with the United States Environmental Protection Agency or any other relevant Government Entity relating to the Environmental Self-Audit, (ii) development and negotiation of the scope of the Environmental Self-Audit and (iii) development and negotiation of corrective action and remedies with respect to the Environmental Self-Audit Deficiencies. In any agreement with the United States Environmental Protection Agency or any other relevant

115

Government Entity entered into prior to the Closing Date with respect to the Environmental Self Audit, Seller shall not agree to any remedies that impose obligations to act or refrain from acting after the Closing Date except to the extent that such remedies (A) can be satisfied solely through the payment of monetary damages or (B) are reasonably acceptable to Buyer; provided, that Buyer shall not be required to agree to non-monetary obligations that could reasonably be expected to involve more than *de minimis* expenditures by Buyer or its Affiliates after the Closing.

(b) Property Transfer Laws. Seller shall take all actions required by the Connecticut Transfer Act and the New Jersey Industrial Site Recovery Act, to the extent such actions are required as a result of this Transaction, provided that Seller shall not take any actions or enter into any agreement relating to the Connecticut Transfer Act or the New Jersey Industrial Site Recovery Act that will impose binding obligations to act or refrain from acting after the Closing Date except to the extent that such remedies (i) can be satisfied solely through the payment of monetary damages or (ii) are reasonably acceptable to Buyer; provided, that Buyer shall not be required to agree to non-monetary obligations that could reasonably be expected to involve more than *de minimis* expenditures by Buyer or its Affiliates after the Closing.

(c) Notice and Information. If at any time prior to the Closing, any material environmental investigation, study, audit, test, review or other analysis in relation to any Owned Real Property or Transferred Asset is conducted, Seller shall (i) promptly notify Buyer thereof and (ii) subject to

applicable Law, keep Buyer informed as to the progress of any such proceeding.

Section 5.15 SOA Compliance. Section 5.16 Franchise Expirations. From and after the date hereof until the Closing, Seller shall, and shall cause its Affiliates to, use commercially reasonable efforts to obtain renewals or valid extensions of any Franchises which expire on or before December 31, 2007, in the Ordinary Course of Business. Seller shall not, and shall cause its Affiliates not to, agree or accede to any material modifications or amendments to or in connection with, or the imposition of any material condition to the renewal or extension of, any of the Franchises that are not reasonably acceptable to Buyer determined in a manner consistent with the proviso to Section 5.3(c); provided, however, that if the LFA Approval in respect of such Franchise is not obtained in connection with any such renewal or extension (after Buyer has complied with its obligations under Section 5.3(c)) Seller shall only agree or accede to any such modifications or amendments that are reasonably

116

acceptable to Buyer (without regard to the proviso to Section 5.3(c)). Upon reasonable prior notice, Seller shall, and shall cause its Affiliates to, allow representatives of Buyer to attend meetings and hearings before applicable Government Entities in connection with the renewal or extension of any Franchise or Governmental Authorization. Nothing in this Section 5.16 shall limit the obligations of Buyer or Seller pursuant to Section 5.3(c).

Section 5.17 Cooperation upon Inquiries as to Rates. If at any time prior to Closing, any Government Entity commences a Rate Regulatory Matter with respect to a Cable System, Seller shall (a) promptly notify Buyer and (b) subject to applicable Law, keep Buyer informed as to the progress of any such proceeding. Without the prior consent of Buyer, which consent shall not be unreasonably withheld or delayed, Seller shall not, and shall cause its Affiliates not to, settle any such Rate Regulatory Matter, either before or after Closing, if (i) Buyer or any of its Affiliates would have any Liability under such settlement other than an obligation to pay money in an amount not greater than \$50,000, which obligation is fully reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount, or (ii) such settlement would reduce the rates permitted to be charged by Buyer after the Closing below the rates set forth on Schedule 3.18 of the Seller Disclosure Schedule or otherwise then in effect.

Section 5.18 Third Party Confidentiality Agreements. After the Closing and for so long as reasonably necessary, Seller shall use reasonable efforts to, and shall cause its applicable Affiliates to use reasonable efforts to, enforce each confidentiality agreement entered into by Seller or any such Affiliate with any third party in connection with the Sale Process or otherwise in connection with the Reorganization Case (each, a "Third Party Confidentiality Agreement") on behalf of Buyer and its Affiliates to the extent such confidentiality agreement relates to the Acquired Business.

Section 5.19 Subscriber Reports. Within 30 days following the end of each calendar month commencing August 2005 through the Closing, Seller shall provide Buyer with a written report setting forth the following information with respect to each Specified Business as of the end of such calendar month: (a) the number of Basic Subscribers served by such Specified Business, (b) the number of Basic Subscribers in such Specified Business whose rate of service is subject to any discount or promotion (or rebates or similar programs) as of the subscriber cut off date for such calendar month and (c) the discounts or promotions (or rebates or similar programs) offered by such Specified Business during such calendar month, and the geographic areas in which each such discount or promotion (or rebate or similar program) is offered. 117

Section 5.20 Palm Beach Joint Venture. Notwithstanding anything herein to the contrary, the Palm Beach Joint Venture will be disregarded for purposes of calculating the Closing Adjustment Amount and the components thereof. If, prior to the Closing, the Palm Beach Joint Venture is liquidated, or Seller's or its Affiliate's interest therein is purchased, pursuant to the Investment Documents relating thereto, the proceeds received by Seller and its Affiliates therefrom will be treated as Condemnation Proceeds. Notwithstanding anything herein to the contrary, the Assets and Liabilities of the Palm Beach Joint Venture will not be transferred to or assumed by Buyer hereunder and neither Buyer nor any of its Affiliates (other than, after the Closing, the Palm Beach Joint Venture) shall have any Liability in respect thereof other than Liabilities of the direct holder of the Palm Beach Joint Venture as a result of such direct holder being a general partner of the Palm Beach Joint Venture. If none of the Group 2 Systems are transferred to Buyer at the Closing then, notwithstanding anything in Schedule 1.1(s)(i) of the Seller Disclosure Schedule to the contrary, the Palm Beach Joint Venture will be treated as part of the Group 1 Business for purposes of Article VII.

Section 5.21 Transitional Services. Seller shall provide to Buyer, with respect to each Specified Business, upon written request from Buyer received by Seller no later than 30 days prior to the Closing Date, such services as may be reasonably requested by Buyer in connection with the operation of such Specified Business for a commercially reasonable transition period following the Closing to allow for conversion of existing or replacement services, in each case to the extent and only to the extent Seller or its Affiliates retains the Assets and employees necessary to allow the provision of such services ("Transitional Services"). In addition, between the date hereof and the Closing, Seller shall use commercially reasonable efforts to cooperate with Buyer to assist Buyer in developing and implementing a plan of transition. Buyer shall promptly reimburse Seller for the reasonable out-of-pocket costs and any incremental costs and expenses necessary to provide Transitional Services. All other terms and conditions for the provision of Transitional Services shall be reasonably satisfactory to both Buyer and Seller and subject to applicable Law.

Section 5.22 Western. No later than five Business Days prior to the Closing Date, Seller shall deliver to Buyer a list setting forth, to Seller's Knowledge after reasonable inquiry, all Assets of Western and its Subsidiaries. If Buyer so elects, such election to be made no later than two Business Days prior to the Closing Date, the JV Interests in Western and the Joint Venture Securities of Western's Subsidiaries, and all of their respective Assets, shall be designated as Excluded Assets, the Liabilities of Western shall be designated as Excluded Liabilities and each Contract to which Western is a party shall be treated as not an OCB Contract. If Buyer so elects, such election to be made no later than two Business Days prior the Closing Date, Buyer shall be entitled to shift in its reasonable discretion pro rata portions of the upper and lower limits of the Buyer Discharge Amount of Parnassos from Parnassos to Western.

Section 5.23 Excluded Books and Records. Following the date hereof and prior to the Closing, Seller shall institute a system that is reasonably satisfactory to Buyer and will permit a third party to readily identify Excluded Books and Records and to distinguish Excluded Books and Records from any other Books and Records.

Seller and its Affiliates shall have executed and delivered the Ancillary Agreements to which they are a party except (i) those Ancillary Agreements the failure of which to have been executed and delivered would not reasonably be expected, individually or in the aggregate, to impair the benefit of the Transaction to Buyer (other than in a *de minimis* manner), taking into account Section 2.13, (ii) in respect of LFA Approvals not obtained as of the Closing and (iii) those Ancillary Agreements required to be delivered pursuant to Section 2.12(u) the failure of which to have been delivered would not reasonably be expected, individually or in the aggregate, to materially impair the benefit of the Transaction to Buyer.

(d) Certificate. Buyer shall have received a certificate, signed on behalf of Seller by the Chief Executive Officer or Chief Financial Officer of Seller, dated the Closing Date, to the effect that the conditions set forth in Sections 6.2(a), 6.2(b) and 6.2(f) have been satisfied.

(e) Franchises. Except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, all LFA Approvals shall have been obtained, and all Purchase Rights (other than in connection with the Exchange) shall

120

have been waived, in respect of each Specified Business on or prior to the Closing; provided, that this condition shall be deemed not to have been satisfied until the earliest of (i) the date upon which this condition would be satisfied if the foregoing Material Adverse Effect exception were omitted, (ii) 30 days following the date the condition would have been satisfied but for this proviso and (iii) six Business Days prior to the Outside Date.

(f) No Material Adverse Change. Since the date of this Agreement, no event or condition has occurred that, individually or in the aggregate, has had or would reasonably be expected to have a Material Adverse Effect.

(g) Bankruptcy Plan and [Confirmation]Transaction Order. The [Confirmation]Transaction Order **issued by**, and the Plan, **or in the case of a 363 Sale, the JV Plan**, confirmed by the Bankruptcy Court shall, to the extent relating to or affecting the Transaction, the Transferred Assets, the Assumed Liabilities, Buyer or its Affiliates (in the case of Buyer or its Affiliates, only to the extent related to the Transaction or an interest in the Transferred Joint Venture Parents (other than with respect to Plan **or JV Plan** distribution matters) and not in their capacity as creditors or, with respect to Plan **or JV Plan** distribution matters, equityholders), be in all material respects satisfactory to Buyer in its reasonable discretion (**provided that, in the case of a 363 Sale, the 363 Order shall be in all respects satisfactory to Buyer in its reasonable discretion**) and, without limiting the generality of the foregoing, the [Confirmation]Transaction Order shall contain the finding that Buyer is a good faith purchaser of the Transferred Assets pursuant to section 363(m) of the Bankruptcy Code unless Buyer's actions have been determined by the Bankruptcy Court to have not been in good faith preclude such a finding.

(h) Subscribers. At least 60 days prior to the Closing, Seller shall have implemented the Subscriber Accounting System. The number of Eligible Basic Subscribers served by each Specified Business (in the case of the Group 1 Specified Business, adjusted for minority interests in the same manner as in the definition of "Closing Subscriber Number") shall be at least equal to (i) the Base Subscriber Number for such Specified Business *minus* (ii) the Subscriber Basket for such Specified Business *minus* (iii) the Subscriber Cap for such Specified Business.

(i) [Intentionally Omitted.]

(j) Section 754 Election. Each Transferred Joint Venture Parent (and any Subsidiary of a Transferred Joint Venture Parent that Seller has reported as a partnership for U.S. federal income tax purposes on or after January 1, 2002), (i) shall have filed a Section 754 Election and (ii) with respect to such entity, Seller shall have delivered to Buyer an opinion of Sullivan & Cromwell LLP to the effect that, assuming the entity for which the Section 754 Election described in clause (i) was made is classified as a partnership for U.S. federal income tax purposes, any form that is required to cause such Section 754 Election to be valid (including, if necessary under applicable Tax Law, a U.S. federal income tax return) has been validly filed and such Section 754 Election is valid for U.S. federal income tax purposes as of the Closing; provided, however, that (x) if Buyer takes any action that prevents Seller from making a Section 754 Election that is valid as of the Closing with respect to a Transferred Joint Venture Entity, the condition set forth in this

121

Section 6.2(j) shall be waived with respect to such Transferred Joint Venture Entity, and (y) if Buyer and Seller, each in its sole discretion and acting in good faith, agree that because of a change in Tax Law occurring between the date hereof and the Closing Date, a Section 754 Election is not required in order for the adjustments described in Section 743(b) of the Code to apply to Buyer's acquisition of any Transferred Joint Venture Entity, the condition set forth in this Section 6.2(j) shall be deemed satisfied with respect to such Transferred Joint Venture Entity.

(k) Financial Information. Seller shall have provided Buyer with all Financial Information and the Additional Financial Statements contemplated by Section 5.9 (disregarding for this purpose all references therein to "commercially reasonable efforts") except to the extent Buyer has obtained relief from the SEC with respect thereto or has failed to comply with its obligations under Section 5.9(c).

Section 6.3 Conditions to the Obligation of Seller. The obligation of Seller to effect the Closing is subject to the satisfaction (or waiver by Seller) prior to the Closing of the following conditions:

(a) Representations and Warranties. The representations and warranties in Article IV that are qualified as to materiality shall be true and correct, and the representations and warranties in Article IV that are not so qualified shall be true and correct in all material respects, in each case, at the time made and as of the Closing Date as if made at and as of such time (except, in each case, to the extent expressly made as of an earlier date, in which case as of such earlier date).

(b) Covenants. Each of the covenants and agreements of Buyer to be performed on or prior to the Closing shall have been duly performed in all material respects.

(c) Ancillary Agreements. Buyer shall have executed and delivered the Ancillary Agreements to which it is a party except (i) those Ancillary Agreements the failure of which to have been executed and delivered would not reasonably be expected, individually or in the aggregate, to impair the benefit of the Transaction to Seller (other than in a de minimis manner), (ii) in respect of LFA Approvals not obtained as of the Closing and (iii) the Ancillary Agreements required to be delivered pursuant to Section 2.11(d)(xii) the failure of which to have been delivered would not reasonably be expected, individually or in the aggregate, to materially impair the benefit of the Transaction to Seller.

(d) Certificate. Seller shall have received a certificate, signed on behalf of Buyer by the Chief Executive Officer or Chief Financial Officer of Buyer, dated the Closing Date, to the effect that the conditions set forth in Sections 6.3(a) and 6.3(b) have been satisfied.

122

confirmation order and the Plan[, respectively,] **or, in the case of the 363 Sale, the JV Plan** proposed by Seller to the Bankruptcy Court in accordance with Section 5.11. **In the case of the 363 Sale, the 363 Order shall be reasonably satisfactory to Seller in all material respects.**

ARTICLE VII

SURVIVAL; INDEMNIFICATION; CERTAIN REMEDIES

Section 7.1 Survival. The representations and warranties of Buyer contained in this Agreement shall expire upon the Closing. The representations and warranties of Seller contained in this Agreement shall survive the Closing for the period set forth in this Section 7.1. Subject to Section 2.9(d), all representations and warranties made by Seller contained in this Agreement and all claims with respect thereto shall terminate upon the expiration of twelve months after the Closing Date (the "Buyer Indemnification Deadline"); **it being understood that** in the event notice of any claim for indemnification under this Article VII has been given (within the meaning of Section 9.1) prior to the Buyer Indemnification Deadline, the representations and warranties that are the subject of such indemnification claim shall survive with respect to such claim until such time as such claim is finally resolved.

Section 7.2 Indemnification by Seller.

(a) Seller hereby agrees that from and after the Closing it shall indemnify, defend and hold harmless Buyer, its Affiliates, and their respective directors, officers, shareholders, partners, members, attorneys, accountants, agents, representatives and employees (other than the Transferred Employees) and their heirs, successors and permitted assigns, each in their capacity as such (other than, in the case of clauses (i) and (ii), Buyer or any of its Affiliates solely in their capacity as direct or indirect holders of Joint Venture Securities prior to the Closing (but without limiting the definition of "Retained Claims") the "Buyer Indemnified Parties" and, together with the Seller Indemnified Parties, the "Indemnified Parties") from, against and in respect of any damages, losses, charges, Liabilities, claims, demands, actions, suits, proceedings, payments, judgments, settlements, assessments, deficiencies, taxes, interest, penalties, and costs and expenses (including removal costs, remediation costs, closure costs, fines, penalties and expenses of investigation and ongoing monitoring, reasonable attorneys' fees, and reasonable out of pocket disbursements) (collectively, "Losses") imposed on, sustained, incurred or suffered by, or asserted against, any of the Buyer Indemnified Parties, whether in respect of third party claims, claims between the parties hereto, or otherwise, directly or indirectly relating to, arising out of or resulting from (i) subject to Section 7.2(b), any breach of any representation or warranty made by Seller contained in this Agreement for the period such representation or warranty survives, (ii) any breach of any covenant or agreement of Seller contained in this Agreement and (iii) any Excluded Asset or Excluded Liability (provided that the indemnification under this clause (iii) shall not permit Buyer or any of its Affiliates in their capacity as a direct or indirect holder of Joint Venture Securities prior to the Closing to make any claim against Seller to the extent an Excluded

123

Liability was paid prior to Closing, except to the extent relating to a third party claim in respect thereto).

(b) Seller shall not be liable to the Buyer Indemnified Parties for any Losses with respect to the matters contained in Section 7.2(a)(i):

(i) until any such Losses in respect of the Group 1 Business exceed an aggregate amount equal to the Group 1 Threshold Amount, and then for all such Losses in excess of \$17,000,000, up to an aggregate amount not to exceed the Group 1 Cap Amount; provided, however, that the limitations herein regarding the Group 1 Threshold Amount shall not apply to the Class 1 Representations and Warranties; and

(ii) until any such Losses in respect of the Group 2 Business exceed an aggregate amount equal to the Group 2 Threshold Amount, and then for all such Losses in excess of \$3,000,000, up to an aggregate amount not to exceed the Group 2 Cap Amount; provided, however, that the limitations herein regarding the Group 2 Threshold Amount shall not apply to the Class 1 Representations and Warranties.

(c) Subject to Section 7.8, the Buyer Indemnified Parties shall be entitled to receive payment only from the Escrow Account with respect to any Liability of Seller for any Losses under Section 7.2(a) and, with respect to each Specified Business, only up to an aggregate amount not to exceed the Cap Amount applicable to such Specified Business. Notwithstanding anything to the contrary in this Agreement, Seller shall not be liable for any Losses that (i) are reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount to the extent and only to the extent so reflected or (ii) have been actually discharged (or the functional equivalent thereof in terms of its effect on Buyer, each Specified Business, the Transferred Assets and the Assumed Liabilities) pursuant to the Discharge (or, as applicable, the MCE Discharge or an Additional Discharge) to the extent and only to the extent so discharged (or such functional equivalent).

Indemnification by Buyer. Buyer hereby agrees that from and after the Closing it shall indemnify, defend and hold harmless Seller and its Affiliates, and their respective directors, officers, stakeholders, partners, members, attorneys, accountants, agents, representatives and employees and their heirs, successors and permitted assigns, each in their capacity as such (the "Seller Indemnified Parties") from, against and in respect of any Losses imposed on, sustained, incurred or suffered by, or asserted against, any of the Seller Indemnified Parties, whether in respect of third party claims, claims between the parties hereto, or otherwise, directly or indirectly relating to, arising out of or resulting from (a) the Assumed Liabilities Related to each Specified Business, (b) any breach of a covenant or agreement of Buyer contained in this Agreement or (c) the Transferred Assets Related to each Specified Business, each Specified Business or the Transferred Employees to the extent attributable to the operation or ownership of the Transferred Assets Related to such Specified Business or such Specified Business, or the employment of the Transferred Employees following the Closing.

Third Party Claim Indemnification Procedures.

(a) In the event that any written claim or demand for which an indemnifying party (an "Indemnifying Party") may have liability to any Indemnified Party hereunder is asserted against or sought to be collected from any Indemnified Party by a third party (a "Third Party Claim"), such Indemnified Party shall promptly, but in no event more than thirty days following such Indemnified Party's receipt of a Third Party Claim, notify the Indemnifying Party in writing of such Third Party Claim, the amount or the estimated amount of damages sought thereunder to the extent then ascertainable (which estimate shall not be conclusive of the final amount of such Third Party Claim), any other remedy sought thereunder, any relevant time constraints relating thereto and, to the extent practicable, any other material details pertaining thereto (a "Claim Notice"); provided, however, that the failure timely to give a Claim Notice shall not affect the rights of an Indemnified Party hereunder except to the extent that such failure has a material prejudicial effect on the defenses or other rights available to the Indemnifying Party with respect to such Third Party Claim. The Indemnifying Party shall have 15 days (or such lesser number of days set forth in the Claim Notice as may be required by court proceeding in the event of a litigated matter) after receipt of the Claim Notice (the "Notice Period") to notify the Indemnified Party that it desires to defend the Indemnified Party against such Third Party Claim; provided, however, that the Indemnifying Party shall not be entitled to assume or maintain control of the defense of any Third Party Claim and shall pay the fees and expenses of counsel retained by the Indemnified Party if (i) the Third Party Claim relates to or arises in connection with any criminal proceeding, action, indictment, allegation or investigation, (ii) the Third Party Claim seeks injunctive or equitable relief against the Indemnified Party, (iii) the Indemnifying Party has failed to defend or is failing to defend in good faith the Third Party Claim, (iv) the Indemnifying Party and the Indemnified Party are both named parties to the proceedings and the Indemnified Party shall have reasonably concluded that representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them or (v) in the case of a Buyer Indemnified Party, it is reasonably likely that the Losses arising from such Third Party Claim will exceed the amount such Buyer Indemnified Party will be entitled to recover as a result of the limitations set forth in Section 7.2(b); provided, further, that prior to assuming control of such defense, the Indemnifying Party must acknowledge that it would have an indemnity obligation for any Losses resulting from such Third Party Claim.

(b) In the event that the Indemnifying Party notifies the Indemnified Party within the Notice Period that it desires to defend the Indemnified Party against a Third Party Claim and subject to Section 7.4(a), the Indemnifying Party shall have the right to defend the Indemnified Party by appropriate proceedings and shall have the sole power to direct and control such defense at its expense. Once the Indemnifying Party has duly assumed the defense of a Third Party Claim, the Indemnified Party shall have the right, but not the obligation, to participate in any such defense and to employ separate counsel of its choosing. Subject to Section 7.4(a), the Indemnified Party shall participate in any such defense at its expense. The Indemnifying Party shall not, without the prior written consent of the Indemnified Party, settle, compromise or offer to settle or compromise any Third Party Claim unless (i) the Indemnifying Party shall have agreed to indemnify and hold the Indemnified Party harmless from and against any and all Losses caused by or arising out of any such settlement or compromise, (ii) such settlement or compromise shall include as an unconditional term thereof the giving by the claimant of a release of the Indemnified Party,

reasonably satisfactory to the Indemnified Party, from all Liability with respect to such Third Party Claim and (iii) such settlement or compromise would not result in (A) the imposition of a consent order, injunction or decree that would restrict the future activity or conduct of the Indemnified Party or any of its Affiliates, (B) a finding or admission of a violation of Law or violation of the rights of any Person by the Indemnified Party or any of its Affiliates, (C) a finding or admission that would have an adverse effect on other claims made or threatened against the Indemnified Party or any of its Affiliates, or (D) any monetary liability of the Indemnified Party that will not be promptly paid or reimbursed by the Indemnifying Party.

(c) If the Indemnifying Party (i) is not entitled to defend a Third Party Claim, (ii) elects not to defend the Indemnified Party against a Third Party Claim, whether by not giving the Indemnified Party timely notice of its desire to so defend or otherwise or (iii) after assuming the defense of a Third Party Claim, fails to take reasonable steps necessary to defend diligently such Third Party Claim within ten days after receiving written notice from the Indemnified Party to the effect that the Indemnifying Party has so failed, the Indemnified Party shall have the right but not the obligation to assume its own defense; it being understood that the Indemnified Party's right to indemnification for a Third Party Claim shall not be adversely affected by assuming the defense of such Third Party Claim. The Indemnified Party shall not settle a Third Party Claim for which the Indemnifying Party shall have monetary liability hereunder without the consent of the Indemnifying Party, which consent shall not be unreasonably withheld.

Section 7.5 Consequential Damages; Materiality; Interest. Notwithstanding anything to the contrary contained in this Agreement, no Person shall be liable under this Article VII for any consequential, punitive, special, incidental or indirect damages, including lost profits, except to the extent awarded by a court of competent jurisdiction in connection with a Third Party Claim, except to the extent the Loss arises out of an intentional or willful breach by the non-claiming party and the Loss was reasonably foreseeable. Any computation of Losses hereunder in respect of a breach of representation or warranty shall measure such Losses without giving effect to any qualifier for materiality or Material Adverse Effect set forth therein. Amounts payable in respect of any Losses under Section 7.2 or 7.3 shall bear interest at LIBOR calculated on a 365-day basis from the date notice of the Losses for which indemnification is sought was delivered until the date of payment of indemnification by the Indemnifying Party.

Section 7.6 Payments. The Indemnifying Party shall pay all amounts payable pursuant to this Article VII, promptly following receipt from an Indemnified Party of a bill, together with all accompanying reasonably detailed back up documentation, by wire transfer of immediately available

funds from the Escrow Account, subject to the proviso to the last sentence in Section 2.8(f) with respect to the matters set forth in Section 2.8(f) (including as applied to any Group 2 System in accordance with Section 2.9(c)) in an amount equal to the Loss that is the subject of indemnification hereunder, unless the Indemnifying Party in good faith disputes the Loss, in which event it shall so notify the Indemnified Party. In any event, the Indemnifying Party shall pay to the Indemnified Party (i) in the case of a payment by Seller, by wire transfer of immediately available funds from the Escrow Account, subject to the proviso to the last sentence in Section 2.8(f) with

126

respect to the matters set forth in Section 2.8(f) (including as applied to any Group 2 System in accordance with Section 2.9(c)) and (ii) in the case of a payment by Buyer, by wire transfer of immediately available funds, in each case in an amount equal to the amount of any Loss (and any interest thereon) for which it is liable hereunder no later than three days following any final determination of such Loss and the Indemnifying Party's liability therefor. A "final determination" shall exist when (A) the parties to the dispute have reached an agreement in writing, (B) a court of competent jurisdiction shall have entered a final and non appealable order or judgment, or (C) an arbitration or like panel shall have rendered a final non appealable determination with respect to disputes the parties have agreed to submit thereto.

Section 7.7 Characterization of Indemnification Payments. All payments made by an Indemnifying Party to an Indemnified Party in respect of any claim pursuant to this Article VII shall be treated as adjustments to the Purchase Price for all income Tax purposes but shall not affect the Escrow Amount (other than to the extent of any payment hereunder); provided, however, that any payments pursuant to this Article VII that represent interest payable under Section 7.5 shall be treated as (a) deductible to the Indemnifying Party and (b) taxable to the Indemnified Party. The parties agree to treat, and to cause their respective Affiliates to treat, any such payments in the foregoing manner, for all income Tax purposes (unless otherwise required by a change in applicable income Tax Law or as a result of a good faith resolution of a contest).

Section 7.8 Remedies. From and after the Closing, the rights and remedies of Seller and Buyer under this Article VII shall be exclusive and in lieu of any and all other rights and remedies which Seller and Buyer may have under this Agreement or otherwise against each other with respect to the Transaction for monetary relief with respect to (a) any breach of any representation or warranty or any failure to perform any covenant or agreement set forth in this Agreement, other than those which are intentional or willful and other than those in (i) the proviso to the last sentence in Section 2.8(f) (including as applied to any MCE System in accordance with Section 2.9(c)), (ii) to the extent related to any obligation with respect to Incremental Transfer Taxes, Section 5.4(c), (iii) Section 5.11(j) and (iv) the Escrow Agreement, the Transfer Tax Escrow Agreement and each MCE Management Agreement, and (b) the Assumed Liabilities or the Excluded Liabilities, and, except as set forth above, Buyer and Seller each expressly waives any and all other rights or causes of action it or its Affiliates may have against the other party or its Affiliates for monetary relief now or in the future under any Law with respect to the Transaction; it being acknowledged and agreed that Buyer, in its sole discretion, may exercise its rights and remedies with respect to any matter relating to Section 5.11(j) against the Escrow Account and/or Seller and, to the extent exercised against Seller, such rights and remedies shall constitute an administrative expense under section 507(a)(1) of the Bankruptcy Code; it being further acknowledged and agreed that Buyer shall exercise its rights and remedies with respect to any matter relating to Incremental Transfer Taxes pursuant to Section 5.4(c), first, against the Transfer Tax Escrow Account and, to the extent the Transfer Tax Escrow Account is not sufficient, in its sole discretion against the Escrow Account and/or Seller and, to the extent exercised against Seller, such rights and remedies shall constitute an administrative expense under section 507(a)(1) of the Bankruptcy Code.

ARTICLE VIII

TERMINATION

Section 8.1 Termination by Mutual Consent. This Agreement may be terminated at any time prior to the Closing by mutual written agreement of Seller and Buyer.

Section 8.2 Termination by Either Buyer or Seller. This Agreement may be terminated at any time prior to the Closing by Buyer or Seller, by giving written notice of termination to the other party, if (a) subject to Section 2.10(b), the Closing shall not have occurred on or before July 31, 2006 (the "Outside Date") so long as the party proposing to terminate has not breached in any material respect any of its representations, warranties, covenants or other agreements under this Agreement in any manner that shall have proximately contributed to the failure of the Closing to so occur (such breaching party, a "Proximate Cause Party"); provided, however, that if any Government Antitrust Entity has not completed its review of the Transaction or the transactions contemplated by the Friendco Purchase Agreement by such time, or either party determines in good faith at such time that additional time is necessary in order to forestall any action to restrain, enjoin or prohibit the Transaction or the transactions contemplated by the Friendco Purchase Agreement by any Government Antitrust Entity, and, in either such case, all conditions set forth in Article VI (other than Section 6.1(d)) have been satisfied or waived in writing by the party entitled to the benefit thereof or are immediately capable of being satisfied, then in either such case, such date may be extended by either party to a date not beyond October 31, 2006 (the "Extended Outside Date") or (b) any Law (other than an order, judgment or ruling contemplated by Section 8.3(d)(ii) or Section 8.4(c)(ii)) permanently restraining, enjoining or otherwise prohibiting consummation of the Transaction shall become final and non-appealable.

Section 8.3 Termination by Seller. This Agreement may be terminated at any time prior to the Closing by Seller, by written notice to Buyer:

(a) prior to the commencement of the Confirmation Hearing[,] of the Plan on May 15, 2006, if (i) as of the date of such termination, Seller is not in breach of Section 5.8, (ii) the Board authorizes Seller, subject to complying with the terms of this Agreement, to enter into a binding written agreement concerning a transaction that constitutes a Superior Proposal and Seller notifies Buyer in writing that it intends to enter into such an agreement, attaching the most current version of such agreement (and all related agreements) to such notice (provided, that if such intention changes Seller shall promptly notify Buyer of that fact) and (iii) Buyer does not make, within five Business Days of receipt of Seller's written notification of its intention to enter into a binding agreement for a Superior Proposal, an offer which, thereafter, the Board determines, in good faith after consultation with its financial advisors, is at

(b) if there has been a breach of any representation, warranty, covenant or agreement made by Buyer in this Agreement such that an executive officer of Buyer would be unable to deliver the closing certificate to Seller regarding Buyer's representations and warranties and Buyer's performance of its obligations as required pursuant to Section 6.3(a) and Section 6.3(b), respectively, and such breach or condition is not curable or, if curable, is not cured within 60 days after written notice thereof is given by Seller to Buyer; provided, however, that if, with respect to any such breach or condition that cannot reasonably be expected to be cured within 60 days, Buyer is diligently proceeding to cure such breach, this Agreement may not be terminated pursuant to this Section 8.3(b) for so long as (i) such breach is reasonably likely to be cured prior to the date on which this Agreement would otherwise be terminated under Section 8.2 and (ii) Buyer continues such efforts to cure; provided, further, that the right to terminate this Agreement pursuant to this Section 8.3(b) shall not be available to Seller if as of such time it is a Proximate Cause Party;

(c) prior to the commencement of the Confirmation Hearing[,] **of the Plan on May 15, 2006**, if (i) as of the date of such termination, Seller is not in breach of Section 5.8, (ii) the Board authorizes Seller to file a Superior Alternate Plan with the Bankruptcy Court and Seller notifies Buyer in writing that it intends to file such Superior Alternate Plan, attaching the most current version of such Superior Alternate Plan (and all related agreements and supporting documentation) to such notice (provided, that if such intention changes Seller shall promptly notify Buyer of that fact) and (iii) Buyer does not make, within ten Business Days of receipt of Seller's written notification of its intention to file a Superior Alternate Plan, an offer which, thereafter, the Board determines, in good faith after consultation with its financial advisors, is at least as favorable to the stakeholders of Seller as is the Superior Alternate Plan (taking into account, without limitation, financial terms of any termination fee that may be payable pursuant to Section 8.5(b) and the likelihood of consummation); or

(d) if (i) at any time after the conclusion of voting on the Plan as established by the Bankruptcy Court, Seller's stakeholders who are entitled to vote on the Plan vote in sufficient number and amount against the Plan such that the Plan is not otherwise capable of being confirmed by the Bankruptcy Court or (ii) subject to compliance by Seller with the first sentence of Section 5.11(g), at any time after the expiration of 150 days following the entry of an order, judgment or ruling by a court of competent jurisdiction in the Reorganization Case denying entry of (or vacating, or that is inconsistent with the entry of, a Confirmation Order satisfying the condition set forth in Section 6.2(g), the Bankruptcy Court shall not have thereafter entered a Confirmation Order satisfying the condition set forth in Section 6.2(g); provided, however, that Seller may only terminate this Agreement pursuant to this Section 8.3(d) (ii) if at such time it would not reasonably be expected that a Confirmation Order satisfying the condition set forth in Section 6.2(g) shall be entered prior to the Outside Date.

Section 8.4 Termination by Buyer. This Agreement may be terminated at any time prior to the Closing by Buyer, by written notice to Seller:

(a) if there has been a breach of any representation, warranty, covenant or agreement made by Seller in this Agreement (assuming entry of the Confirmation Order) such that an executive officer of Seller would be unable to deliver the closing certificate to Buyer regarding Seller's representations and warranties and Seller's performance of its obligations as required pursuant to Section 6.2(a) and Section 6.2(b), respectively, and such breach is not curable or, if curable, is not cured within 60 days after written notice thereof is given by Buyer to Seller; provided, however, that if, with respect to any such breach or condition that cannot reasonably be expected to be cured within 60 days, Seller is diligently proceeding to cure such breach, this Agreement may not be terminated pursuant to this Section 8.4(a) for so long as (i) such breach is reasonably likely to be cured prior to the date on which this Agreement would otherwise be terminated under Section 8.2 and (ii) Seller continues such efforts to cure;

(b) if (i) Seller has not, by October 15, 2005, filed all motions reasonably necessary to obtain the Confirmation Order **for the Plan** or (ii) if the Protections Order is vacated or modified in any material respect following the date hereof (**except as modified pursuant to the order of the Bankruptcy Court entered on June 16, 2006**);

(c) if (i) at any time after the conclusion of voting on the Plan as established by the Bankruptcy Court, Seller's stakeholders who are entitled to vote on the Plan vote in sufficient number and amount against the Plan such that the Plan is not otherwise capable of being confirmed by the Bankruptcy Court or (ii) subject to compliance by Buyer with the first sentence of Section 5.11(g), at any time after the expiration of 150 days following the entry of an order, judgment or ruling by a court of competent jurisdiction in the Reorganization Case denying entry of (or vacating), or that is inconsistent with the entry of, a Confirmation Order satisfying the condition set forth in Section 6.2(g), the Bankruptcy Court shall not have thereafter entered a Confirmation Order satisfying the condition set forth in Section 6.2(g); provided, however, that Buyer may only terminate this Agreement pursuant to this Section 8.3(c)(ii) if at such time it would not reasonably be expected that a Confirmation Order satisfying the condition set forth in Section 6.2(g) shall be entered prior to the Outside Date; or

(d) following (i) the conversion of the Reorganization Case into one or more cases under chapter 7 of the Bankruptcy Code or (ii) the appointment of a chapter 11 trustee in the Reorganization Case;

provided, however, that the right to terminate this Agreement pursuant to Section 8.4(a), (b) or (c) shall not be available to Buyer if as of such time it is a Proximate Cause Party.

Section 8.5 Effect of Termination.

(a) In the event of the termination of this Agreement in accordance with Article VIII, this Agreement shall thereafter become void and have no effect, and no party hereto shall have any Liability to the other party hereto or their respective Affiliates, or their respective directors, officers or employees, except for the obligations of the parties hereto contained in this Section 8.5, the last sentence of Section 5.22 and in Sections 9.1,

9.4, 9.6, 9.7, 9.10, 9.11 and 9.13 (and any related definitional provisions set forth in Article I), and except that nothing in this Section 8.5 shall relieve any party from liability for any willful breach of this Agreement that arose prior to such termination.

(b) In the event that (i) this Agreement is terminated by Seller pursuant to Section 8.2(a) prior to the entry of a [Confirmation] **Transaction Order** satisfying the condition set forth in Section 6.2(g) **and a Transaction Order (as defined under the Friendco Purchase Agreement) satisfying the condition set forth in Section 6.2(g) of the Friendco Purchase Agreement, neither of** which has[not] been vacated by a court of competent jurisdiction and Buyer is not a Proximate Cause Party as of the date of such termination or (ii) this Agreement is terminated (A) by Seller pursuant to Sections 8.3(a), 8.3(c) or 8.3(d) or (B) by Buyer pursuant to Section 8.4(a) (but, with respect to the representations and warranties of Seller, only in the case of a willful breach by Seller), 8.4(b) or 8.4(c) except, in the case of this clause (ii)(B), in the event that Buyer is a Proximate Cause Party as of the date of such termination, then Seller shall pay Buyer, by wire transfer of immediately available funds, a termination fee of \$87,500,000 payable upon the earlier of consummation of an Acquisition or the effective date of a chapter 11 plan of Seller and/or one or more of its Affiliates approved by the Bankruptcy Court, which plan involves a substantial portion of the Assets of Seller and its Affiliates.

(c) The obligation of Seller to pay the amount payable under Section 8.5(b) (and the payment thereof) shall be absolute and unconditional, **other than as set forth in Section 8.6(a)**; such payment shall be an administrative expense under section 507[(a)]([1]a)(1) of the Bankruptcy Code and shall be payable as specified herein and not subject to any defense claim, counterclaim, offset, recoupment, or reduction of any kind whatsoever.

Section 8.6 363 Fee and Credit.

(a) In the event that (i) prior to the earlier of (x) July 31, 2006 and (y) the entry of both of the Transaction Order and the Transaction Order (as defined in the Friendco Purchase Agreement) (unless in the case of this clause (y) Seller has determined in good faith that the Plan is more likely to be consummated in a reasonable timeframe than are both the 363 Sale and the JV Plan (taking into account whether each of the Transaction Order and the Transaction Order (as defined in the Friendco Purchase Agreement) is a Final Order, but only if Buyer and Friendco, respectively, have acknowledged in writing that the Transaction Order and the Transaction Order (as defined under the Friendco Purchase Agreement) satisfy Section 6.2(g) and Section 6.2(g) of the Friendco Purchase Agreement, respectively)), Seller does not deliver a written notice to Buyer that it will not pursue the 363 Sale (the "**Reversion Notice**"), (ii) neither this Agreement nor the Friendco Purchase Agreement is terminated by Buyer or Friendco prior to September 1, 2006, and (iii) the Closing does not occur on or prior to August 31, 2006 (other than (A) if Buyer is a Proximate Cause Party or Friendco is a Proximate Cause Party (as defined in the Friendco Purchase Agreement) or (B) if the FCC approval has not been obtained), then (1) the Purchase Price will be reduced by \$87,500,000 and (2) in the event that this Agreement is terminated in accordance with its terms, the Seller shall

pay Buyer, by wire transfer of immediately available funds, a termination fee of \$87,500,000, payable upon the earlier of consummation of an Acquisition or the effective date of a chapter 11 plan of Seller and/or one or more of its Affiliates approved by the Bankruptcy Court, which plan involves a substantial portion of the Assets of Seller and its Affiliates. Notwithstanding anything to the contrary contained in this Agreement, in no event will Seller have any obligation to make any payment under Section 8.6(a) to the extent a payment has been made under Section 8.5(b) nor will Seller have obligation to make any payment under Section 8.5(b) to the extent Seller has made any payment under Section 8.6(a).

(b) The obligation of Seller to pay or credit the amount payable under Section 8.6(a) (and the payment or credit thereof) shall be absolute and unconditional, **other than as set forth in Section 8.6(a)**; such payment shall be an administrative expense under section 507(a) (1) of the Bankruptcy Code and such payment or credit shall be payable or creditable as specified herein and not subject to any defense, claim, counterclaim, offset, recoupment, or reduction of any kind whatsoever.

Section 8.7 Termination by Seller. Notwithstanding anything to the contrary contained in this Agreement, Seller may not terminate this Agreement prior to September 1, 2006 other than pursuant to Section 8.3(b).

Section 9.2 Amendment; Waiver. Any provision of this Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and signed, in the case of an amendment, by Buyer and Seller, or in the case of a waiver, by the party against whom the waiver is to be effective. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by Law except as otherwise specifically provided in Article VII.

Section 9.3 No Assignment or Benefit to Third Parties. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, legal representatives and permitted assigns. No party to this Agreement may assign any of its rights or transfer or delegate any of its obligations under this Agreement, by operation of Law or otherwise, without the prior written consent of the other party hereto, except, in whole or in part, (a) as provided in Section 9.5, (b) with respect to Seller's rights and obligations, [following the Closing to any entity] **to a limited number of entities acting on behalf of Seller's estate [(provided, that no]that are designed by Seller and reasonably acceptable (including in terms of the number of entities and the form and identity of each such entity) to the Buyer (each a "Permitted Assignee"); provided that (i) each such Permitted Assignee shall agree in writing to be bound by**

133

the obligations and Liabilities of the Seller set forth in this Agreement and (ii) such assignment by Seller under this [clause (b) will relieve Seller of its Liabilities hereunder)]Section 9.3 shall not relieve Seller of any of its obligations or Liabilities under this Agreement unless Seller provides the Buyer with a guarantee of the obligations and Liabilities of such Permitted Assignee under this Agreement that is in form and substance reasonably acceptable to the Buyer, (c) to Friendco under the Exchange Agreement (provided, that in the event of any such assignment (i) and only so long as Friendco does not provide any Excluded Books and Records to Buyer or any of its Affiliates, the Books and Records shall be deemed to include the Excluded Books and Records, the final proviso to the definition of "Books and Records" shall be deemed deleted and upon request of Buyer the Excluded Books and Records will be delivered to Friendco and (ii) Friendco shall not be entitled to any Retained Claims or the proceeds thereof) and (d) by Buyer to one or more direct or indirect wholly owned Subsidiaries of Buyer (provided, that Buyer identifies such Subsidiary and the rights and obligations to be assigned on or before Closing; provided, further, that no such assignment by Buyer to a wholly owned Subsidiary under this clause (d) will relieve Buyer of its Liabilities hereunder). Any assignment or transfer permitted hereunder shall be evidenced in writing signed by the assignor and assignee, a copy of which shall be delivered to the other party hereto. In connection with any assignment by Seller of its rights and obligations under the Friendco Purchase Agreement to any Permitted Assignees (as defined in the Friendco Purchase Agreement), such Permitted Assignees (as defined in the Friendco Purchase Agreement) will agree, in form and substance reasonably acceptable to Buyer, to be bound by and liable for Seller's obligations and Liabilities

hereunder; provided, that no such agreement will relieve Seller of any of its obligations or Liabilities hereunder. In connection with any assignment, transfer or delegation by Buyer to Friendco as permitted above, Buyer shall be relieved of any Liability so assigned, transferred or delegated, to the extent Seller has the right to enforce in full against Friendco any such Liability. Nothing in this Agreement, express or implied, is intended to confer upon any Person other than Buyer, Seller, the Indemnified Parties and their respective successors, legal representatives and permitted assigns, any rights or remedies under or by reason of this Agreement.

Section 9.4 **Entire Agreement.** This Agreement (including all Schedules and Exhibits) and the Ancillary Agreements executed as of the date hereof contain the entire agreement between the parties hereto with respect to the subject matter hereof and thereof and supersede all prior agreements and understandings, oral or written, with respect to such matters, except for the Buyer Confidentiality Agreement and the Seller Confidentiality Agreement, which shall remain in full force and effect except as otherwise provided herein.

Section 9.5 **Debtor Obligations Joint and Several; Fulfillment of Obligations.** **The Transaction Order shall provide that** Seller shall, and shall cause each of its Affiliates to, cause each and every Debtor, including each that is an Asset Transferring Subsidiary hereunder, to agree for the benefit of Buyer, except to the extent any Liability is limited to the Escrow Account as a result of the limitations set forth in Article VII, to be jointly and severally liable for any breach or violation of Seller's representations, warranties or covenants hereunder and to execute and deliver such Contracts and take such further action as may be reasonably requested by Buyer to evidence the intent and effect of

134

the foregoing (including, for the avoidance of doubt, the inclusion, except to the extent any Liability is limited to the Escrow Account as a result of the limitations set forth in Article VII, of an express undertaking of such joint and several liability in the **Plan, the JV Plan and/or the Remainder Plan**). Any obligation of any party to any other party under this Agreement, or any of the Ancillary Agreements, which obligation is performed, satisfied or fulfilled completely and without any adverse legal implications to the obligee, by an Affiliate of such party, shall be deemed to have been performed, satisfied or fulfilled by such party.

Section 9.6 **Public Disclosure.** Notwithstanding anything to the contrary contained herein, no press release or similar public announcement or communication shall be made or caused to be made relating to this Agreement and the Transaction unless specifically approved in advance by both parties hereto, except that a party hereto may issue any press release or make any public announcement or communication relating to this Agreement and the Transaction that may be required by any applicable Law (including any listing requirement) without such approval if, to the extent practicable, such party has used commercially reasonable efforts to obtain the approval of the other party before issuing such press release or making such public announcement or communication.

Section 9.7 **Expenses.** Except as otherwise expressly provided in this Agreement, whether or not the Closing occurs, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be borne by the party incurring such costs and expenses.

Section 9.8 **Schedules.** The disclosure of any matter in any Section relating to representations of the Seller Disclosure Schedule or the Buyer Disclosure Schedule shall not be deemed to constitute an admission by Seller or Buyer or to otherwise imply that any such matter is material for the purposes of this Agreement, unless the inclusion of such matter in such Schedule is required to make the representation true. A matter set forth in one Schedule of the Seller Disclosure Schedule or Buyer Disclosure Schedule pertaining to Article III or IV, as applicable, need not be set forth in any other Schedule of such disclosure schedule pertaining to Article III or IV, as applicable, or on a Schedule corresponding to any other Section of Article III or IV, as applicable, so long as its relevance to such other Schedule or Section is readily apparent on the face of the information so disclosed. A matter set forth in one Schedule of the Seller Disclosure Schedule or Buyer Disclosure Schedule pertaining to Article V (which shall in no event address matters occurring prior to the date hereof) need not be set forth on a Schedule corresponding to any Section of Article III or IV, as applicable, so long as (a) its relevance to such other Schedule or Section is readily apparent on the face of the information so disclosed and (b) such matter does not qualify the representations and warranties set forth in Articles III or IV, as applicable, to the extent such representations and warranties are made as of the date hereof or as of another specific date prior to the date hereof. No later than ten Business Days prior to the Closing, Seller may deliver to Buyer an update to **Schedule 3.8(a)** and **Schedule 3.8(b)** of the Seller Disclosure Schedule but only in respect of matters that will be discharged (or the functional equivalent thereof in terms of its effect on Buyer, each Specified Business, the Transferred Assets and the Assumed Liabilities) pursuant to the Discharge (or, as applicable, the MCE Discharge or an Additional

135

Discharge) but arise from actions, omissions or circumstances continuing as of the Closing. No matter added to **Schedule 3.8(a)** or **Schedule 3.8(b)** of the Seller Disclosure Schedule pursuant to the preceding sentence will be treated as set forth on any other Schedule as a result of the second sentence of this Section 9.8. When an area is set forth on one Schedule A Part as a primary Cost Center and another Schedule A Part as a non-primary Cost Center, the following shall apply in determining the Systems and System Group to which it relates: (i) for the Schedule A Part with respect to which such area is the primary Cost Center, such Schedule will be deemed to exclude the Subscribers, and Assets primarily related to those Subscribers, included in the applicable non-primary Cost Center(s) and (ii) for any given Schedule A Part with respect to which such area is a non-primary Cost Center, such Schedule A Part will be deemed to include only the Subscribers, and Assets primarily related to those Subscribers, included in the applicable non-primary Cost Center.

Section 9.9 **Bulk Sales.** Seller and Buyer agree to waive compliance with Article 6 of the Uniform Commercial Code as adopted in each of the jurisdictions in which any of the Transferred Assets are located to the extent that such Article is applicable to the transactions contemplated hereby.

Section 9.10 **Governing Law; Submission to Jurisdiction; Selection of Forum; Waiver of Trial by Jury.** THE AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW. Each party hereto agrees that it shall bring any action or proceeding in respect of any claim arising out of or related to this Agreement or the transactions contained in or contemplated by this Agreement and the Ancillary Agreements, exclusively in (a) the Bankruptcy Court so long as the Reorganization Case remains open and (b) after the completion of the Reorganization Case or in the event that the Bankruptcy Court determines that it does not have jurisdiction, the United States District Court for the Southern District of New York or any New York State court sitting in

New York City (together with the Bankruptcy Court, the “Chosen Courts”), and solely in connection with claims arising under this Agreement or the transactions that are the subject of this Agreement or any of the Ancillary Agreements (i) irrevocably submits to the exclusive jurisdiction of the Chosen Courts, (ii) waives any objection to laying venue in any such action or proceeding in the Chosen Courts, (iii) waives any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any party hereto and (iv) agrees that service of process upon such party in any such action or proceeding shall be effective if notice is given in accordance with Section 9.1. Seller irrevocably designates The Corporation Trust Company as its agent and attorney-in-fact for the acceptance of service of process and making an appearance on its behalf in any such claim or proceeding and for the taking of all such acts as may be necessary or appropriate in order to confer jurisdiction over it before the Chosen Courts and Seller stipulates that such consent and appointment is irrevocable and coupled with an interest. Each party hereto irrevocably waives any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

Section 9.11 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same Agreement.

Section 9.12 Headings. The heading references herein and the table of contents hereof are for convenience purposes only, and shall not be deemed to limit or affect any of the provisions hereof.

Section 9.13 Severability. The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

Section 9.14 Specific Enforcement. The parties agree that irreparable damage would occur and that the parties would not have any adequate remedy at Law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of Section 5.8 or Article VIII and to enforce specifically the terms and provisions of such Sections and, following entry of the [Confirmation] **Transaction** Order, the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, such rights being in addition to any other remedy to which the parties are entitled at Law or in equity. The parties waive any requirement for security or the posting of any bond or other surety in connection with any temporary or permanent award or injunctive, mandatory or other equitable relief.

IN WITNESS WHEREOF, the parties have executed or caused this Agreement to be executed as of the date first written above.

WHEREAS, simultaneously with the execution hereof, Seller and Time Warner NY Cable LLC, a Delaware limited liability company (“Friendco”), are entering into an Asset Purchase Agreement (together with the schedules and exhibits thereto, all as amended from time to time with the approval of Buyer and disregarding the effectiveness of any waiver by Friendco not approved by Buyer and any waiver by Seller not approved by Buyer to the extent it adversely affects Buyer, the “Friendco Purchase Agreement”) pursuant to which Seller has agreed to sell and assign, and to cause certain of its Affiliates to sell and assign, to Friendco and Friendco has agreed to purchase and assume from Seller and such Affiliates on the terms set forth therein, certain Assets and Liabilities of the Business, as more particularly set forth therein (the “Friendco Business”);

WHEREAS, the Debtors have agreed to file the Plan with the Bankruptcy Court to implement the Transaction upon the terms and subject to the conditions set forth herein.

NOW, THEREFORE, in consideration of the premises and the mutual representations, warranties, covenants and undertakings contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, agree as follows:

Section 2.8 Closing Adjustment Amount.

(a) No later than ten Business Days prior to the Closing Date, Seller shall prepare, or cause to be prepared, and deliver to Buyer, with respect to each Specified Business, a statement (each, a “Seller’s Statement”), which shall set forth Seller’s good faith estimate of the Closing Adjustment Amount which shall be determined in accordance with this Agreement (the “Estimated Closing Adjustment Amount”). Each Seller’s Statement shall be accompanied by a certification of Seller’s Chief Financial Officer to the effect that such Seller’s Statement has been prepared in good faith in accordance with this Agreement based on the books and records of such Specified Business and be reasonably satisfactory to Buyer. If the sum of the Estimated Closing Adjustment Amounts for the Specified Businesses is a negative number, then the Purchase Price payable at the Closing shall be decreased by the absolute value of such sum. If the sum of the Estimated Closing Adjustment Amounts for the Specified Businesses is a positive number, then the Purchase Price payable at the Closing shall be increased by such sum.

(b) As soon as practicable but in no event more than 90 days following the Closing, Buyer shall prepare, or cause to be prepared, and deliver to Seller, with respect to each Specified Business, a statement (each, a “Buyer’s Statement”) of the actual Closing Adjustment Amount, as of the Closing Date, which shall be determined in accordance with this Agreement. Each Buyer’s Statement shall be accompanied by a certification of Buyer’s Chief Financial Officer to the effect that such Buyer’s Statement has been

45

prepared in accordance with this Agreement based on the books and records of such Specified Business.

(c) Seller and Seller’s accountants shall complete their review of each of the Buyer’s Statements and Buyer’s calculations of the Closing Adjustment Amount within 30 days after delivery thereof by Buyer. In the event that Seller determines in good faith that any Buyer’s Statement has not been prepared in accordance with this Agreement, Seller shall, on or before the last day of such 30-day period, so inform Buyer in writing setting forth a specific description of the basis of Seller’s determination and the adjustments to such Buyer’s Statement and the corresponding adjustments to the applicable Closing Adjustment Amount that Seller believes should be made in accordance with this Agreement (a “Seller’s Objection”). If no Seller’s Objection is received by Buyer on or before the last day of such 30 day period, then the Closing Adjustment Amount set forth in a Buyer’s Statement shall be final and binding upon Seller. Buyer shall have 30 days from its receipt of a Seller’s Objection to review and respond to such Seller’s Objection.

(d) If Seller and Buyer are unable to resolve all of their disagreements with respect to the proposed adjustments set forth in any Seller’s Objection within 15 days following the completion of Buyer’s review of such Seller’s Objection, they shall refer any remaining disagreements to the CPA Firm which, acting as experts and not as arbitrators, shall determine, in accordance with this Agreement based on the books and records of the applicable Specified Business, and only with respect to the remaining differences so submitted (and within the range of dispute between Buyer’s Statement and Seller’s Objection with respect to each such difference), whether and to what extent, if any, any Closing Adjustment Amount requires adjustment. Buyer and Seller shall instruct the CPA Firm to deliver its written determination to Buyer and Seller no later than 30 days after the remaining differences underlying any such Seller’s Objection are referred to the CPA Firm. The CPA Firm’s determination shall be conclusive and binding upon Buyer and Seller and their respective Affiliates. With respect to each Seller’s Objection, the fees and disbursements of the CPA Firm shall be borne equally by Seller and Buyer. Buyer and Seller shall make readily available to the CPA Firm all relevant books and records and any work papers (including those of the parties’ respective accountants, to the extent permitted by such accountants) relating to the determination of any Closing Adjustment Amount and all other items reasonably requested by the CPA Firm in connection therewith.

(e) Buyer shall provide to Seller and its accountants full access to the books and records of each Specified Business and to any other information, including work papers of its accountants (to the extent permitted by such accountants), and to any employees during regular business hours and on reasonable advance notice, to the extent reasonably necessary for Seller to review each Buyer’s Statement, to prepare a Seller’s Objection, if any, and to prepare materials for presentation to the CPA Firm in connection with Section 2.8(d). Seller and its accountants shall have full access to all information used by Buyer in preparing such Buyer’s Statement, including the work papers of its accountants (to the extent permitted by such accountants).

46

(f) Upon satisfaction of the applicable procedures of this Section 2.8, the Purchase Price shall be adjusted with respect to each Specified Business by an amount equal to (i) the Final Adjustment Amount of such Specified Business *minus* (ii) the Estimated Closing Adjustment Amount of such Specified Business (the “Subsequent Adjustment Amount”). If the Subsequent Adjustment Amount is a positive number, then the Purchase Price allocated to such Specified Business shall be increased by the Subsequent Adjustment Amount and Buyer shall promptly (and in any event within five Business Days) after the final determination thereof pay to the Escrow Agent, for deposit into the Escrow Account, the Subsequent Adjustment Amount, plus interest from the Closing Date to the date of payment at LIBOR calculated on a 365-day basis, by wire transfer of immediately available funds to the Escrow Account. If the Subsequent Adjustment Amount is a negative number, then the Purchase Price allocated to such Specified Business shall be decreased by the absolute value of the Subsequent Adjustment Amount and Buyer shall be entitled to payment of the Subsequent Adjustment Amount from the Escrow Account promptly (and in any event within five Business Days) after the final determination of the Subsequent Adjustment Amount, plus interest from the Closing Date to the date of payment at LIBOR calculated on a 365-day basis, by wire transfer of immediately available funds to an account designated by Buyer; provided, however, that, to the extent the payment obligations pursuant to this sentence exceed the remaining funds in the Escrow Account, Seller shall promptly (and in

any event with five Business Days) after the final determination of the Subsequent Adjustment Amount, pay such excess amount to Buyer by wire transfer of immediately available funds to an account designated by Buyer.

Section 2.9 Group 2 Systems.

(a) Notwithstanding anything to the contrary contained herein, if any Group 2 System has not been finally determined to be wholly-owned by Seller or its wholly-owned Subsidiaries (it being understood that, for purposes of this Section 2.9(a), if Seller has the right to cause the transfer of good and marketable title to the Assets of any Group 2 System (free and clear of all Encumbrances other than Permitted Encumbrances) to Buyer (or has otherwise arranged for such transfer to occur at the Closing to the reasonable satisfaction of Buyer), such Disputed MCE System shall be deemed to be wholly owned by Seller) or has been finally determined to be so owned but as to which there has not been an MCE Discharge as of the date on which the Seller's Statements are delivered under Section 2.8(a) (each such MCE System, a "Disputed MCE System"), then (i) the geographical areas serviced by such Disputed MCE System shall be deemed not to be listed on Schedule A of the Seller Disclosure Schedule and such Disputed MCE System shall be deemed not to be included in the Group 2 Business or otherwise Related to the Group 2 Business or the Acquired Business, (ii) any Assets, Liabilities or Employees that would, but for clause (i) above, have been Transferred Assets, Assumed Liabilities or Transferred Employees shall be deemed not to be Transferred Assets, Assumed Liabilities or Transferred Employees, respectively, (iii) the Closing shall be effected without such Disputed MCE System, (iv) the Purchase Price (before adjustment under Section 2.8) shall be reduced by an aggregate amount equal to the product of (A) the MCE Purchase Price multiplied by (B) the quotient obtained by dividing (1) the aggregate number of Basic Subscribers served by all such Disputed MCE Systems as of December 31, 2004 by (2) the

47

aggregate number of Basic Subscribers served by all Group 2 Systems as of December 31, 2004 (such amount with respect to each such Disputed MCE System, the "Initial MCE Purchase Price"), (v) the Seller's Statement delivered in respect of the Group 2 Business shall be prepared to reflect the foregoing and (vi) with respect to the Disputed MCE Systems, the determination of the Closing Adjustment Amount (calculated as to each such Disputed MCE System separately as if it were its own Specified Business and assuming the Net Liabilities Adjustment Amount for each such Disputed MCE System is zero) shall be made in accordance with Section 2.8 except that the Subscriber Cap shall not apply to the determination of the Subscriber Adjustment Amount and there shall be no adjustment to the Purchase Price at the Closing as a result of such determination (the amount by which the Purchase Price would have been adjusted (expressed as a negative if decreased and as a positive if increased) in respect of each such Disputed MCE System as determined pursuant to this clause (vi), the "Initial Disputed MCE System Adjustment Amount").

(b) With respect to any Disputed MCE System, Seller shall (i) use commercially reasonable efforts to cause each such Disputed MCE System to be bound by a written management agreement with Buyer (or its designee) as of the Closing, in form and substance reasonably acceptable to Buyer and Seller (each such agreement, an "MCE Management Agreement") and (ii) continue during the succeeding 15 months (the "MCE Period") using commercially reasonable efforts to obtain full direct or indirect ownership of, and an MCE Discharge with respect to, such Disputed MCE System (it being understood that, for purposes of this Section 2.9(b), if Seller has the right to cause the transfer of good and marketable title to the Assets of any Group 2 System (free and clear of all Encumbrances other than Permitted Encumbrances) to Buyer (or has otherwise arranged for such transfer to occur at the MCE Closing to the reasonable satisfaction of Buyer), such Disputed MCE System shall be deemed to be wholly owned by Seller) (an "MCE Resolution"). Buyer shall not have any obligation to enter into an MCE Management Agreement unless Buyer is provided with reasonably satisfactory evidence of (A) the enforceability of such MCE Management Agreement from and after the Closing, (B) the authority of the counterpart(ies) to enter into and perform such MCE Management Agreement and to bind such Disputed MCE System and (C) **unless the MCE System is held by Seller or the Liabilities of such Disputed MCE System under the applicable MCE Management Agreement are guaranteed by Seller**, the creditworthiness of such Group 2 System (or such other Person who or such instrument that guarantees the Liabilities of such Group 2 System pursuant to the applicable MCE Management Agreement). Seller shall notify Buyer of any MCE Resolution as promptly as practicable and in any event within three Business Days of obtaining any such MCE Resolution and shall provide Buyer with such information and documentation related thereto as Buyer reasonably requests.

(c) As to any Disputed MCE System that is the subject of an MCE Resolution that occurs prior to the expiration of the MCE Period, and with respect to which (i) Buyer (or its designee) enters into an MCE Management Agreement that has not been terminated in accordance with its terms (other than by Seller as a direct result of a breach by Buyer (or its designee)) or rejected and remains in full force and effect until the completion of the MCE Closing (a "Buyer Managed MCE System") or (ii) Buyer (or its designee) does not enter into such an MCE Management Agreement but, within 60 days of

48

such MCE Resolution, Buyer makes an election to purchase such Disputed MCE System, the parties agree that Seller shall sell, or cause to be sold, to Buyer and Buyer shall purchase from Seller (or the applicable transferor which Seller causes to sell) the Assets of such Disputed MCE Systems in exchange for an amount of cash equal to the **estimated Final MCE Purchase Price (to the extent related to the Net Liabilities Adjustment Amount in respect of such Disputed MCE Systems determined in accordance with Section 2.8(a) applied mutatis mutandis)** to be delivered by wire transfer of immediately available funds to one or more accounts designated by Buyer **to Seller**, at a single closing (the "MCE Closing") that, subject to satisfaction of the conditions set forth in Sections 6.1, 6.2 (other than, without limiting Section 2.9(d)(ii), Sections 6.2(a), 6.2(f) (but only if Buyer is a Proximate Cause Party) and 6.2(h)) and 6.3 (other than, without limiting Section 2.9(d)(ii) and Section 6.3(a)) (applied with respect to such Disputed MCE Systems (treating such Systems as a Specified Business) *mutatis mutandis*), shall occur on the fifth Business Day following the earlier of (A) the expiration of the MCE Period and (B) the date all Disputed MCE Systems have been subject to an MCE Resolution; provided, however, that 4% of the cash so delivered will be deposited in the Escrow Account. At the MCE Closing, the parties will assign or assume, as applicable, the Transferred Assets and Assumed Liabilities with respect to each such Disputed MCE System (treating such System as a Specified Business) that would have been assigned and assumed as if the Closing had been delayed until the date of the MCE Closing and shall execute such conveyance, assumption and other instruments as are required pursuant to Sections 2.11 and 2.12 (applied with respect to such Disputed MCE Systems (treating such Systems as a Specified Business)[and applied with respect to the MCE Purchase Shares (treating such MCE Purchase Shares of Purchase Shares)] *mutatis mutandis*. (ee) not announce an intention, authorize or enter into any agreement or commitment with respect to any of the foregoing.

(a) Subject to the Bankruptcy Code and any orders of the Bankruptcy Court, Seller and Buyer shall cooperate and use their respective commercially reasonable efforts to fulfill as promptly as practicable the conditions precedent to the other party's obligations hereunder and shall use their respective commercially reasonable efforts to fulfill as promptly as practicable the conditions precedent to their obligations hereunder to the extent they have the ability to control the satisfaction of such obligations. Without limiting the generality of the foregoing, Seller and Buyer shall (i) make all filings and submissions required by the U.S. Antitrust Laws and any other Laws, and promptly file any additional information requested as soon as practicable after receipt of such request therefor and promptly file any other information that is necessary, proper or advisable to permit consummation of the Transaction and the Exchange and (ii) use commercially reasonable efforts to obtain and maintain all Seller Required Approvals and Buyer

86

Required Approvals in form and substance reasonably satisfactory to Buyer and Seller. In connection with the foregoing, Seller and Buyer will endeavor to consummate the Transaction without (or with minimal) costs, conditions, limitations or restrictions associated with the grant of such Seller Required Approvals and Buyer Required Approvals.

(b) Notwithstanding anything to the contrary herein, nothing in this Agreement shall require Buyer to agree to or to effect any divestiture, hold separate or similar agreement with respect to any business or Assets or agree to enter into, or amend, or agree to amend, any Contracts or governmental authorizations or take or refrain from taking any other action or conduct any business in any manner if doing so would reasonably be expected, individually or in the aggregate, to have an adverse impact that is material to the Buyer Business or the Transferred Assets or would materially constrain the operations of Buyer and its Subsidiaries or of the Transferred Assets; it being understood that the incurrence of legal, accounting, investment banking and other customary forms of transaction expenses and the commitment of reasonable management time and effort shall not be considered an adverse impact for the purpose of this Section 5.3(b).

(c) No later than 45 days following the date hereof, Buyer and Seller shall provide each other (or shall cause their respective Subsidiaries to provide) with all necessary documentation to allow filing of FCC Forms 394 with respect to the Franchises with respect to which a LFA Approval is or may be required. Buyer and Seller shall use commercially reasonable efforts to cooperate with one another and, no later than 60 days following the date hereof, file with the applicable Government Entity FCC Forms 394 for each of the Franchises with respect to which a LFA Approval is required. Buyer and Seller shall cooperate and use their commercially reasonable efforts to have Buyer enter into a substitute performance bond arrangement with respect to those Assets of each Specified Business the transfer of which to Buyer would require Buyer to enter into such a substitute bond arrangement, on substantially the same terms as the substitute bond arrangement with respect to such Assets in effect as of the date hereof. Notwithstanding anything to the contrary herein, Seller shall not accept, agree to or accede to any modifications or amendments to, or in connection with, or any conditions to the transfer of, any Franchises that are not approved by Buyer in writing, such approval not to be unreasonably withheld; provided, however, that if Seller affords Buyer reasonable notice of, and opportunity to attend and participate in, meetings or other discussions relating to LFA Approvals where modifications, amendments or conditions are expected to be discussed or negotiated, Buyer shall approve any such modifications, amendments or conditions that are approved by Seller so long as such modifications, amendments or conditions are commercially reasonable and are similar in nature, extent and impact (giving due consideration to such factors as the relative size of the Franchise involved, the proximity of other Franchises, the financial and operational impact of the change and the precedential impact thereof) to modifications, amendments or conditions agreed to by Buyer or Friendco Parent in connection with material acquisitions of cable assets effected since 2001. In addition, if Buyer seeks any LFA Approval pursuant to this Transaction, Buyer shall agree to any modifications, amendments or conditions that are commercially reasonable and are similar in nature, extent and impact (giving due consideration to such factors as the relative size of the Franchise involved, the proximity of other Franchises, the financial and operational

87

impact of the change and the precedential impact thereof) to modifications, amendments or conditions agreed to by Buyer or Friendco Parent in connection with material acquisitions of cable assets effected since 2001.

(d) Each of the parties hereto agrees to execute and deliver such other documents, certificates, agreements and other writings and to take such other commercially reasonable actions as may be necessary or desirable in order to evidence, consummate or implement expeditiously the transactions contemplated by this Agreement and to vest in Buyer good and marketable title to the Transferred Assets to the same extent as held by Seller and its Affiliates (other than the Transferred Assets to be retained by a Transferred Joint Venture Entity), and to vest in the Transferred Joint Venture Entities good and marketable title to the Transferred Assets to be retained by such Transferred Joint Venture Entity, in each case free and clear of all Encumbrances other than, in the case of Transferred Assets other than the JV Interests and the Transferred Investments, Permitted Encumbrances, in the case of the JV Interests, Encumbrances under the JV Documents, and in the case of the Transferred Investments, Encumbrances under the Investment Documents and, in each case, Encumbrances created by Buyer or any of its Affiliates (other than, prior to the Closing, any Transferred Joint Venture Entity or the Palm Beach Joint Venture).

(e) Seller and Buyer shall cooperate with each other and shall furnish to the other party all information reasonably necessary or desirable in connection with making any filing under the HSR Act, and in connection with resolving any investigation or other inquiry by any Government Antitrust Entity with respect to the Transaction and the Exchange; provided, however, that Buyer shall reimburse Seller for the reasonable out-of-pocket costs, if any, incurred by Seller as a result of such cooperation solely to the extent it relates to the consummation of the Exchange. Each of the parties shall promptly inform the other party of any communication with, and any proposed understanding, undertaking or agreement with, any Government Entity regarding any such filings or any such transaction. Seller and Buyer shall not participate in any meeting with any Government Antitrust Entity in respect of any such filings, investigation or other inquiry without giving the other party prior notice of, and the opportunity to participate in, such meeting. The parties hereto will consult and cooperate with one another in connection with any analyses, appearances, presentations, memoranda, briefs, arguments, opinions and proposals made or submitted by or on behalf of any party hereto in connection with all meetings, actions and proceedings under or relating to the HSR Act (including, with respect to making a particular filing, by providing copies of all such documents (other than those that will not be publicly available) to the non-filing party and their advisors prior to filing and, if requested, giving due consideration to all reasonable additions, deletions or changes suggested in connection therewith); provided, however, that in no event shall Buyer or Seller be required to furnish any information that, based on advice of such party's counsel, would reasonably be expected to create any potential Liability under applicable Laws, including U.S. Antitrust Laws, or would constitute a waiver of

(f) In furtherance and not in limitation of the foregoing, each of Buyer and Seller agrees to make, as promptly as practicable, (i) an appropriate filing of a Notification and Report Form pursuant to the HSR Act with respect to the Transaction and the Exchange (which filing shall be made in any event within 20 Business Days of the date hereof), (ii) appropriate filings with the FCC, and any state public service commissions having jurisdiction over any Transferred Assets or any services provided by any Specified Business or the Assets of or services provided by the Buyer Business with respect to the Transaction and the Exchange, and (iii) all other necessary filings with other Government Entities relating to the Transaction and the Exchange, and to use commercially reasonable efforts to cause the expiration or termination of the applicable waiting periods under the HSR Act and the receipt of the Seller Required Approvals and the Buyer Required Approvals under such other Laws or from such authorities or third parties as soon as practicable; provided, however, that Buyer shall reimburse Seller for the reasonable out-of-pocket costs, if any, incurred by Seller as a result of such cooperation solely to the extent it relates to the consummation of the Exchange.

(g) Each of Seller and Buyer shall give (or shall cause their respective Subsidiaries to give) any notices to third parties, and use, and cause their respective Subsidiaries to use, commercially reasonable efforts to obtain any third party (excluding Government Entities) consents related to or required in connection with the Transaction and the Exchange that are Seller Required Approvals or Buyer Required Approvals; provided, however, that Buyer shall reimburse Seller for the reasonable out-of-pocket costs, if any, incurred by Seller as a result of such cooperation solely to the extent it relates to the consummation of the Exchange.

(h) Notwithstanding anything in this Agreement to the contrary, Buyer shall have the sole responsibility for any filing, submission or other action (including, for the avoidance of doubt, obtaining any required LFA Approval) that is necessary, proper or advisable to permit the consummation of the Exchange (it being understood that Seller shall use its commercially reasonable efforts to cooperate with Buyer with respect to any action required to be taken by Buyer pursuant to this sentence; provided, however, that Buyer shall reimburse Seller for the reasonable out-of-pocket costs, if any, incurred by Seller as a result of such cooperation solely to the extent it relates to the consummation of the Exchange).

(i) After the Closing, Buyer shall, in the ordinary course of business of Buyer, use its commercially reasonable efforts to bill and collect from each Basic Subscriber that is potentially a Qualified Customer any amounts due and payable in respect of services delivered to such Basic Subscriber prior to the Closing.

Section 5.4 Tax Matters.

(a) Proration of Taxes. To the extent necessary to determine the liability for Taxes for a portion of a taxable year or period that begins before and ends after the Closing, the determination of the Taxes for the portion of the year or period ending on, and the portion of the year or period beginning after, the Closing shall be determined by assuming that the taxable year or period ended as of the close of business on the Closing,

except that those annual property taxes and exemptions, allowances or deductions that are calculated on an annual basis shall be prorated on a time basis. For the avoidance of doubt, (i) any Taxes that are apportioned to the portion of a taxable period that ends on the Closing pursuant to this Section 5.4(a) shall be Excluded Taxes and (ii) any Taxes that are apportioned to the portion of a taxable period beginning after the Closing pursuant to this Section 5.4(a) shall be Assumed Taxes.

(b) Tax Returns. (i) Seller shall file or cause to be filed when due all Tax Returns that are required to be filed by or with respect to all Transferred Joint Venture Entities for taxable years or periods ending on or before the Closing Date and shall pay any Taxes due in respect of such Tax Returns (which for the avoidance of doubt shall not include income Taxes payable by any partner in a Transferred Joint Venture Parent), and Buyer shall file or cause to be filed when due all Tax Returns that are required to be filed by or with respect to all Transferred Joint Venture Entities for taxable years or periods ending after the Closing Date.

(ii) Except as provided in Section 5.4(c), if either party shall be liable hereunder to pay over to the other party any portion of the Tax (including, for the avoidance of doubt, by reason of the inclusion of such Tax in Assumed Taxes or Excluded Taxes) of a Transferred Joint Venture Entity shown due on any such Tax Return required to be filed by the other party with respect to a taxable period that includes the Closing Date, the party preparing such Tax Return shall deliver a copy of the relevant portions of such Tax Return to the party so liable for its review and approval not less than 30 days prior to the date on which such Tax Return is due to be filed (taking into account any applicable extensions). If the parties disagree as to any item reflected on any such Tax Return, the non-preparing party shall notify the preparing party of such disagreement and its reasons for so disagreeing, in which case the parties shall attempt to resolve such disagreement. To the extent that Seller and Buyer cannot reach agreement with respect to such disputed item, the resolution of such dispute shall be made by the CPA Firm, or such nationally recognized firm of independent accountants agreed upon by Seller and Buyer, whose decision shall be final and binding and whose expenses shall be shared equally by Seller and Buyer. The party liable to pay over to the other party any portion of a Tax under Section 5.4(b) that is payable with a Tax Return to be filed by the other party with respect to a taxable period that includes the Closing Date, shall pay the other party at least 10 days prior to the due date for the filing of such Tax Return.

(iii) Buyer shall not file any amended Tax Returns with respect to any Transferred Joint Venture Entity that includes a period ending on or before the Closing Date without Seller's written consent, which shall not be unreasonably withheld or delayed.

(c) Transfer Taxes. (i) To the extent not otherwise exempt to the fullest extent permitted by section 1146(c) of the Bankruptcy Code and except as otherwise provided in this Section 5.4(c)(i), all federal, state, local or foreign or other excise, sales, use, value added, transfer (including real property transfer or gains), stamp, documentary, filing, recordation and other similar taxes and fees that may be imposed or assessed as a result of the Transaction, together with any interest, additions or penalties with respect

thereto and any interest in respect of such additions or penalties ("Transfer Taxes"), shall, subject to the provisos to Sections 5.4(c)(iii) and 5.4(c)(v), be borne by Buyer.

(ii) Any Tax Returns that must be filed in connection with Transfer Taxes ("Transfer Tax Returns") shall be prepared by Buyer, and Buyer shall prepare such Transfer Tax Returns in a manner consistent with the allocation of the consideration that is agreed pursuant to Section 5.4(d); provided, however, that if Buyer and Seller do not jointly agree to a Purchase Price Allocation Schedule as provided in Section 5.4(d) and except as provided in Section 5.4(c)(iii), any such Transfer Tax Return shall be prepared by Buyer in good faith in a manner consistent with the purchase price allocation of Buyer or Seller that Buyer and Seller, as the case may be, use for Tax purposes that results, in the higher aggregate Transfer Tax liability with respect to each applicable jurisdiction. The party filing any Transfer Tax Return (or similar form claiming an applicable exemption from Transfer Taxes) pursuant to this Section 5.4 shall furnish a copy of such Transfer Tax Return (or similar form) to the other party.

(iii) Except as provided in the following proviso, all Transfer Tax Returns shall be filed by Buyer, and Buyer shall be responsible for remitting all amounts shown as due on such Transfer Tax Returns to the appropriate Government Entity; provided, however, that, in the case of any Transfer Tax Return in which Seller's purchase price allocation would result in a higher aggregate Transfer Tax liability than Buyer's purchase price allocation (w) Buyer shall prepare such Transfer Tax Return unless Seller reasonably determines that the positions taken on such Transfer Tax Return as prepared by Buyer would reasonably be expected to give rise to a material risk of civil and/or criminal penalties (other than interest) if challenged by the applicable Government Entity, in which case, Seller may prepare such Transfer Tax Return, (x) Seller shall be responsible for filing such Transfer Tax Return and for remitting all amounts shown as due thereon to the appropriate Government Entity, (y) notwithstanding any other provision of this Section 5.4(c) to the contrary, Buyer shall pay to Seller an amount equal to the Transfer Tax liability that would have resulted if such return had been prepared by Buyer (it being understood that, for purposes of this clause (y), the Transfer Tax Return that would have been prepared by Buyer shall be determined by using (1) the Buyer's purchase price allocation, and (2) Buyer's interpretation of applicable Tax Law as reflected in the Transfer Tax Return prepared by Buyer pursuant to clause (x) hereof), and (z) Seller shall have sole responsibility for the balance of the Transfer Tax liability with respect to such Transfer Tax Return. Buyer and Seller shall (and shall cause each of their respective Affiliates to) cooperate in the timely completion and filing of all such Tax Returns, and Buyer and Seller shall (and shall cause each of their respective Affiliates to) execute such documents in connection with such filings as shall have been required by Law or reasonably requested by the other party.

(iv) Buyer shall control the conduct of any audit, claim, contest or administrative or judicial proceeding relating to such Transfer Taxes, subject to Seller's right to make any statement or report to any tax authority reflecting the purchase price allocation prepared by Seller; provided, however, that Seller shall be entitled to make any such statement and/or report only (A) to the extent Seller reasonably determines is reasonably necessary to rebut any presumption under applicable Tax Law that would

otherwise deem Seller to have agreed to and adopted the purchase price allocation prepared by Buyer in the absence of such statement or report and (B) if such presumption could reasonably be expected to result in an adverse effect on Seller other than a *de minimis* adverse effect. If Buyer or Seller receives any written notice of assessment or other claim from any Government Entity with respect to Transfer Taxes for which the other party may be liable pursuant to this Section 5.4(c), the notified party shall notify the other party in writing of the receipt of such notice of assessment or other claim promptly after the receipt thereof.

(v) Any additional Transfer Taxes resulting from an adverse determination by a Government Entity shall be borne by Buyer; provided, however, that, so long as the adverse determination by the applicable Government Entity does not relate directly to purchase price allocation, Seller shall be responsible for any such additional Transfer Taxes to the extent that such additional Transfer Taxes are attributable to the use of Seller's purchase price allocation rather than Buyer's purchase price allocation.

(vi) Any Transfer Taxes resulting from any subsequent increase in the Purchase Price pursuant to this Agreement shall be borne in accordance with the provisions of this Section 5.4(c).

(vii) Buyer and Seller shall cooperate in good faith to minimize the amount of Transfer Taxes that may be imposed or assessed as a result of the Transaction, including pursuant to one or more restructuring transactions consummated pursuant to the Plan prior to the Closing; provided, that Buyer and Seller conclude in good faith that such restructuring would have a more likely than not probability of prevailing if challenged by the applicable Government Entity.

(d) Determination and Allocation of Purchase Price. Seller and Buyer undertake to act in good faith to jointly agree to a schedule setting forth the allocation of the consideration in the Transaction (including, as appropriate for Tax purposes, assumptions of liabilities) among the Transferred Assets (the "Purchase Price Allocation Schedule") for Tax purposes. If Seller and Buyer so agree within 180 days of the Closing Date, Seller and Buyer shall, and Seller and Buyer shall cause each of their respective Affiliates, (i) to report the federal, state, and local income and other Tax consequences of the Transaction contemplated herein in a manner consistent with such Purchase Price Allocation Schedule and (ii) not to take any position inconsistent therewith for any Tax purposes (unless required by a change in applicable Tax Law or as a result of a good faith resolution of a contest). If Seller and Buyer do not so agree within 180 days of the Closing Date, each of Seller and Buyer may prepare their own purchase price allocation and, for the avoidance of doubt and except as provided in Sections 5.4(c)(iii) and 5.4(c)(v), each of Buyer and Seller will have no liability to the other for any additional Taxes that may be imposed by any Government Entity as a result of inconsistencies between the respective allocations of Buyer and Seller.

(e) Employee Withholding and Reporting Matters. With respect to those Transferred Employees who are employed by Buyer within the same calendar year as the Closing, Buyer shall, in accordance with and to the extent permitted pursuant to

Revenue Procedure 2004-53, 2004-34 I.R.B. 320, assume all responsibility for preparing and filing Form W-2, Wage and Tax Statement, Form 941, Employer's Quarterly Federal Tax Return, Form W-4, Employee's Withholding Allowance Certificate and Form W-5, Earned Income Credit Advance Payment Certificate. Seller and Buyer agree to comply with the procedures described in Section 5 of the Revenue Procedure 2004-53. Notwithstanding any provision of this Agreement, all Taxes required to have been withheld by Seller and its Subsidiaries from their respective employees and independent contractors with respect to any taxable periods, or portions thereof, ending on or before the Closing shall be Excluded Liabilities and shall not be treated as Assumed Liabilities.

(f) Section 754 Elections.

(i) Seller agrees to use commercially reasonable efforts to cause each Transferred Joint Venture Parent to make a valid Section 754 Election (or comparable election, if provided for under applicable state or local law) for a taxable year ending on or prior to the Closing Date. Seller shall not take any action or permit any of its Affiliates (including any Transferred Joint Venture Parent) to take any action that would cause any such Section 754 Election to become void or invalid.

(ii) If Seller or any of its Affiliates reports any Subsidiary of a Transferred Joint Venture Parent as a partnership for U.S. federal income Tax purposes, Seller agrees to use commercially reasonable efforts to cause such Subsidiary to make a valid Section 754 Election (or comparable election, if provided for under state or local law) for a taxable year ending on or prior to the Closing Date.

Section 5.5 Post-Closing Obligations of each Specified Business to Certain Employees.

(a) Seller shall provide to Buyer not later than 14 Business Days following the date hereof, a copy of each employment agreement or other individual agreement governing the terms and conditions of any Applicable Employee's employment entered into with any Applicable Employee and a schedule of each Applicable Employee with his or her title, job location, employer, primary place of residence, salary or wage rate, commission status, bonus opportunity, date of hire, level or other job classification, full or part time status, "exempt" or "non-exempt" status, whether such Applicable Employee is part of a collective bargaining unit and regularly scheduled work shift, as applicable, and shall supplement such schedule not later than 60 Business Days following the date hereof, indicating for each Applicable Employee, such Applicable Employee's direct supervisor and most recent performance rating or evaluation. In addition, not later than 55 Business Days prior to the Closing Date, Seller shall update such schedule, including with respect to each Applicable Employee's direct supervisor and most recent performance rating or evaluation. Not later than 40 Business Days prior to the Closing Date, Buyer shall make offers of employment commencing on the Closing Date to all Applicable Employees, and such offers shall be contingent upon (i) the Closing, (ii) such Employee being an Applicable Employee on the Closing Date and (iii) such Applicable Employee's satisfaction of customary employment conditions applicable to all Buyer employees which customary employment conditions are set forth on Schedule 5.5(a)(i) of the Buyer

Disclosure Schedule (it being understood that such conditions will not include the evaluation of prior performance) (the "Background Check"); provided, however, that Buyer shall have no obligation to extend an offer of employment to any Employee who as of the date hereof or as of the Closing Date is identified by job function, description or title or otherwise noted on Schedule 5.5(a)(ii) of the Seller Disclosure Schedule; and provided, further that Buyer need not extend an offer to any Applicable Employee who is employed by a Transferred Joint Venture Entity (such employees, other than those set forth on Schedule 5.5(a)(ii) of the Seller Disclosure Schedule, the "Joint Venture Employees"). Joint Venture Employees who have, as of the Closing Date, satisfied the Background Check and who are Applicable Employees on the Closing Date ("Transferred Joint Venture Employees") shall remain employees of the applicable Transferred Joint Venture Entity as of immediately following the Closing and shall be entitled to compensation and benefits in accordance with the terms set forth in this Section 5.5. Buyer shall cooperate with Seller from and after the date hereof to communicate with Applicable Employees other than those set forth on Schedule 5.5(a)(ii) of the Seller Disclosure Schedule regarding (i) the anticipated offers of employment to be made by Buyer to such Applicable Employees hereunder or (ii) the continuation of such Applicable Employee's employment with the applicable Transferred Joint Venture Entity, as the case may be. Offers of employment required by this Section 5.5(a) shall be for a position of similar or greater status, authority, duties and aggregate compensation (excluding any equity-based compensation, severance, retention, sale, stay, special bonus, emergence or other change in control payments or awards or any similar compensation or award) as such Employee enjoys with Seller and/or its Affiliates immediately prior to the Closing Date, that is within a 50-mile radius from such Employee's primary place of residence as of the Closing Date, and with any such additional rights and benefits as are prescribed by this Section 5.5. Consistent with and subject to the foregoing and the other terms of this Agreement, Buyer shall have the right to establish the terms and conditions under which such offers will be made. Not later than two Business Days following the date offers are required to be made hereunder, Buyer shall provide to Seller a list of the Applicable Employees who do not satisfy the Background Check, by job position or name and region, and as to whom Buyer as a result of such Background Check failure has not made offers of employment pursuant to this Section 5.5(a). The parties hereto shall cooperate with each other to give effect to this Section 5.5(a) and neither Seller nor its Affiliates shall take any actions that would interfere with the Applicable Employees so offered employment from becoming employed by Buyer or the Joint Venture Employees becoming Transferred Joint Venture Employees, as the case may be, as of the Closing Date. Immediately prior to the Closing, the Transferred Joint Venture Entities shall employ no individuals other than those Employees who are or will be Transferred Joint Venture Employees Related to the applicable Joint Venture Business. If any Employee, other than a Transferred Employee, becomes entitled to any payments or benefits under any severance policy, plan, agreement, arrangement or program which exists or arises or may be deemed to exist or arise, under any applicable Law or otherwise, as a result of the consummation of the Transaction or otherwise, Seller shall be liable for such amounts, which Liability shall constitute an Excluded Liability except to the extent Buyer does not comply with the requirement to offer employment on the terms set forth in this Section 5.5(a).

(b) Beginning on the Closing Date and ending no earlier than the first anniversary of the Closing Date, Buyer shall provide each Transferred Employee, other than any Transferred Employee included in a collective bargaining unit covered by the Collective Bargaining Agreements as in effect on the Closing Date (each, a "Union Employee") with, at Buyer's sole discretion, either compensation and employee benefits that are (i) no less favorable in the aggregate (excluding any equity-based compensation, severance, retention, sale, stay, special bonus, emergence or other change in control payments or awards or any similar compensation or award) than the compensation and employee benefits provided to each such Transferred Employee

immediately prior to the Closing Date or (ii) substantially comparable in the aggregate (excluding any severance) to the compensation and employee benefits provided to similarly situated employees of Buyer; provided, that for purposes of any equity-based compensation, such employees shall be deemed newly hired employees of Buyer. In addition, to the extent Buyer maintains a tax-qualified defined benefit pension plan, from and after the date each Transferred Employee satisfies the applicable eligibility and service requirements of any such plan as in effect on any date of determination, such Transferred Employee shall participate in such plan to the same extent as similarly situated employees of Buyer. With respect to Union Employees, Buyer will retain any and all of the rights and obligations it may have pursuant to applicable labor Law.

(c) Notwithstanding Section 5.5(b), beginning on the Closing Date, Buyer shall, for a period ending no earlier than the first anniversary of the Closing Date, maintain a severance plan for the benefit of each Transferred Employee, other than any Union Employee, that is no less favorable to Transferred Employees than the Amended and Restated Adelphia Communications Corporation Severance Plan effective September 21, 2004 (the "Seller Severance Plan") and which includes the same general terms and conditions regarding eligibility and exclusion from eligibility for severance pay and benefits as the Seller Severance Plan. It is intended that this Section 5.5(c) shall not result in any duplication of benefits to any Transferred Employee.

(d) To the extent (and only to the extent) set forth on Schedule 5.5(d) of the Seller Disclosure Schedule, Buyer shall assume all Liabilities and obligations to provide any severance pay and benefits to any Transferred Employee whose employment is terminated following the Closing. Buyer shall reimburse Seller for any severance costs incurred with respect to any Employee who is not offered employment by Buyer pursuant to this Transaction in the event Buyer or any of its Subsidiaries hires such Employee within three months after the Closing.

(e) For purposes of this Agreement, (i) "Applicable Employees" means all of the following:

(A) All persons who are active Employees on the Closing Date, including Employees on vacation and Employees on a regularly scheduled day off from work. Employees on temporary leave for purposes of jury or annual two-week national service/military duty shall be deemed to be active Employees;

95

(B) Employees who on the Closing Date are on nonmedical leave of absence; provided, however, that no such Employee shall be guaranteed reinstatement to active service if his return to employment is contrary to the terms of his leave, unless otherwise required by applicable Law (for purposes of the foregoing, nonmedical leave of absence shall include maternity or paternity leave, leave under the Family and Medical Leave Act of 1993, educational leave, military leave with veteran's reemployment rights under federal Law, or personal leave, unless any of such is determined to be a medical leave); and

(C) Employees who on the Closing Date are on disability or medical leave and for whom it has been 180 calendar days or less since their last day of active employment; provided, however, that no such Employee shall be guaranteed reinstatement to active service if he is incapable of working in accordance with the policies, practices and procedures of Buyer; and

(ii) "Transferred Employees" means those Applicable Employees who accept offers of employment with Buyer and the Transferred Joint Venture Employees.

(f) Seller shall retain responsibility for and continue to pay all medical, life insurance, disability and other welfare plan expenses and benefits for each Transferred Employee with respect to claims incurred by such Transferred Employee or his or her covered dependents prior to the Closing Date except to the extent (and only to the extent) such liabilities are reflected in the determination of the Closing Net Liabilities used in the determination of the Final Adjustment Amount for the Specified Business in which such Transferred Employee is employed. Buyer shall be responsible for all expenses and benefits with respect to claims incurred by Transferred Employees or their covered dependents on or after the Closing Date. For purposes of this paragraph, a claim is deemed incurred: (i) in the case of medical or dental benefits, when the services that are the subject of the claim are performed, (ii) in the case of life insurance, when the death occurs, (iii) in the case of long-term disability benefits, when the Employee becomes disabled, and (iv) in the case of workers compensation benefits, when the event giving rise to the benefits occurs.

(g) With respect to any plan that is a "welfare benefit plan" (as defined in Section 3(1) of ERISA), or any plan that would be a "welfare benefit plan" (as defined in Section 3(1) of ERISA) if it were subject to ERISA, maintained by Buyer, Buyer shall (i) provide coverage for Transferred Employees under its medical, dental and health plans as of the Closing Date in accordance with the terms of such plans, (ii) cause there to be waived any pre-existing conditions, actively at work requirements and waiting periods or other eligibility requirements to the extent such conditions, requirements or waiting periods were satisfied by a Transferred Employee under a corresponding Benefit Plan, and (iii) cause such plans to honor any expenses incurred by the Transferred Employees and their dependents or beneficiaries under similar plans of Seller and its Affiliates during the portion of the calendar year in which the Closing Date occurs for purposes of satisfying applicable deductible, co-insurance and maximum out-of-pocket expenses.

96

(h) Transferred Employees shall be given credit for purposes of eligibility and vesting and other entitlement to benefits or rights, under each employee benefit plan of Buyer (each a "Buyer Plan") in which such Transferred Employees are or become eligible to participate, for all service (including service with Seller or any of its Affiliates) for which such Transferred Employees were credited for such purposes under a corresponding Benefit Plan of Seller prior to the Closing Date; provided, however, that nothing in this Section 5.5(h) shall result in any duplication of benefits.

(i) Except as required by applicable Law, as of the Closing Date, the Transferred Employees shall cease to accrue further benefits under the employee benefit plans and arrangements maintained by Seller and its Affiliates. From and after the Closing, Seller shall remain solely responsible for any and all Liabilities in respect of the Employees, including the Transferred Employees, related to the Benefit Plans, except as otherwise provided in this Section 5.5. None of Buyer or any of its Affiliates shall assume or have transferred to them the sponsorship of any of the Benefit Plans or any other benefit plans or arrangements maintained by Seller or any of its Affiliates; including any non qualified deferred compensation or rabbi trust plans or arrangements, pursuant to or in connection with the Transaction.

(j) Seller shall take all actions necessary to fully vest the Transferred Employees in their account balances under Seller's tax-qualified 401(k) plan ("Seller's 401(k) Plan") effective as of the Closing Date. In accordance with the terms of the applicable plan, each Transferred Employee shall be eligible to participate in a Buyer-sponsored defined contribution plan intended to qualify under Sections 401(a) and 401(k) of the Code ("Buyer's 401(k) Plan"). Buyer shall take all actions reasonably necessary to permit beginning as soon as reasonably practical following the Closing Date each Transferred Employee who has received an eligible rollover distribution (as defined in Section 402(c)(4) of the Code) from Seller's 401(k) Plan to roll over the distribution, to an account in Buyer's 401(k) Plan; provided, that any Transferred Employee with less than six months of service with Seller or any of its Affiliates immediately prior to the Closing Date will only become a participant in the Buyer's 401(k) Plan after completing six months of combined continuous service with Seller or any of its Affiliates and Buyer and any of its Affiliates (without duplication).

(k) With respect to any accrued but unused vacation time (including flexible time-off and sick pay) to which any Transferred Employee is entitled pursuant to the vacation policy applicable to such Transferred Employee immediately prior to the Closing Date, Buyer shall, to the extent permitted by applicable Law, assume the liability for such accrued vacation and allow such Transferred Employee to use such accrued vacation to the extent such Transferred Employee would have been entitled to such accrued vacation based on his level and years of service under the vacation policy of Buyer in effect as of the Closing Date as if such Transferred Employee had been employed by Buyer during such Transferred Employee's employment with Seller; provided, however, that if the Transferred Employee's accrued vacation is greater than the amount of vacation to which such Transferred Employee would have been entitled under Buyer's vacation policy, Buyer shall pay to such Transferred Employee within 90 days of the Closing Date an amount in cash equal to the difference but only to the extent of the amount reflected in the

97

Closing Net Liabilities Amount used in calculating the Final Adjustment Amount for the Specified Business in which such Transferred Employee is employed. With respect to any sale bonuses under the Sale Bonus Program, Seller shall be responsible for the payment to all Employees of that portion of the bonus that is to be paid on the "First Sale Bonus Payment Date" (as defined in the Sale Bonus Program), which bonuses shall be paid prior to or on the Closing. Buyer shall be responsible for the payment to Transferred Employees on a timely basis of any sale bonuses under the Sale Bonus Program to be paid after the "First Sale Bonus Payment Date" but only to the extent of the amount reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount for the Specified Business in which such Transferred Employee is employed.

(l) Buyer shall be responsible for providing or discharging any and all notifications, benefits and liabilities to Transferred Employees and governmental authorities required by WARN or by any other applicable Law relating to plant closings or employee separations that are required (i) to be provided after the Closing or (ii) with respect to any plant closing or mass layoff that occurs within the 60-day period immediately following the Closing. Seller agrees to cooperate in preparing and distributing any notices that Buyer may desire to provide prior to the Closing. No later than five Business Days prior to the Closing Date, Seller shall provide Buyer with a schedule setting forth each Employee whose employment was terminated or is anticipated to be terminated during the six month period prior to the Closing Date and the work location of such Employee.

(m) Buyer shall assume any liability under COBRA arising from the actions (or inactions) of Buyer or its Affiliates with respect to the Transferred Employees after the Closing Date. Seller shall retain all obligations with respect to continued coverage under COBRA (and any similar state Law), Section 4980B of the Code and Part 6 of Subtitle B of Title I of ERISA and the regulations thereunder for all Employees, including Applicable Employees, who do not become Transferred Employees. Notwithstanding the immediately preceding sentence, to the extent required by Treasury Regulation Section 54.4980B-9, Q&A-8(c), Buyer shall perform all obligations under COBRA and the foregoing provisions of the Code and ERISA with respect to each employee of Seller who is an "M&A qualified beneficiary" with respect to the Transaction, as such term is defined by Treasury Regulation section 54.4980B-9, Q&A-4.

(n) For Employees who participate in Seller's short term incentive bonus program, including the Short-Term Incentive Plan, Sales Incentive Plan and Marketing Incentive Plan, Seller shall be responsible for paying their respective annual bonuses for the period from the January 1 immediately preceding the Closing Date through the Closing (pro-rated for the partial year) and shall pay such bonuses to such Employees not later than the Closing; and, solely with respect to Transferred Employees who participated immediately prior to the Closing Date in such Seller's short term incentive bonus programs, Buyer shall be responsible for paying respective annual bonuses for the period from the Closing Date through the December 31 immediately following the Closing Date pro-rated for the partial year.

98

(o) With respect to any Transferred Employee who becomes employed by Friendco or any of its Affiliates pursuant to the Exchange Agreement, references to any benefit plans maintained by Buyer shall be deemed to be references to benefit plans maintained by Friendco or its Affiliates and references to similarly situated employees of Buyer shall be deemed to be references to similarly situated employees of Friendco or its Affiliates.

(p) The parties hereto hereby acknowledge and agree that no provision of this Agreement shall be construed to create any right to any compensation or benefits whatsoever on the part of any Employee or other future, present or former employee of Seller or any of its Affiliates. Nothing in this Section 5.5 or elsewhere in this Agreement shall be deemed to make any employee of the parties or their respective Affiliates a third party beneficiary of this Section 5.5 or any rights relating hereto.

(q) The parties hereto hereby acknowledge and agree that Buyer shall have no Liability in respect of any award to any Employee, director, consultant, independent contractor or other service provider of Seller or its Affiliates with respect to any shares of Seller's Equity Securities, whether existing on the date hereof or arising in the future ("Stock Awards"), and that all Liabilities related to such Stock Awards shall be Excluded Liabilities.

(r) Seller agrees that, notwithstanding anything in this Agreement to the contrary, the payments of awards under the Amended and Restated Adelphia Communications Corporation Performance Retention Plan shall in no event be made in Equity Securities of Buyer or any Affiliate of Buyer and shall be satisfied in full by Seller prior to or on the Closing.

Section 5.6 Ancillary Agreements. At the Closing, Seller shall and shall cause each of its Affiliates party to an unexecuted Ancillary Agreement to, execute and deliver each unexecuted Ancillary Agreement to which it is a party, and Buyer shall execute and deliver each of the unexecuted Ancillary Agreements to be executed by it.

Section 5.7 Transfer and Assignment of Assets and Certain Employees of Transferred Joint Venture Entities. At or prior to the Closing, Seller shall (a) cause each Transferred Joint Venture Entity to transfer to the applicable Seller JV Partner all Excluded Assets held by such Transferred Joint Venture Entity (b) terminate the employment of all individuals who are then employed by a Transferred Joint Venture Entity and who are not or will not be Transferred Joint Venture Employees Related to the applicable Joint Venture Business and (c) cause such Seller JV Partner to, assume and discharge or perform when due all Excluded Liabilities to which such Transferred Joint Venture Entity is subject, in each case pursuant to agreements, instruments or other documents in form and substance reasonably satisfactory to Buyer.

Section 5.8 Acquisition Proposals. Except as otherwise provided in this Section 5.8, Seller agrees that neither it nor any of its Subsidiaries nor any of their respective directors, officers or employees shall, and that it shall direct its Subsidiaries and its and its Subsidiaries' agents and representatives and use its best efforts to cause its and its

99

Subsidiaries' agents and representatives (including any investment banker, attorney or accountant retained by it or any of its Subsidiaries) not to, directly or indirectly, initiate, solicit or encourage any inquiries or the making of any proposal or offer with respect to a merger, reorganization (including an Alternate Plan), share exchange, consolidation or similar transaction involving (directly or indirectly), or any purchase (directly or through a proposed investment in Equity Securities, debt securities or claims of creditors) of 10% or more of the Transferred Assets Related to the Business or of the outstanding Equity Securities of Seller or any of its Affiliates directly or indirectly owning Assets Related to the Business (any such proposal or offer being hereinafter referred to as an "Acquisition Proposal" and any such transaction, an "Acquisition"); provided, however, that the foregoing shall not restrict Seller from renewing the "exit financing" of the Debtors on substantially the same terms as in effect as of March 31, 2005. Seller further agrees that neither it nor any of its Subsidiaries nor any of their respective directors, officers or employees shall, and that it shall direct its Subsidiaries and its and its Subsidiaries' agents and representatives and use its best efforts to cause its and its Subsidiaries' agents and representatives (including any investment banker, attorney or accountant retained by it or any of its Subsidiaries) not to, directly or indirectly, engage in any negotiations concerning, or provide any confidential information or data to or have any discussions with any Person relating to, an Acquisition Proposal, or otherwise facilitate any effort or attempt to make or implement an Acquisition Proposal. Seller agrees that it will take the necessary steps to promptly inform the Persons referred to in the first sentence of this Section 5.8 of the obligations undertaken in this Section 5.8 and to cause them to cease immediately any current activities that are inconsistent with this Section 5.8. Notwithstanding the foregoing, nothing contained in this Agreement shall prevent Seller or its board of directors (the "Board") from:

(a) (i) complying with its disclosure obligations under Law or the Bankruptcy Code with regard to an Acquisition Proposal, or (ii) prior to the commencement of the Confirmation Hearing, in response to an unsolicited bona fide Acquisition Proposal, (A) (1) providing information to (including discussing any due diligence issues, requests or clarifications with) a Person with whom Seller executes a confidentiality agreement on terms no less favorable to Seller than those contained in the Seller Confidentiality Agreement (as in effect prior to amendment on the date hereof), other than any restrictions on such Person's ability to make or amend an Acquisition Proposal and (2) following receipt of a bona fide unsolicited Acquisition Proposal from such a Person, engaging in discussions with such Person to the extent such discussions are confined to clarifying any term of such Acquisition Proposal or (B) engaging in any negotiations or discussions with any Person who has made such an Acquisition Proposal if and only to the extent that, in each such case referred to in clauses (A) and (B) above, (1) the Board determines in good faith after consultation with outside legal counsel that the directors of Seller should take such action in order to comply with their fiduciary duties under applicable Law, (2) such Acquisition Proposal involves the direct or indirect acquisition by one or more third parties of at least 66²/₃% of (x) all Assets Related to the Business or (y) the outstanding Equity Securities of Seller and (3) in each such case referred to in clause (B) above, the Board determines in good faith (after consultation with its financial and legal advisors) that such Acquisition Proposal, if accepted, is reasonably likely to be consummated, taking into account all legal, financial and regulatory aspects of

100

the proposal and the Person making the proposal, and if consummated, would result in a transaction more favorable (taking into account, without limitation, financial terms of any termination fee that may be payable pursuant to Section 8.5(b)) to Seller's stakeholders from a financial point of view than the Transaction (any such more favorable Acquisition Proposal being referred to in this Agreement as a "Superior Proposal"). Seller or any of its Subsidiaries shall notify Buyer promptly (but in no event later than 24 hours) after receipt by Seller or any of its Subsidiaries (or any of their respective directors, officers, employees or advisors) of any Acquisition Proposal, any indication that a third party is considering making an Acquisition Proposal or any request for information relating to the Transferred Assets, any Specified Business, Seller or any of its Subsidiaries or for access to any Specified Business or any of the Transferred Assets by any third party that may be considering making, or has made, an Acquisition Proposal. Seller shall provide such notice orally and in writing and shall identify the third party making, and the terms and conditions of, any such Acquisition Proposal, indication or request. Seller shall keep Buyer fully informed, on a current basis, of the status and details of any such Acquisition Proposal, indication or request. Seller shall promptly provide Buyer with any non public information concerning Seller's business, present or future performance, financial condition or results of operations, provided to any third party that was not previously provided to Buyer; and

(b) (i) prior to the commencement of the Confirmation Hearing, engaging in any negotiations or discussions concerning an Alternate Plan with the Committees, the stakeholders of Seller or its Affiliates or their respective advisors (in each case (other than in the case of Committees) with whom Seller enters into, or has entered into, a confidentiality agreement on customary terms under the circumstances that restricts such stakeholder (other than with respect to any other stakeholder who is subject to a substantially similar confidentiality agreement or to the Committees) from (x) disclosing any confidential information regarding Seller and its Affiliates, Buyer and its Affiliates, or information regarding an Alternate Plan, including the status thereof, and (y) making public statements regarding any of the foregoing), but only to the extent that (A) the Board determines in good faith after consultation with outside legal counsel that the directors of Seller should take such action in order to comply with their fiduciary duties under applicable Law and (B) the Board determines in good faith (after consultation with its financial and legal advisors) that such Alternate Plan, if pursued and assuming (for purposes of determining the right to engage in negotiations or discussions pursuant to this Section 5.8(b), but not for purposes of the definition of "Superior Alternate Plan") the support of Seller's stakeholders therefor, is reasonably likely to be consummated, taking into account all legal, financial and regulatory aspects of

the proposed Alternate Plan and, if consummated, would result in a transaction more favorable (taking into account, without limitation, the financial terms of any termination fee that may be paid pursuant to Section 8.5(b)) to the stakeholders of Seller and its Affiliates from a financial point of view than the Transaction (any such more favorable Alternate Plan being referred to in this Agreement as a “Superior Alternate Plan”) or (ii) after entry of a Confirmation Order satisfying the condition set forth in Section 6.2(g) (but only for so long as such Confirmation Order is in effect), planning for an Alternate Plan that involves the emergence of Debtors as standalone entities with no greater than a 10% additional equity contribution (other than existing Claims), including engaging in any negotiations or discussions concerning an

101

Alternate Plan with stakeholders of Seller or its Affiliates or their advisors, preparing (but not filing) a disclosure statement with respect to such Alternate Plan and preparing and negotiating any intercreditor agreements; provided, however, that such Alternate Plan provides that it can only be confirmed and effective if this Agreement is terminated in accordance with its terms and such planning does not involve any action or omission that could reasonably be expected to materially impair or materially delay the Transaction; provided, further, that nothing in this Section 5.8(b) shall permit any public statements or filings with the Bankruptcy Court or any other court by or on behalf of Seller or its Affiliates. Seller shall notify Buyer of its engagement in discussions concerning an Alternate Plan and shall keep Buyer reasonably informed, on a current basis, of material developments that could reasonably be expected to result in an Alternate Plan. For purposes of this Agreement, an “Alternate Plan” is any plan under chapter 11 of the Bankruptcy Code (other than the Plan) or any liquidation under chapter 7 of the Bankruptcy Code. Without limiting any other obligation set forth in this Agreement, Seller shall, in connection with the activities permitted under this Section 5.8(b), use commercially reasonable efforts to enforce any confidentiality obligations of the Committees and any obligations under the confidentiality agreements described in this Section 5.8(b).

Section 5.9 Additional Financial Information.

(a) Seller shall use commercially reasonable efforts, and shall cause its Affiliates to use commercially reasonable efforts, to provide Buyer with financial statements and related information (collectively, “Financial Information”) sufficient to permit Buyer or its Affiliates to fulfill their obligations to include financial disclosure relating to each Specified Business and, if required, the Friendco Business and the Group 2 Systems, on a timely basis under the Exchange Act and, if Buyer or any of Buyer’s Affiliates undertakes an offering of securities prior to the Closing, the Securities Act (it being understood that the foregoing shall not require Seller to file or furnish any periodic or current reports that are required to be filed prior to the date hereof under the Exchange Act with the SEC). If some or all of the Financial Information is included in or incorporated by reference into a prospectus for an offering of securities by Buyer or any of Buyer’s Subsidiaries prior to the Closing, Seller shall, and shall cause its Affiliates to, use commercially reasonable efforts to cause the independent auditors of Seller to provide customary assistance to Buyer or such Subsidiary and its underwriters in connection with such financing, including the provision of consent and comfort letters addressed to the [SEC] Buyer, comfort letters addressed to the underwriters, participation in due diligence matters with respect to such offering and assistance in responding to comments or questions from the SEC with respect to the Financial Information. Buyer shall reimburse Seller for the reasonable costs and expenses incurred by Seller pursuant to this Section 5.9(a), including reasonable out-of-pocket costs and any incremental costs and expenses necessary to comply with this Section 5.9(a) (including all necessary incentive compensation) (unless and to the extent compliance with this Section 5.9(a) is waived by Buyer prior to the incurrence of such costs and expenses). Seller shall give Buyer reasonable advance notice of the type and the amount of such costs and expenses prior to the incurrence thereof.

102

(b) As soon as reasonably practicable (and, in any event, prior to the Closing), Seller shall, and shall cause its Affiliates to, use commercially reasonable efforts, to provide Buyer with a copy of (i) the consolidated audited balance sheets and audited statements of income, stockholders equity and cash flows for each Specified Business reflecting the allocation of Shared Assets and Liabilities pursuant to the Designated Allocation and Section 2.5 (provided, that, but subject to clause (iii) below, such financial statements do not need to be provided for the Group 2 Business for any period prior to January 1, 2004), at and for the fiscal years ended December 31, 2002 (unless statements at and for the fiscal year ended December 31, 2005 are provided as set forth below), December 31, 2003, December 31, 2004, and, if the Closing shall not have occurred on or prior to March 31, 2006 (or if such statements are otherwise available) December 31, 2005 (as modified by the proviso to clause (i) of this Section 5.9(b), the “Derivative Audited Financial Statements”), (ii) the consolidated audited balance sheets and audited statements of income, stockholders’ equity and cash flows for Seller and its Affiliates for the fiscal years ended December 31, 2004, and, if the Closing shall not have occurred on or prior to March 31, 2006 (or if such statements are otherwise available), December 31, 2005 (the “Seller Audited Financial Statements”), and (iii) the unaudited balance sheets and unaudited statements of income, stockholders’ equity and cash flows for each Group 2 System for the fiscal years ended December 31, 2002 (unless the Derivative Audited Financial Statements include consolidated audited balance sheets and audited statements of income, stockholders equity and cash flows for each Specified Business for the fiscal year ended December 31, 2005 are provided as set forth above), and December 31, 2003 (the “MCE Financial Statements” and, together with the Derivative Audited Financial Statements and the Seller Audited Financial Statements, the “Additional Financial Statements”); provided, that Buyer shall reimburse Seller for the reasonable costs and expenses incurred by Seller in connection with the preparation of the Derivative Audited Financial Statements and the MCE Financial Statements, including reasonable out-of-pocket costs and any incremental costs and expenses necessary to comply with this Section 5.9(b) (including all necessary incentive compensation). Seller shall give Buyer reasonable advance notice of the type and the amount of such costs and expenses prior to the incurrence thereof.

(c) Buyer shall use its commercially reasonable efforts to obtain relief from the staff of the SEC from Buyer’s obligations to include financial statements with respect to periods ending on or prior to December 31, 2002 required by Section 5.9(a) or Section 5.9(b) in Buyer’s filings under the Securities Act or Exchange Act. Seller shall cooperate with Buyer in respect of the obtaining of any such relief.

Section 5.10 Post Closing Consents.

(a) Subsequent to the Closing, and subject to Section 2.13, Seller shall and shall cause its Affiliates to continue to use commercially reasonable efforts to obtain in writing as promptly as possible any consent, authorization or approval necessary or commercially advisable in connection with the Transaction which was not obtained on or before the Closing in form and substance reasonably satisfactory to Buyer.

(b) Without limiting Section 5.10(a), in the event that a Closing under this Agreement occurs without the receipt of all LFA Approvals, Buyer and Seller shall act in good faith to obtain any remaining LFA Approvals following the Closing. Until such time as all LFA Approvals have been obtained, Buyer covenants and agrees to use commercially reasonable efforts to satisfy all obligations of Seller or any of its Affiliates arising after the Closing under each Franchise agreement corresponding to a LFA Approval that has not been obtained. Buyer and Seller agree to enter into such arrangements as are reasonably necessary to cause Seller not to be in breach under each such Franchise agreement and to permit Buyer to receive the economic benefits of each such Franchise agreement.

(c) Buyer and Seller agree, assuming as set forth in Section 5.10(b) that all or substantially all of the economic benefits relating to a remaining Franchise inure to Buyer, (i) that any remaining Franchises described in Section 5.10(b) shall be treated for all income Tax purposes as Assets of Buyer as of the Closing and (ii) not to take, and to prevent any of their respective Affiliates from taking, any position inconsistent with such treatment for any income Tax purposes (unless required by a change in applicable income Tax Law or a good faith resolution of a contest).

Section 5.11 Bankruptcy Proceedings.

(a) Seller shall, as soon as reasonably practicable after the date hereof, but no later than 45 days hereafter, file with the Bankruptcy Court (i) a Disclosure Statement with respect to the Plan intended to meet the requirements of section 1125(b) of the Bankruptcy Code and this Section 5.11(a) (as amended from time to time in accordance with this Agreement, the "Disclosure Statement"), (ii) a motion to approve, among other things, the Disclosure Statement (the "Disclosure Statement Motion") and (iii) the Plan. Seller shall, and shall cause each of its Affiliates to, commence appropriate proceedings before the Bankruptcy Court and otherwise use commercially reasonable efforts to obtain approval of the Disclosure Statement and the Plan as expeditiously as possible. Seller shall, and shall cause its Affiliates to, provide in the Disclosure Statement a range of values determined by Seller after consultation with Buyer; provided, that the midpoint of such range shall equal the Aggregate Value of the Purchase Shares); provided, however, that, based on changes, events or circumstances first arising or occurring following the date hereof, Seller may, after consultation with Buyer and its counsel, change the midpoint, and the range in order that the statements contained in the Disclosure Statement in respect of the value of the Purchase Shares would not be misleading or result in a violation of any applicable Law by Seller. The Plan, any and all exhibits and attachments to the Plan, the Disclosure Statement, and the Disclosure Statement Motion and the orders approving the same (including the Confirmation Order), and any amendment or supplement to any of the foregoing, (A) to the extent affecting the terms of the Transaction, the Transferred Assets, the Assumed Liabilities, Buyer or its Affiliates (in the case of Buyer or its Affiliates, only to the extent related to the Transaction or an interest in the Transferred Joint Venture Parents (other than with respect to Plan distribution matters) and not in their capacity as creditors or, with respect to Plan distribution matters, equityholders), shall be in all material respects reasonably acceptable in form and substance to, and shall not be filed until consented to by, Buyer, which consent shall not be unreasonably withheld, (B) shall

not otherwise contain any provision (including any provision relating to the allocation of distributable proceeds among Seller's stakeholders), or otherwise have an effect, that would, individually or in the aggregate, reasonably be expected to materially impair or materially delay the Transaction; it being understood that any allocation of distributable proceeds that does not violate the absolute priority rule or any proposed waiver of the absolute priority rule as may be contemplated by the Plan that is reasonably expected to be consented to by the affected classes shall not be deemed to materially impair or materially delay the Transaction, (C) shall not contain any provision providing for an Alternate Plan, including the so-called "toggle plan", (D) shall not treat Buyer or its Affiliates, in their capacities as creditors or equityholders, in a discriminatory manner as compared to similarly classified stakeholders, (E) except to the extent expressly set forth herein, shall not modify, alter, amend or otherwise impair the rights of any of the Buyer JV Partners in their capacity as equity security holders (and not as holders of claims) set forth in the JV Documents or otherwise impair or alter the terms of any Joint Venture Securities and (F) without limiting the generality of the foregoing, in the case of the Confirmation Order, shall contain the finding that Buyer is a good faith purchaser of the Transferred Assets pursuant to section 363(m) of the Bankruptcy Code unless Buyer's actions which have been determined by the Bankruptcy Court to have not been in good faith preclude such a finding. Buyer shall refrain from taking any actions in connection herewith that are not in good faith (as determined by the Bankruptcy Court) and that would preclude a finding that Buyer is a good faith purchaser of the Transferred Assets pursuant to section 363(m) of the Bankruptcy Code. Seller shall provide Buyer and its counsel with copies of all material motions, applications, supporting papers and notices prepared by Seller (including forms of orders and notices to interested parties) relating in any way to the Disclosure Statement, the Plan or the Transaction prior to the filing of such documents and shall provide Buyer, to the extent practicable, with a reasonable opportunity to review and comment on same. Seller shall consult with Buyer prior to taking any action in or with respect to the Reorganization Case that could reasonably be expected, individually or in the aggregate, to (x) be inconsistent with this Agreement or the Transaction, (y) materially impair or materially delay the Transaction or (z) relate to any material information provided by Buyer for inclusion in the Disclosure Statement or have an adverse effect on the Transaction, the Transferred Assets, the Assumed Liabilities, Buyer or its Affiliates (in the case of Buyer or its Affiliates, only to the extent related to the Transaction or an interest in the Transferred Joint Venture Parents (other than with respect to Plan distribution matters) and not in their capacity as creditors or, with respect to Plan distribution matters, equityholders). Buyer shall provide Seller with all information concerning Buyer as is required (or, with respect to Systems to be received by Friendco or its Affiliates in the Exchange, reasonably advisable) to be included in the Disclosure Statement and is requested by Seller. Any information delivered by Buyer or Seller for inclusion in the Disclosure Statement will be intended to satisfy the requirements of section 1125(a) of the Bankruptcy Code.

(b) No later than 70 days prior to the Confirmation Hearing, Seller shall deliver to Buyer a true and complete list of all Contracts Related to each Specified Business (other than Programming Agreements but including retransmission consent agreements) entered into prior to such seventieth day (provided, that between such seventieth day and the Confirmation Hearing, Seller shall promptly update such list to reflect Contracts

Related to each Specified Business (other than Programming Agreements but including retransmission consent agreements) entered into during such period) which shall include the following, each of which must be satisfactory in form and substance to Buyer in its reasonable discretion: (i) a list of Contracts (other than Programming Agreements but including retransmission consent agreements) which Seller or any Affiliate has rejected pursuant to an order of the

Bankruptcy Court (the “Rejected Contracts”); (ii) a list of Contracts (other than Programming Agreements but including retransmission consent agreements) which Seller or any Affiliate has assumed pursuant to an order of the Bankruptcy Court; (iii) with respect to each such Contract that is not a Rejected Contract, (A) Seller’s good faith estimate of the Cure Costs in respect of such Contract, (B) Seller’s good faith estimate of the Rejection Claims in respect of such Contract and (C) whether such Contract was entered into on or following the Petition Date. No later than 40 days prior to the Confirmation Hearing, Buyer shall provide Seller with a list of Contracts to be assumed, if applicable, by Seller or any of its Affiliates and assigned by Seller or any of its Affiliates to Buyer (or, in the case of Contracts to which any Transferred Joint Venture Entity is party, assumed and retained by such Transferred Joint Venture Entity) with respect to each Specified Business (as further identified by Buyer pursuant to the provisions of this Section 5.11(b), the “Assigned Contracts”). As promptly as practicable following the determination of the Assigned Contracts by Buyer and in any event no later than 20 days prior to the Confirmation Hearing, Seller or its Affiliates, as the case may be, shall commence appropriate proceedings before the Bankruptcy Court and otherwise take all necessary actions in order to determine Cure Costs with respect to any Assigned Contract entered into prior to the Petition Date. Notwithstanding the foregoing, prior to the Closing, Buyer may identify (x) any Assigned Contract as one that Buyer no longer desires to have assigned to it (or retained by a Transferred Joint Venture Entity, as applicable) and such Contract shall for all purposes of this Agreement, including Section 5.11(d) and any Ancillary Agreement be deemed not to be an Assigned Contract and (y) any Contract entered into by Seller of any of its Affiliates following entry of the Confirmation Order that is Related to any Specified Business as an Assigned Contract and such Contract shall for all purposes of this Agreement be deemed to be an Assigned Contract. At the direction of Buyer, Seller shall or shall cause its Affiliates to, as the case may be, take all necessary actions and, if necessary, promptly commence appropriate proceedings before the Bankruptcy Court in order to effect the assumption of any Assigned Contract by Seller or any of its Affiliates and the assignment of such Contract to Buyer at the Closing (or, in the case of Assigned Contracts to which any Transferred Joint Venture Entity is party, the assumption and retention by such Transferred Joint Venture Entity) pursuant to the Plan. Following the Closing, Seller shall not, and shall cause each of its Affiliates not to, amend, modify, terminate or abrogate any Assigned Contract. Seller shall, and shall cause each of its Affiliates to, take all actions such that each OCB Contract that is not an Assigned Contract shall be terminated or rejected as of the Closing.

(c) Seller shall use its commercially reasonable efforts to make available to Buyer as promptly as practicable after the date hereof (or, in the case of Contracts entered into after the date hereof, as promptly thereafter as practicable) true and complete copies of each of the Contracts Related to each Specified Business (other than Programming Agreements but including retransmission consent agreements) and of each of the Contracts listed, or required to be listed, in Schedule 3.15(b) of the Seller Disclosure

106

Schedule, and true and complete summaries of the terms of any such oral Contracts; it being understood that, in any event, such copies and summaries shall be made available in respect of the Contracts listed on the list delivered pursuant to the first sentence of Section 5.11(b) no later than 70 days prior to the Confirmation Hearing.

(d) Other than the Assumed Cure Costs, Seller shall be liable for all Cure Costs, and Buyer shall have no Liability to any Seller Indemnified Party, the estate of Seller or any of its Affiliates or to any non-debtor party to any Contract in connection therewith; provided, however, that if the amount of the Cure Costs in respect of any Assigned Contract that is not an OCB Contract is greater than the amount that would be paid to the non-debtor party to such Contract on account of a Rejection Claim in respect of such Contract, taking into consideration the likely recovery on account of such Rejection Claim under the Plan (as Seller and Buyer mutually agree, or, in the absence of such agreement, as may be determined by the Bankruptcy Court), then such excess, but only such excess, shall be deemed to constitute an Assumed Cure Cost. Seller shall also be liable for all Claims, including Rejection Claims, in respect of any Contract that is not an Assigned Contract, and Buyer shall have no Liability to any Seller Indemnified Party, the estate of Seller or any of its Affiliates or to any non-debtor party to any such Contract in connection therewith; provided, however, that if the amount that would be paid to the non-debtor party to an OCB Contract that is not an Assigned Contract on account of a Rejection Claim in respect of such OCB Contract, taking into consideration the likely recovery on account of such Rejection Claim under the Plan, is greater than the Cure Costs with respect to such OCB Contract (in either case as Seller and Buyer mutually agree, or, in the absence of such agreement, as may be determined by the Bankruptcy Court), then, subject to such OCB Contract having been made available to Buyer for at least 70 days prior to the Confirmation Hearing (or, in the case of Contracts entered into after such seventieth day, as promptly thereafter as practicable), such excess, but only such excess, shall constitute an Assumed Liability. Subject to approval of the Bankruptcy Court (which approval Seller shall use commercially reasonable efforts to obtain), Buyer (or its designee) shall be entitled to assume and maintain control, on behalf of Seller and any of its Affiliates, of the litigation and settlement of any dispute over any Assumed Cure Costs with respect to any Franchise or, in respect of any OCB Contract, any Rejection Claim that is an Assumed Liability. Seller shall not, and shall cause each of its Affiliates not to, without the prior written consent of Buyer (not to be unreasonably withheld), settle, compromise or offer to settle or compromise any Liability in respect of (i) Cure Costs under such Assigned Contract that is not an OCB Contract or under any Franchise unless Seller shall have assumed all Liabilities in respect thereof and shall have agreed to release Buyer from all Liabilities in respect of any and all Cure Costs under such Assigned Contract or such Franchise or (ii) any Rejection Claim in respect of any OCB Contract unless Seller shall have assumed all Liabilities in respect thereof and shall have agreed to release Buyer from all Liabilities in respect of any and all Rejection Claims caused by or arising out of any such settlement or compromise and Seller shall consult with and, in each case, provide Buyer a meaningful opportunity to participate in any such litigation or settlement.

(e) Any motion, application or other court document filed with, and the proposed orders submitted to, the Bankruptcy Court seeking authorization to assume and assign or reject or terminate any Contracts Relating to any Specified Business or the

107

Business shall be provided to Buyer in advance of filing (with a reasonable opportunity to review and comment on same) and shall be in form and substance reasonably satisfactory to Buyer in all material respects. On or prior to the Closing, Seller shall, and shall cause its Affiliates to, cure any and all defaults and breaches under and satisfy (or with respect to any Assumed Liability or obligation that cannot be rendered non-contingent and liquidated prior to the Closing Date, make effective provision satisfactory to Buyer and the Bankruptcy Court for satisfaction from funds of Seller) any Liability (other than as to Assumed Cure Costs) arising from or relating to pre-Closing periods under the Assigned Contracts so that such Contracts may be assumed by Seller or its Affiliates and assigned to Buyer in accordance with the provisions of section 365 of the Bankruptcy Code and this Agreement. On or prior to the Closing, Seller shall, and shall cause its Affiliates to, pay or make adequate reserve for all Cure Costs other than the Assumed Cure Costs.

(f) Seller shall, and shall cause its Affiliates to, and Buyer shall, each use commercially reasonable efforts, and cooperate, assist and consult with each other, as promptly as practicable, to secure approval of the Disclosure Statement, confirmation of the Plan and consummation of the transactions contemplated by the Plan and this Agreement. Neither the Plan nor the Disclosure Statement nor any other material document relating to the transactions contemplated hereby shall be amended, modified, supplemented, withdrawn or revoked (i) if such amendment, modification, supplement, withdrawal or revocation affects the terms of the Transaction, the Transferred Assets, the Assumed Liabilities, Buyer or its Affiliates (in the case of Buyer or its Affiliates, only to the extent related to the Transaction or an interest in the Transferred Joint Venture Parents (other than with respect to Plan distribution matters) and not in their capacity as creditors or, with respect to Plan distribution matters, equityholders) without the consent of Buyer (provided, that such consent shall not be unreasonably withheld) or (ii) if such amendment, modification, supplement, withdrawal or revocation would contain or alter any provision (including as to the allocation of distributable proceeds among Seller's stakeholders), that would, individually or in the aggregate, reasonably be expected to materially impair or materially delay the Transaction. For the avoidance of doubt, the parties hereto acknowledge and agree that it would not be unreasonable for Buyer to decline to consent to any Plan modification which would require the payment of additional consideration by Buyer under the Plan or which would reduce or impair the Transferred Assets or increase the Assumed Liabilities.

(g) If an order, judgment or ruling of a court of competent jurisdiction in the Reorganization Case is entered denying entry of (or vacating), or that is inconsistent with the entry of, a Confirmation Order satisfying the condition set forth in Section 6.2(g), Seller and Buyer will cooperate and otherwise use commercially reasonable efforts to prosecute diligently the entry of a Confirmation Order satisfying the condition set forth in Section 6.2(g). If the Confirmation Order or any other orders of the Bankruptcy Court relating to this Agreement, the Disclosure Statement, the solicitation of acceptances of the Plan or confirmation of the Plan shall be appealed by any party (or a petition for certiorari or motion for reconsideration, amendment, clarification, modification, vacation, stay, rehearing or reargument shall be filed with respect to any such order), Seller and Buyer will cooperate in taking such steps to prosecute diligently such appeal, petition or motion, each of Seller and Buyer shall use commercially reasonable efforts to obtain an expedited

108

resolution of any such appeal, petition or motion and any expenses incurred by Seller in connection therewith shall be borne by Seller.

(h) Seller shall either (i) (A) cause the Subsidiaries of Seller listed on Schedule 5.11(h) of the Seller Disclosure Schedule or any other non-debtor Subsidiary of Seller that acquires Assets Related to the Acquired Business (the "Non-Debtor Subsidiaries") to file a petition for relief under chapter 11 of the Bankruptcy Code (the "Additional Reorganization Case"), (B) take all steps reasonably necessary to obtain approval by the Bankruptcy Court of the Transaction as it relates to the Non-Debtor Subsidiaries and (C) obtain an Additional Discharge for the Non-Debtor Subsidiaries, in each case as expeditiously as possible under the Bankruptcy Code and the Bankruptcy Rules, and in any event prior to Closing or (ii) subject to the prior approval of the Bankruptcy Court, cause each Non-Debtor Subsidiary to transfer any Assets of such Non-Debtor Subsidiary to a Debtor (other than a Transferred Joint Venture Entity) in exchange for payment of adequate consideration (provided, that such transfer shall be reasonably satisfactory to Buyer in all material respects and shall render such Assets subject to the Discharge) (such transfer, a "Non-Debtor Transfer"). Seller shall, and shall cause each Non-Debtor Subsidiary to, (x) provide Buyer and its counsel with copies of all material motions, applications, supporting papers and notices prepared by Seller or such Non-Debtor Subsidiary (including forms of orders and notices to interested parties) relating in any way to an Additional Reorganization Case or Non-Debtor Transfer prior to the filing of such documents and (y) provide Buyer, to the extent practicable, with a reasonable opportunity to review and comment on same. Seller shall, and shall cause each Non-Debtor Subsidiary to, consult with Buyer prior to taking any action in or with respect to any Additional Reorganization Case or Non-Debtor Transfer. For purposes of Sections 2.1, 2.3 and 2.5 (including any related definitions), unless otherwise directed in writing by Buyer (and only to the extent set forth in such writing), each Non-Debtor Subsidiary shall only be considered an Affiliate of Seller if and only to the extent such Non-Debtor Subsidiary shall have performed the actions and satisfied the requirements set forth in clause (i) or (ii) of this Section 5.11(h).

(i) Seller shall, and shall cause each of its Affiliates to, use commercially reasonable efforts to maintain the exclusive periods pursuant to section 1121(d) of the Bankruptcy Code during which the Debtors may file a plan or plans of reorganization and solicit acceptances thereof.

Section 5.12 Name of Business. Buyer shall cause the Acquired Business, within six months following the Closing Date, not to use or conduct business using any such terms, or other names, marks, logos or indicia of Seller, other than to use the name "Adelphia" to notify Persons of their name changes in connection with the Transaction. During such six month period such use shall be permitted consistent with past practices. The Business may, notwithstanding any expiration of such six month period, continue to use reproductions of such names or marks that are affixed to converters, remotes and other items already in use as of the Closing Date in customer homes or properties or that are already in use as of the Closing Date in similar fashion making such removal or discontinuation impracticable; provided that Buyer shall discontinue use of such items bearing such reproductions upon it

109

becoming reasonably practicable to do so (e.g., upon their return to Buyer or removal from service).

Section 5.13 Equipment Leases. Seller shall, and shall cause its Affiliates to, pay the remaining balances on any Equipment Leases and shall deliver title to all vehicles and Fixtures and Equipment covered by such Equipment Leases free and clear of all Encumbrances to Buyer at the Closing.

Section 5.14 Environmental Matters.

(a) Environmental Self-Audit. Seller shall provide copies of all correspondence, audits, assessments, agreements, proposals and other documentation relating to the Environmental Self-Audit to Buyer. Prior to the Closing Date, Seller shall cooperate and consult with Buyer in the (i) negotiation of any agreement with the United States Environmental Protection Agency or any other relevant Government Entity relating to the Environmental Self-Audit, (ii) development and negotiation of the scope of the Environmental Self-Audit and (iii) development and negotiation of corrective action and remedies with respect to the Environmental Self-Audit Deficiencies. In any agreement with the United States Environmental Protection Agency or any other relevant Government Entity entered into prior to the Closing Date with respect to the Environmental Self Audit, Seller shall not agree to any remedies that impose obligations to act or refrain from acting after the Closing Date except to the extent that such remedies (A) can be satisfied solely through the payment of monetary damages or (B) are reasonably acceptable to Buyer; provided, that Buyer shall not be required to agree to non-monetary obligations that could reasonably be expected to involve more than *de minimis* expenditures by Buyer or its Affiliates after the Closing.

(b) Property Transfer Laws. Seller shall take all actions required by the Connecticut Transfer Act and the New Jersey Industrial Site Recovery Act, to the extent such actions are required as a result of this Transaction, provided that Seller shall not take any actions or enter into any agreement relating to the Connecticut Transfer Act or the New Jersey Industrial Site Recovery Act that will impose binding obligations to act or refrain from acting after the Closing Date except to the extent that such remedies (i) can be satisfied solely through the payment of monetary damages or (ii) are reasonably acceptable to Buyer; provided, that Buyer shall not be required to agree to non-monetary obligations that could reasonably be expected to involve more than *de minimis* expenditures by Buyer or its Affiliates after the Closing.

(c) Notice and Information. If at any time prior to the Closing, any material environmental investigation, study, audit, test, review or other analysis in relation to any Owned Real Property or Transferred Asset is conducted, Seller shall (i) promptly notify Buyer thereof and (ii) subject to applicable Law, keep Buyer informed as to the progress of any such proceeding.

Section 5.15 SOA Compliance. Prior to the Closing, Seller shall use reasonable efforts, and shall cause its Affiliates and its and their respective representatives to use reasonable efforts, to take all actions that Buyer may reasonably request, and to

110

cooperate and to cause the representatives of Seller and its Affiliates to cooperate in the taking of such actions, to enable each Specified Business, immediately following the Closing, to satisfy the applicable obligations under Sections 302, 404 and 906 of the SOA and the other requirements of the SOA with respect to the Cable Systems, including establishing and maintaining adequate disclosure controls and procedures and internal controls over financial reporting as such terms are defined in the SOA; it being understood that Seller has material weakness in its internal controls.

Section 5.16 Franchise Expirations. From and after the date hereof until the Closing, Seller shall, and shall cause its Affiliates to, use commercially reasonable efforts to obtain renewals or valid extensions of any Franchises which expire on or before December 31, 2007, in the Ordinary Course of Business. Seller shall not, and shall cause its Affiliates not to, agree or accede to any material modifications or amendments to or in connection with, or the imposition of any material condition to the renewal or extension of, any of the Franchises that are not reasonably acceptable to Buyer determined in a manner consistent with the proviso to Section 5.3(c); provided, however, that if the LFA Approval in respect of such Franchise is not obtained in connection with any such renewal or extension (after Buyer has complied with its obligations under Section 5.3(c)) Seller shall only agree or accede to any such modifications or amendments that are reasonably acceptable to Buyer (without regard to the proviso to Section 5.3(c)). Upon reasonable prior notice, Seller shall, and shall cause its Affiliates to, allow representatives of Buyer to attend meetings and hearings before applicable Government Entities in connection with the renewal or extension of any Franchise or Governmental Authorization. Nothing in this Section 5.16 shall limit the obligations of Buyer or Seller pursuant to Section 5.3(c).

Section 5.17 Cooperation upon Inquiries as to Rates. If at any time prior to Closing, any Government Entity commences a Rate Regulatory Matter with respect to a Cable System, Seller shall (a) promptly notify Buyer and (b) subject to applicable Law, keep Buyer informed as to the progress of any such proceeding. Without the prior consent of Buyer, which consent shall not be unreasonably withheld or delayed, Seller shall not, and shall cause its Affiliates not to, settle any such Rate Regulatory Matter, either before or after Closing, if (i) Buyer or any of its Affiliates would have any Liability under such settlement other than an obligation to pay money in an amount not greater than \$50,000, which obligation is fully reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount, or (ii) such settlement would reduce the rates permitted to be charged by Buyer after the Closing below the rates set forth on Schedule 3.18 of the Seller Disclosure Schedule or otherwise then in effect.

Section 5.18 Third Party Confidentiality Agreements. After the Closing and for so long as reasonably necessary, Seller shall use reasonable efforts to, and shall cause its applicable Affiliates to use reasonable efforts to, enforce each confidentiality agreement entered into by Seller or any such Affiliate with any third party in connection with the Sale Process or otherwise in connection with the Reorganization Case (each, a "Third Party Confidentiality Agreement") on behalf of Buyer and its Affiliates to the extent such confidentiality agreement relates to the Acquired Business.

111

Section 5.19 Subscriber Reports. Within 30 days following the end of each calendar month commencing August 2005 through the Closing, Seller shall provide Buyer with a written report setting forth the following information with respect to each Specified Business as of the end of such calendar month: (a) the number of Basic Subscribers served by such Specified Business, (b) the number of Basic Subscribers in such Specified Business whose rate of service is subject to any discount or promotion (or rebates or similar programs) as of the subscriber cut off date for such calendar month and (c) the discounts or promotions (or rebates or similar programs) offered by such Specified Business during such calendar month, and the geographic areas in which each such discount or promotion (or rebate or similar program) is offered. Seller shall, in consultation with Buyer commencing as promptly as practicable following the date hereof, develop and, no later than 90 days prior to the Closing, implement, an accounting system reasonably acceptable to Buyer, (i) which would reasonably be expected to accurately track the number of Eligible Basic Subscribers (in accordance with the definition thereof) and (ii) the results of which are traceable to Seller's billing system and capable of being verified, using commercially reasonable efforts, as part of the computation of and resolution of disputes regarding the Subscriber Adjustment Amount pursuant to Section 2.8 (such accounting system, the "Subscriber Accounting System").

Section 5.20 Palm Beach Joint Venture. Notwithstanding anything herein to the contrary, the Palm Beach Joint Venture will be disregarded for purposes of calculating the Closing Adjustment Amount and the components thereof. If, prior to the Closing, the Palm Beach Joint Venture is liquidated, or Seller's or its Affiliate's interest therein is purchased, pursuant to the Investment Documents relating thereto, the proceeds received by Seller and its Affiliates therefrom will be treated as Condemnation Proceeds. Notwithstanding anything herein to the contrary, the Assets and Liabilities of the Palm Beach Joint Venture will not be transferred to or assumed by Buyer hereunder and neither Buyer nor any of its Affiliates (other than, after the Closing, the Palm Beach Joint Venture) shall have any Liability in respect thereof other than Liabilities of the direct holder of the Palm Beach Joint Venture as a result of such direct holder being a general partner of the Palm Beach Joint Venture. If none of the Group 2 Systems are transferred to Buyer at the Closing then, notwithstanding anything in Schedule 1.1(s)(i) of the Seller Disclosure Schedule to the contrary, the Palm Beach Joint Venture will be treated as part of the Group 1 Business for purposes of Article VII.

Section 5.21 Transitional Services. Seller shall provide to Buyer, with respect to each Specified Business, upon written request from Buyer received by Seller no later than 30 days prior to the Closing Date, such services as may be reasonably requested by Buyer in connection with the operation of such Specified Business for a commercially reasonable transition period following the Closing to allow for conversion of existing or replacement services, in each case to the extent and only to the extent Seller or its Affiliates retains the Assets and employees necessary to allow the provision of such services (“Transitional Services”). In addition, between the date hereof and the Closing, Seller shall use commercially reasonable efforts to cooperate with Buyer to assist Buyer in developing and implementing a plan of transition. Buyer shall promptly reimburse Seller for the reasonable out-of-pocket costs and any incremental costs and expenses necessary to provide Transitional Services. All other terms and conditions for the provision of

Transitional Services shall be reasonably satisfactory to both Buyer and Seller and subject to applicable Law.

Section 5.22 Western. No later than five Business Days prior to the Closing Date, Seller shall deliver to Buyer a list setting forth, to Seller’s Knowledge after reasonable inquiry, all Assets of Western and its Subsidiaries. If Buyer so elects, such election to be made no later than two Business Days prior to the Closing Date, the JV Interests in Western and the Joint Venture Securities of Western’s Subsidiaries, and all of their respective Assets, shall be designated as Excluded Assets, the Liabilities of Western shall be designated as Excluded Liabilities and each Contract to which Western is a party shall be treated as not an OCB Contract. If Buyer so elects, such election to be made no later than two Business Days prior the Closing Date, Buyer shall be entitled to shift in its reasonable discretion pro rata portions of the upper and lower limits of the Buyer Discharge Amount of Parnassos from Parnassos to Western.

Section 5.23 Excluded Books and Records. Following the date hereof and prior to the Closing, Seller shall institute a system that is reasonably satisfactory to Buyer and will permit a third party to readily identify Excluded Books and Records and to distinguish Excluded Books and Records from any other Books and Records.

ARTICLE VI

CONDITIONS TO CLOSING

Section 6.1 Conditions to the Obligations of Buyer and Seller. The obligations of the parties hereto to effect the Closing are subject to the satisfaction (or waiver by both parties) prior to the Closing of the following conditions; provided that if the failure to satisfy any condition set forth in this Section 6.1 is solely with respect to the Group 2 Business or the transactions contemplated herein with respect to the Group 2 Business, Buyer will be relieved only of the obligation to complete the Closing with respect to the Group 2 Business and the Purchase Price shall be reduced as if all the Group 2 Systems were Disputed MCE Systems:

Section 6.2 Conditions to the Obligation of Buyer. The obligation of Buyer to effect the Closing is subject to the satisfaction (or waiver by Buyer) prior to the Closing of the following conditions; provided that if Seller’s failure to satisfy any condition set forth in this Section 6.2 is solely with respect to the Group 2 Business or the transactions contemplated herein with respect to the Group 2 Business, Buyer will be relieved only of the obligation to complete the Closing with respect to Group 2 Business and the Purchase Price shall be reduced as if all the Group 2 Systems were Disputed MCE Systems.

(b) Covenants. Each of the covenants and agreements of Seller to be performed on or prior to the Closing shall have been duly performed in all material respects.

(c) Ancillary Agreements. Seller and its Affiliates shall have executed and delivered the Ancillary Agreements to which they are a party except (i) those Ancillary Agreements the failure of which to have been executed and delivered would not reasonably be expected, individually or in the aggregate, to impair the benefit of the

114

Transaction to Buyer (other than in a *de minimis* manner), taking into account Section 2.13, (ii) in respect of LFA Approvals not obtained as of the Closing and (iii) those Ancillary Agreements required to be delivered pursuant to Section 2.12(u) the failure of which to have been delivered would not reasonably be expected, individually or in the aggregate, to materially impair the benefit of the Transaction to Buyer.

(d) Certificate. Buyer shall have received a certificate, signed on behalf of Seller by the Chief Executive Officer or Chief Financial Officer of Seller, dated the Closing Date, to the effect that the conditions set forth in Sections 6.2(a), 6.2(b) and 6.2(f) have been satisfied.

Except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, all LFA Approvals shall have been obtained, and all Purchase Rights (other than in connection with the Exchange) shall have been waived, in respect of each Specified Business on or prior to the Closing; provided, that this condition shall be deemed not to have been satisfied until the earliest of (i) the date upon which this condition would be satisfied if the foregoing Material Adverse Effect exception were omitted, (ii) 30 days following the date the condition would have been satisfied but for this proviso and (iii) six Business Days prior to the Outside Date.

(f) No Material Adverse Change. Since the date of this Agreement, no event or condition has occurred that, individually or in the aggregate, has had or would reasonably be expected to have a Material Adverse Effect.

(g) Bankruptcy Plan and Confirmation Order. The Confirmation Order and the Plan confirmed by the Bankruptcy Court shall, to the extent relating to or affecting the Transaction, the Transferred Assets, the Assumed Liabilities, Buyer or its Affiliates (in the case of Buyer or its Affiliates, only to the extent related to the Transaction or an interest in the Transferred Joint Venture Parents (other than with respect to Plan distribution matters) and not in their capacity as creditors or, with respect to Plan distribution matters, equityholders), be in all material respects satisfactory to Buyer in its reasonable discretion and, without limiting the generality of the foregoing, the Confirmation Order shall contain the finding that Buyer is a good faith purchaser of the Transferred Assets pursuant to section 363(m) of the Bankruptcy Code unless Buyer's actions have been determined by the Bankruptcy Court to have not been in good faith preclude such a finding.

(h) Subscribers. At least 60 days prior to the Closing, Seller shall have implemented the Subscriber Accounting System. The number of Eligible Basic Subscribers served by each Specified Business (in the case of the Group 1 Specified Business, adjusted for minority interests in the same manner as in the definition of "Closing Subscriber Number") shall be at least equal to (i) the Base Subscriber Number for such Specified Business *minus* (ii) the Subscriber Basket for such Specified Business *minus* (iii) the Subscriber Cap for such Specified Business.

(k) Financial Information. Seller shall have provided Buyer with all Financial Information and the Additional Financial Statements contemplated by Section 5.9 (disregarding for this purpose all references therein to "commercially reasonable efforts") except to the extent Buyer has obtained relief from the SEC with respect thereto or has failed to comply with its obligations under Section 5.9(c).

Section 6.3 Conditions to the Obligation of Seller. The obligation of Seller to effect the Closing is subject to the satisfaction (or waiver by Seller) prior to the Closing of the following conditions:

(a) Representations and Warranties. The representations and warranties in Article IV that are qualified as to materiality shall be true and correct, and the representations and warranties in Article IV that are not so qualified shall be true and correct in all material respects, in each case, at the time made and as of the Closing Date as if made at and as of such time (except, in each case, to the extent expressly made as of an earlier date, in which case as of such earlier date).

(b) Covenants. Each of the covenants and agreements of Buyer to be performed on or prior to the Closing shall have been duly performed in all material respects.

(c) Ancillary Agreements. Buyer shall have executed and delivered the Ancillary Agreements to which it is a party except (i) those Ancillary Agreements the failure of which to have been executed and delivered would not reasonably be expected, individually or in the aggregate, to impair the benefit of the Transaction to Seller (other than in a *de minimis* manner), (ii) in respect of LFA Approvals not obtained as of the Closing and (iii) the Ancillary Agreements required to be delivered pursuant to Section

116

2.11(d)(xii) the failure of which to have been delivered would not reasonably be expected, individually or in the aggregate, to materially impair the benefit of the Transaction to Seller.

(d) Certificate. Seller shall have received a certificate, signed on behalf of Buyer by the Chief Executive Officer or Chief Financial Officer of Buyer, dated the Closing Date, to the effect that the conditions set forth in Sections 6.3(a) and 6.3(b) have been satisfied.

(e) Bankruptcy Plan and Confirmation Order. The Confirmation Order and the final Plan shall not differ in a manner that would be materially adverse to Seller and its Affiliates from the confirmation order and the Plan, respectively, proposed by Seller to the Bankruptcy Court in accordance with Section 5.11.

ARTICLE VII

SURVIVAL; INDEMNIFICATION; CERTAIN REMEDIES

Section 7.1 Survival. The representations and warranties of Buyer contained in this Agreement shall expire upon the Closing. The representations and warranties of Seller contained in this Agreement shall survive the Closing for the period set forth in this Section 7.1. Subject to Section 2.9(d), all representations and warranties made by Seller contained in this Agreement and all claims with respect thereto shall terminate upon the expiration of twelve months after the Closing Date (the "Buyer Indemnification Deadline"); it being understood that in the event notice of any claim for indemnification under this Article VII has been given (within the meaning of Section 9.1) prior to the Buyer Indemnification Deadline, the representations and warranties that are the subject of such indemnification claim shall survive with respect to such claim until such time as such claim is finally resolved.

Section 7.2 Indemnification by Seller.

(a) Seller hereby agrees that from and after the Closing it shall indemnify, defend and hold harmless Buyer, its Affiliates, and their respective directors, officers, shareholders, partners, members, attorneys, accountants, agents, representatives and employees (other than the Transferred Employees) and their heirs, successors and permitted assigns, each in their capacity as such (other than, in the case of clauses (i) and (ii), Buyer or any of its Affiliates solely in their capacity as direct or indirect holders of Joint Venture Securities prior to the Closing (but without limiting the definition of "Retained Claims") the "Buyer Indemnified Parties" and, together with the Seller Indemnified Parties, the "Indemnified Parties") from, against and in respect of any damages, losses, charges, Liabilities, claims, demands, actions, suits, proceedings, payments, judgments, settlements, assessments, deficiencies, taxes, interest, penalties, and costs and expenses (including removal costs, remediation costs, closure costs, fines, penalties and expenses of investigation and ongoing monitoring, reasonable attorneys' fees, and reasonable out of pocket disbursements) (collectively, "Losses") imposed on, sustained, incurred or suffered by, or asserted against, any of the Buyer Indemnified Parties,

117

whether in respect of third party claims, claims between the parties hereto, or otherwise, directly or indirectly relating to, arising out of or resulting from (i) subject to Section 7.2(b), any breach of any representation or warranty made by Seller contained in this Agreement for the period such representation or warranty survives, (ii) any breach of any covenant or agreement of Seller contained in this Agreement and (iii) any Excluded Asset or Excluded Liability (provided that the indemnification under this clause (iii) shall not permit Buyer or any of its Affiliates in their capacity as a direct or indirect holder of Joint Venture Securities prior to the Closing to make any claim against Seller to the extent an Excluded Liability was paid prior to Closing, except to the extent relating to a third party claim in respect thereto).

(b) Seller shall not be liable to the Buyer Indemnified Parties for any Losses with respect to the matters contained in Section 7.2(a)(i):

(i) until any such Losses in respect of the Group 1 Business exceed an aggregate amount equal to the Group 1 Threshold Amount, and then for all such Losses in excess of \$17,000,000, up to an aggregate amount not to exceed the Group 1 Cap Amount; provided, however, that the limitations herein regarding the Group 1 Threshold Amount shall not apply to the Class 1 Representations and Warranties; and

(ii) until any such Losses in respect of the Group 2 Business exceed an aggregate amount equal to the Group 2 Threshold Amount, and then for all such Losses in excess of \$3,000,000, up to an aggregate amount not to exceed the Group 2 Cap Amount; provided, however, that the limitations herein regarding the Group 2 Threshold Amount shall not apply to the Class 1 Representations and Warranties.

(c) Subject to Section 7.8, the Buyer Indemnified Parties shall be entitled to receive payment only from the Escrow Account with respect to any Liability of Seller for any Losses under Section 7.2(a) and, with respect to each Specified Business, only up to an aggregate amount not to exceed the Cap Amount applicable to such Specified Business. Notwithstanding anything to the contrary in this Agreement, Seller shall not be liable for any Losses that (i) are reflected in the Closing Net Liabilities Amount used in calculating the Final Adjustment Amount to the extent and only to the extent so reflected or (ii) have been actually discharged (or the functional equivalent thereof in terms of its effect on Buyer, each Specified Business, the Transferred Assets and the Assumed Liabilities) pursuant to the Discharge (or, as applicable, the MCE Discharge or an Additional Discharge) to the extent and only to the extent so discharged (or such functional equivalent).

Section 7.3 Indemnification by Buyer. Buyer hereby agrees that from and after the Closing it shall indemnify, defend and hold harmless Seller and its Affiliates, and their respective directors, officers, stakeholders, partners, members, attorneys, accountants, agents, representatives and employees and their heirs, successors and permitted assigns, each in their capacity as such (the "Seller Indemnified Parties") from, against and in respect of any Losses imposed on, sustained, incurred or suffered by, or asserted against, any of the Seller Indemnified Parties, whether in respect of third party claims, claims between the parties hereto, or otherwise, directly or indirectly relating to, arising out of or

118

resulting from (a) the Assumed Liabilities Related to each Specified Business, (b) any breach of a covenant or agreement of Buyer contained in this Agreement or (c) the Transferred Assets Related to each Specified Business, each Specified Business or the Transferred Employees to the extent attributable to the operation or ownership of the Transferred Assets Related to such Specified Business or such Specified Business, or the employment of the Transferred Employees following the Closing.

Section 7.4 Third Party Claim Indemnification Procedures.

(a) In the event that any written claim or demand for which an indemnifying party (an "Indemnifying Party") may have liability to any Indemnified Party hereunder is asserted against or sought to be collected from any Indemnified Party by a third party (a "Third Party Claim"), such Indemnified Party shall promptly, but in no event more than thirty days following such Indemnified Party's receipt of a Third Party Claim, notify the Indemnifying Party in writing of such Third Party Claim, the amount or the estimated amount of damages sought thereunder to the extent then ascertainable (which estimate shall not be conclusive of the final amount of such Third Party Claim), any other remedy sought thereunder, any relevant time constraints relating thereto and, to the extent practicable, any other material details pertaining thereto (a "Claim Notice"); provided, however, that the failure timely to give a Claim Notice shall not affect the rights of an Indemnified Party hereunder except to the extent that such failure has a material prejudicial effect on the defenses or other rights available to the Indemnifying Party with respect to such Third Party Claim. The Indemnifying Party shall have 15 days (or such lesser number of days set forth in the Claim Notice as may be required by court proceeding in the event of a litigated matter) after receipt of the Claim Notice (the "Notice Period") to notify the Indemnified Party that it desires to defend the Indemnified Party against such Third Party Claim; provided, however, that the Indemnifying Party shall not be entitled to assume or maintain control of the defense of any Third Party Claim and shall pay the fees and expenses of counsel retained by the Indemnified Party if (i) the Third Party Claim relates to or arises in connection with any criminal proceeding, action, indictment, allegation or investigation, (ii) the Third Party Claim seeks injunctive or equitable relief against the Indemnified Party, (iii) the Indemnifying Party has failed to defend or is failing to defend in good faith the Third Party Claim, (iv) the Indemnifying Party and the Indemnified Party are both named parties to the proceedings and the Indemnified Party shall have reasonably concluded that representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them or (v) in the case of a Buyer Indemnified Party, it is reasonably likely that the Losses arising from such Third Party Claim will exceed the amount such Buyer Indemnified Party will be entitled to recover as a result of the limitations set forth in Section 7.2(b); provided, further, that prior to assuming control of such defense, the Indemnifying Party must acknowledge that it would have an indemnity obligation for any Losses resulting from such Third Party Claim.

(b) In the event that the Indemnifying Party notifies the Indemnified Party within the Notice Period that it desires to defend the Indemnified Party against a Third Party Claim and subject to Section 7.4(a), the Indemnifying Party shall have the right to defend the Indemnified Party by appropriate proceedings and shall have the sole power to direct and control such defense at its expense. Once the Indemnifying Party has duly

119

assumed the defense of a Third Party Claim, the Indemnified Party shall have the right, but not the obligation, to participate in any such defense and to employ separate counsel of its choosing. Subject to Section 7.4(a), the Indemnified Party shall participate in any such defense at its expense. The Indemnifying Party shall not, without the prior written consent of the Indemnified Party, settle, compromise or offer to settle or compromise any Third Party Claim unless (i) the Indemnifying Party shall have agreed to indemnify and hold the Indemnified Party harmless from and against any and all Losses caused by or arising out of any such settlement or compromise, (ii) such settlement or compromise shall include as an unconditional term thereof the giving by the claimant of a release of the Indemnified Party, reasonably satisfactory to the Indemnified Party, from all Liability with respect to such Third Party Claim and (iii) such settlement or compromise would not result in (A) the imposition of a consent order, injunction or decree that would restrict the future activity or conduct of the Indemnified Party or any of its Affiliates, (B) a finding or admission of a violation of Law or violation of the rights of any Person by the Indemnified Party or any of its Affiliates, (C) a finding or admission that would have an adverse effect on other claims made or threatened against the Indemnified Party or any of its Affiliates, or (D) any monetary liability of the Indemnified Party that will not be promptly paid or reimbursed by the Indemnifying Party.

(c) If the Indemnifying Party (i) is not entitled to defend a Third Party Claim, (ii) elects not to defend the Indemnified Party against a Third Party Claim, whether by not giving the Indemnified Party timely notice of its desire to so defend or otherwise or (iii) after assuming the defense of a Third Party Claim, fails to take reasonable steps necessary to defend diligently such Third Party Claim within ten days after receiving written notice from the Indemnified Party to the effect that the Indemnifying Party has so failed, the Indemnified Party shall have the right but not the obligation to assume its own defense; it being understood that the Indemnified Party's right to indemnification for a Third Party Claim shall not be adversely affected by assuming the defense of such Third Party Claim. The Indemnified Party shall not settle a Third Party Claim for which the Indemnifying Party shall have monetary liability hereunder without the consent of the Indemnifying Party, which consent shall not be unreasonably withheld.

Section 7.5 Consequential Damages; Materiality; Interest. Notwithstanding anything to the contrary contained in this Agreement, no Person shall be liable under this Article VII for any consequential, punitive, special, incidental or indirect damages, including lost profits, except to the extent awarded by a court of competent jurisdiction in connection with a Third Party Claim, except to the extent the Loss arises out of an intentional or willful breach by the non-claiming party and the Loss was reasonably foreseeable. Any computation of Losses hereunder in respect of a breach of representation or warranty shall measure such Losses without giving effect to any qualifier for materiality or Material Adverse Effect set forth therein. Amounts payable in respect of any Losses under Section 7.2 or 7.3 shall bear interest at LIBOR calculated on a 365-day basis from the date notice of the Losses for which indemnification is sought was delivered until the date of payment of indemnification by the Indemnifying Party.

together with all accompanying reasonably detailed back up documentation, by wire transfer of immediately available funds from the Escrow Account, subject to the proviso to the last sentence in Section 2.8(f) with respect to the matters set forth in Section 2.8(f) (including as applied to any Group 2 System in accordance with Section 2.9(c)) in an amount equal to the Loss that is the subject of indemnification hereunder, unless the Indemnifying Party in good faith disputes the Loss, in which event it shall so notify the Indemnified Party. In any event, the Indemnifying Party shall pay to the Indemnified Party (i) in the case of a payment by Seller, by wire transfer of immediately available funds from the Escrow Account, subject to the proviso to the last sentence in Section 2.8(f) with respect to the matters set forth in Section 2.8(f) (including as applied to any Group 2 System in accordance with Section 2.9(c)) and (ii) in the case of a payment by Buyer, by wire transfer of immediately available funds, in each case in an amount equal to the amount of any Loss (and any interest thereon) for which it is liable hereunder no later than three days following any final determination of such Loss and the Indemnifying Party's liability therefor. A "final determination" shall exist when (A) the parties to the dispute have reached an agreement in writing, (B) a court of competent jurisdiction shall have entered a final and non appealable order or judgment, or (C) an arbitration or like panel shall have rendered a final non appealable determination with respect to disputes the parties have agreed to submit thereto.

Section 7.7 Characterization of Indemnification Payments. All payments made by an Indemnifying Party to an Indemnified Party in respect of any claim pursuant to this Article VII shall be treated as adjustments to the Purchase Price for all income Tax purposes but shall not affect the Escrow Amount (other than to the extent of any payment hereunder); provided, however, that any payments pursuant to this Article VII that represent interest payable under Section 7.5 shall be treated as (a) deductible to the Indemnifying Party and (b) taxable to the Indemnified Party. The parties agree to treat, and to cause their respective Affiliates to treat, any such payments in the foregoing manner, for all income Tax purposes (unless otherwise required by a change in applicable income Tax Law or as a result of a good faith resolution of a contest).

Section 7.8 Remedies. From and after the Closing, the rights and remedies of Seller and Buyer under this Article VII shall be exclusive and in lieu of any and all other rights and remedies which Seller and Buyer may have under this Agreement or otherwise against each other with respect to the Transaction for monetary relief with respect to (a) any breach of any representation or warranty or any failure to perform any covenant or agreement set forth in this Agreement, other than those which are intentional or willful and other than those in the (i) proviso to the last sentence in Section 2.8(f) (including as applied to any MCE System in accordance with Section 2.9(c)), and (ii) the Escrow Agreement and each MCE Management Agreement, and (b) the Assumed Liabilities or the Excluded Liabilities, and, except as set forth above, Buyer and Seller each expressly waives any and all other rights or causes of action it or its Affiliates may have against the other party or its Affiliates for monetary relief now or in the future under any Law with respect to the Transaction.

ARTICLE VIII

TERMINATION

Section 8.1 Termination by Mutual Consent. This Agreement may be terminated at any time prior to the Closing by mutual written agreement of Seller and Buyer.

Section 8.2 Termination by Either Buyer or Seller. This Agreement may be terminated at any time prior to the Closing by Buyer or Seller, by giving written notice of termination to the other party, if (a) subject to Section 2.10(b), the Closing shall not have occurred on or before July 31, 2006 (the "Outside Date") so long as the party proposing to terminate has not breached in any material respect any of its representations, warranties, covenants or other agreements under this Agreement in any manner that shall have proximately contributed to the failure of the Closing to so occur (such breaching party, a "Proximate Cause Party"); provided, however, that if any Government Antitrust Entity has not completed its review of the Transaction or the transactions contemplated by the Friendco Purchase Agreement by such time, or either party determines in good faith at such time that additional time is necessary in order to forestall any action to restrain, enjoin or prohibit the Transaction or the transactions contemplated by the Friendco Purchase Agreement by any Government Antitrust Entity, and, in either such case, all conditions set forth in Article VI (other than Section 6.1(d)) have been satisfied or waived in writing by the party entitled to the benefit thereof or are immediately capable of being satisfied, then in either such case, such date may be extended by either party to a date not beyond October 31, 2006 (the "Extended Outside Date") or (b) any Law (other than an order, judgment or ruling contemplated by Section 8.3(d) (ii) or Section 8.4(c)(ii)) permanently restraining, enjoining or otherwise prohibiting consummation of the Transaction shall become final and non-appealable.

Section 8.3 Termination by Seller. This Agreement may be terminated at any time prior to the Closing by Seller, by written notice to Buyer:

(a) prior to the commencement of the Confirmation Hearing, if (i) as of the date of such termination, Seller is not in breach of Section 5.8, (ii) the Board authorizes Seller, subject to complying with the terms of this Agreement, to enter into a binding written agreement concerning a transaction that constitutes a Superior Proposal and Seller notifies Buyer in writing that it intends to enter into such an agreement, attaching the most current version of such agreement (and all related agreements) to such notice (provided, that if such intention changes Seller shall promptly notify Buyer of that fact) and (iii) Buyer does not make, within five Business Days of receipt of Seller's written notification of its intention to enter into a binding agreement for a Superior Proposal, an offer which, thereafter, the Board determines, in good faith after consultation with its financial advisors, is at least as favorable to the stakeholders of Seller as is the Superior Proposal (taking into account, without limitation, financial terms of any termination fee that may be payable pursuant to Section 8.5(b) and the likelihood of consummation);

122

(b) if there has been a breach of any representation, warranty, covenant or agreement made by Buyer in this Agreement such that an executive officer of Buyer would be unable to deliver the closing certificate to Seller regarding Buyer's representations and warranties and Buyer's performance of its obligations as required pursuant to Section 6.3(a) and Section 6.3(b), respectively, and such breach or condition is not curable or, if curable, is not cured within 60 days after written notice thereof is given by Seller to Buyer; provided, however, that if, with respect to any such breach or condition that cannot reasonably be expected to be cured within 60 days, Buyer is diligently proceeding to cure such breach, this Agreement may not be terminated pursuant to this Section 8.3(b) for so long as (i) such breach is reasonably likely to be cured prior to the date on which this Agreement would otherwise be terminated under Section 8.2 and (ii) Buyer continues such efforts to cure; provided, further, that the right to terminate this Agreement pursuant to this Section 8.3(b) shall not be available to Seller if as of such time it is a Proximate Cause Party;

(c) prior to the commencement of the Confirmation Hearing, if (i) as of the date of such termination, Seller is not in breach of Section 5.8, (ii) the Board authorizes Seller to file a Superior Alternate Plan with the Bankruptcy Court and Seller notifies Buyer in writing that it intends to file such Superior Alternate Plan, attaching the most current version of such Superior Alternate Plan (and all related agreements and supporting documentation) to such notice (provided, that if such intention changes Seller shall promptly notify Buyer of that fact) and (iii) Buyer does not make, within ten Business Days of receipt of Seller's written notification of its intention to file a Superior Alternate Plan, an offer which, thereafter, the Board determines, in good faith after consultation with its financial advisors, is at least as favorable to the stakeholders of Seller as is the Superior Alternate Plan (taking into account, without limitation, financial terms of any termination fee that may be payable pursuant to Section 8.5(b) and the likelihood of consummation); or

(d) if (i) at any time after the conclusion of voting on the Plan as established by the Bankruptcy Court, Seller's stakeholders who are entitled to vote on the Plan vote in sufficient number and amount against the Plan such that the Plan is not otherwise capable of being confirmed by the Bankruptcy Court or (ii) subject to compliance by Seller with the first sentence of Section 5.11(g), at any time after the expiration of 150 days following the entry of an order, judgment or ruling by a court of competent jurisdiction in the Reorganization Case denying entry of (or vacating, or that is inconsistent with the entry of, a Confirmation Order satisfying the condition set forth in Section 6.2(g), the Bankruptcy Court shall not have thereafter entered a Confirmation Order satisfying the condition set forth in Section 6.2(g); provided, however, that Seller may only terminate this Agreement pursuant to this Section 8.3(d)(ii) if at such time it would not reasonably be expected that a Confirmation Order satisfying the condition set forth in Section 6.2(g) shall be entered prior to the Outside Date.

Section 8.4 Termination by Buyer. This Agreement may be terminated at any time prior to the Closing by Buyer, by written notice to Seller:

(a) if there has been a breach of any representation, warranty, covenant or agreement made by Seller in this Agreement (assuming entry of the Confirmation Order)

123

such that an executive officer of Seller would be unable to deliver the closing certificate to Buyer regarding Seller's representations and warranties and Seller's performance of its obligations as required pursuant to Section 6.2(a) and Section 6.2(b), respectively, and such breach is not curable or, if curable, is not cured within 60 days after written notice thereof is given by Buyer to Seller; provided, however, that if, with respect to any such breach or condition that cannot reasonably be expected to be cured within 60 days, Seller is diligently proceeding to cure such breach, this Agreement may not be terminated pursuant to this Section 8.4(a) for so long as (i) such breach is reasonably likely to be cured prior to the date on which this Agreement would otherwise be terminated under Section 8.2 and (ii) Seller continues such efforts to cure;

(b) if (i) Seller has not, by October 15, 2005, filed all motions reasonably necessary to obtain the Confirmation Order or (ii) if the Protections Order is vacated or modified in any material respect following the date hereof (**except as modified pursuant to the order of the Bankruptcy Court entered on June 16, 2006**);

(c) if (i) at any time after the conclusion of voting on the Plan as established by the Bankruptcy Court, Seller's stakeholders who are entitled to vote on the Plan vote in sufficient number and amount against the Plan such that the Plan is not otherwise capable of being confirmed by the Bankruptcy Court or (ii) subject to compliance by Buyer with the first sentence of Section 5.11(g), at any time after the expiration of 150 days following the entry of an order, judgment or ruling by a court of competent jurisdiction in the Reorganization Case denying entry of (or vacating), or that is inconsistent with the entry of, a Confirmation Order satisfying the condition set forth in Section 6.2(g), the Bankruptcy Court shall not have thereafter entered a Confirmation Order satisfying the condition set forth in Section 6.2(g); provided, however, that Buyer may only terminate this Agreement pursuant to this Section 8.3(c)(ii) if at such time it would not reasonably be expected that a Confirmation Order satisfying the condition set forth in Section 6.2(g) shall be entered prior to the Outside Date; or

(d) following (i) the conversion of the Reorganization Case into one or more cases under chapter 7 of the Bankruptcy Code or (ii) the appointment of a chapter 11 trustee in the Reorganization Case;

provided, however, that the right to terminate this Agreement pursuant to Section 8.4(a), (b) or (c) shall not be available to Buyer if as of such time it is a Proximate Cause Party.

Section 8.5 Effect of Termination.

(a) In the event of the termination of this Agreement in accordance with Article VIII, this Agreement shall thereafter become void and have no effect, and no party hereto shall have any Liability to the other party hereto or their respective Affiliates, or their respective directors, officers or employees, except for the obligations of the parties hereto contained in this Section 8.5, the last sentence of Section 5.22 and in Sections 9.1, 9.4, 9.6, 9.7, 9.10, 9.11 and 9.13 (and any related definitional provisions set forth in Article I), and except that nothing in this Section 8.5 shall relieve any party from liability for any willful breach of this Agreement that arose prior to such termination.

124

(b) In the event that (i) this Agreement is terminated by Seller pursuant to Section 8.2(a) prior to the entry of a Confirmation Order satisfying the condition set forth in Section 6.2(g) which has not been vacated by a court of competent jurisdiction and Buyer is not a Proximate Cause Party as of the date of such termination or (ii) this Agreement is terminated (A) by Seller pursuant to Sections 8.3(a), 8.3(c) or 8.3(d) or (B) by Buyer pursuant to Section 8.4(a) (but, with respect to the representations and warranties of Seller, only in the case of a willful breach by Seller), 8.4(b) or 8.4(c) except, in the case of this clause (ii)(B), in the event that Buyer is a Proximate Cause Party as of the date of such termination, then Seller shall pay Buyer, by wire transfer of immediately available funds, a termination fee of \$87,500,000 payable upon the earlier of consummation of an Acquisition or the effective date of a chapter 11 plan of Seller and/or one or more of its Affiliates approved by the Bankruptcy Court, which plan involves a substantial portion of the Assets of Seller and its Affiliates.

(c) The obligation of Seller to pay the amount payable under Section 8.5(b) (and the payment thereof) shall be absolute and unconditional; such payment shall be an administrative expense under section 507(a)(1) of the Bankruptcy Code and shall be payable as specified herein and not subject to any defense claim, counterclaim, offset, recoupment, or reduction of any kind whatsoever.

Section 9.2 Amendment; Waiver. Any provision of this Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and signed, in the case of an amendment, by Buyer and Seller, or in the case of a waiver, by the party against whom the waiver is to be effective. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by Law except as otherwise specifically provided in Article VII.

Section 9.3 No Assignment or Benefit to Third Parties. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, legal representatives and permitted assigns. No party to this Agreement may assign any of its rights or transfer or delegate any of its obligations under this Agreement, by operation of Law or otherwise, without the prior written consent of the other party hereto, except, in whole or in part, (a) as provided in Section 9.5, (b) with respect to Seller's rights and obligations, [following the Closing to any entity] **to a limited number of entities acting on behalf of Seller's estate [(provided, that no) that are designed by Seller and reasonably acceptable (including in terms of the number of entities and the form and identity of each such entity) to the Buyer (each a**

“Permitted Assignee”); provided that (i) each such Permitted Assignee shall agree in writing to be bound by the obligations and Liabilities of the Seller set forth in this Agreement and (ii) such assignment by Seller under this [clause (b) will relieve Seller of its Liabilities hereunder)] Section 9.3 shall not relieve Seller of any of its obligations or Liabilities under this Agreement unless Seller provides the Buyer with a guarantee of the obligations and Liabilities of such Permitted Assignee under this Agreement that is in form and substance reasonably acceptable to the Buyer, (c) to Friendco under the Exchange Agreement (provided, that in the event of any such assignment (i) and only so long as Friendco does not provide any Excluded Books and Records to Buyer or any of its Affiliates, the Books and Records shall be deemed to include the Excluded Books and Records, the final proviso to the definition of “Books and Records” shall be deemed deleted and upon request of Buyer the Excluded Books and Records will be delivered to Friendco and (ii) Friendco shall not be entitled to any Retained Claims or the proceeds thereof) and (d) by Buyer to one or more direct or indirect wholly owned Subsidiaries of Buyer (provided, that Buyer identifies such Subsidiary and the rights and obligations to be assigned on or before Closing; provided, further, that no such assignment by Buyer to a wholly owned Subsidiary under this clause (d) will relieve Buyer of its Liabilities hereunder). Any assignment or transfer permitted hereunder shall be evidenced in writing signed by the assignor and assignee, a copy of which shall be delivered to the other party hereto. **In connection with any assignment by Seller of its rights and obligations under the Friendco Purchase Agreement to any Permitted Assignees (as defined in the Friendco Purchase Agreement), such Permitted Assignees (as defined in the Friendco Purchase Agreement) will agree, in form and substance reasonably acceptable to Buyer, to be bound by and liable for Seller's obligations and Liabilities hereunder; provided, that no such agreement will relieve Seller of any of its obligations or Liabilities hereunder. In connection with any assignment, transfer or delegation by Buyer to Friendco as permitted above, Buyer shall be relieved of any Liability so assigned, transferred or delegated, to the extent Seller has the right to enforce in full against Friendco any such Liability. Nothing in this Agreement, express or implied, is intended to confer upon any Person other than Buyer, Seller, the Indemnified Parties and their respective successors, legal representatives and permitted assigns, any rights or remedies under or by reason of this Agreement.**

Section 9.4 Entire Agreement. This Agreement (including all Schedules and Exhibits) and the Ancillary Agreements executed as of the date hereof contain the entire agreement between the parties hereto with respect to the subject matter hereof and thereof and supersede all prior agreements and understandings, oral or written, with respect to such matters, except for the Buyer Confidentiality Agreement and the Seller Confidentiality Agreement, which shall remain in full force and effect except as otherwise provided herein.

Section 9.5 Debtor Obligations Joint and Several; Fulfillment of Obligations. Seller shall, and shall cause each of its Affiliates to, cause each and every Debtor, including each that is an Asset Transferring Subsidiary hereunder, to agree for the benefit of Buyer, except to the extent any Liability is limited to the Escrow Account as a result of the limitations set forth in Article VII, to be jointly and severally liable for any breach or violation of Seller's representations, warranties or covenants hereunder and to execute and deliver such Contracts and take such further action as may be reasonably requested by

127

Buyer to evidence the intent and effect of the foregoing (including, for the avoidance of doubt, the inclusion, except to the extent any Liability is limited to the Escrow Account as a result of the limitations set forth in Article VII, of an express undertaking of such joint and several liability in the Plan). Any obligation of any party to any other party under this Agreement, or any of the Ancillary Agreements, which obligation is performed, satisfied or fulfilled completely and without any adverse legal implications to the obligee, by an Affiliate of such party, shall be deemed to have been performed, satisfied or fulfilled by such party.

Section 9.6 Public Disclosure. Notwithstanding anything to the contrary contained herein, no press release or similar public announcement or communication shall be made or caused to be made relating to this Agreement and the Transaction unless specifically approved in advance by both parties hereto, except that a party hereto may issue any press release or make any public announcement or communication relating to this Agreement and the Transaction that may be required by any applicable Law (including any listing requirement) without such approval if, to the extent practicable, such party has used commercially reasonable efforts to obtain the approval of the other party before issuing such press release or making such public announcement or communication.

Section 9.7 Expenses. Except as otherwise expressly provided in this Agreement, whether or not the Closing occurs, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be borne by the party incurring such costs and expenses.

Section 9.8 Schedules. The disclosure of any matter in any Section relating to representations of the Seller Disclosure Schedule or the Buyer Disclosure Schedule shall not be deemed to constitute an admission by Seller or Buyer or to otherwise imply that any such matter is material for the purposes of this Agreement, unless the inclusion of such matter in such Schedule is required to make the representation true. A matter set forth in one Schedule of the Seller Disclosure Schedule or Buyer Disclosure Schedule pertaining to Article III or IV, as applicable, need not be set forth in any other Schedule of such disclosure schedule pertaining to Article III or IV, as applicable, or on a Schedule corresponding to any other Section of Article III or IV, as applicable, so long as its relevance to such other Schedule or Section is readily apparent on the face of the information so disclosed. A matter set forth in one Schedule of the Seller Disclosure Schedule or Buyer Disclosure Schedule pertaining to Article V (which shall in no event address matters occurring prior to the date hereof) need not be set forth on a Schedule corresponding to any Section of Article III or IV, as applicable, so long as (a) its relevance to such other Schedule or Section is readily apparent on the face of the information so disclosed and (b) such matter does not qualify the representations and warranties set forth in Articles III or IV, as applicable, to the extent such representations and warranties are made as of the date hereof or as of another specific date prior to the date hereof. No later than ten Business Days prior to the Closing, Seller may deliver to Buyer an update to Schedule 3.8(a) and Schedule 3.8(b) of the Seller Disclosure Schedule but only in respect of matters that will be discharged (or the functional equivalent thereof in terms of its effect on Buyer, each Specified Business, the Transferred Assets and the Assumed Liabilities) pursuant to the Discharge (or, as applicable, the MCE Discharge or an Additional

Discharge) but arise from actions, omissions or circumstances continuing as of the Closing. No matter added to Schedule 3.8(a) or Schedule 3.8(b) of the Seller Disclosure Schedule pursuant to the preceding sentence will be treated as set forth on any other Schedule as a result of the second sentence of this Section 9.8. When an area is set forth on one Schedule A Part as a primary Cost Center and another Schedule A Part as a non-primary Cost Center, the following shall apply in determining the Systems and System Group to which it relates: (i) for the Schedule A Part with respect to which such area is the primary Cost Center, such Schedule will be deemed to exclude the Subscribers, and Assets primarily related to those Subscribers, included in the applicable non-primary Cost Center(s) and (ii) for any given Schedule A Part with respect to which such area is a non-primary Cost Center, such Schedule A Part will be deemed to include only the Subscribers, and Assets primarily related to those Subscribers, included in the applicable non-primary Cost Center.

Section 9.9 Bulk Sales. Seller and Buyer agree to waive compliance with Article 6 of the Uniform Commercial Code as adopted in each of the jurisdictions in which any of the Transferred Assets are located to the extent that such Article is applicable to the transactions contemplated hereby.

Section 9.10 Governing Law; Submission to Jurisdiction; Selection of Forum; Waiver of Trial by Jury. THE AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW. Each party hereto agrees that it shall bring any action or proceeding in respect of any claim arising out of or related to this Agreement or the transactions contained in or contemplated by this Agreement and the Ancillary Agreements, exclusively in (a) the Bankruptcy Court so long as the Reorganization Case remains open and (b) after the completion of the Reorganization Case or in the event that the Bankruptcy Court determines that it does not have jurisdiction, the United States District Court for the Southern District of New York or any New York State court sitting in New York City (together with the Bankruptcy Court, the "Chosen Courts"), and solely in connection with claims arising under this Agreement or the transactions that are the subject of this Agreement or any of the Ancillary Agreements (i) irrevocably submits to the exclusive jurisdiction of the Chosen Courts, (ii) waives any objection to laying venue in any such action or proceeding in the Chosen Courts, (iii) waives any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any party hereto and (iv) agrees that service of process upon such party in any such action or proceeding shall be effective if notice is given in accordance with Section 9.1. Seller irrevocably designates The Corporation Trust Company as its agent and attorney-in-fact for the acceptance of service of process and making an appearance on its behalf in any such claim or proceeding and for the taking of all such acts as may be necessary or appropriate in order to confer jurisdiction over it before the Chosen Courts and Seller stipulates that such consent and appointment is irrevocable and coupled with an interest. Each party hereto irrevocably waives any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

Section 9.11 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same Agreement.

Section 9.12 Headings. The heading references herein and the table of contents hereof are for convenience purposes only, and shall not be deemed to limit or affect any of the provisions hereof.

Section 9.13 Severability. The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

Section 9.14 Specific Enforcement. The parties agree that irreparable damage would occur and that the parties would not have any adequate remedy at Law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of Section 5.8 or Article VIII and to enforce specifically the terms and provisions of such Sections and, following entry of the Confirmation Order, the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, such rights being in addition to any other remedy to which the parties are entitled at Law or in equity. The parties waive any requirement for security or the posting of any bond or other surety in connection with any temporary or permanent award or injunctive, mandatory or other equitable relief.

IN WITNESS WHEREOF, the parties have executed or caused this Agreement to be executed as of the date first written above.

SALE OF REGISTRABLE SECURITIES; TRANSFER RESTRICTIONS

2.1 Sale of Registrable Securities.

(a) General. The Stockholder hereby agrees to Transfer or cause the Transfer of Registrable Securities solely in accordance with and subject to the terms and conditions set forth in this Agreement.

(b) Initial Sale. Subject to the Initial Registration Statement having been declared effective by the Commission:

8

(i) the Issuer and the Stockholder, together with the Managing Underwriters, shall jointly determine when the Initial Sale Commencement Date shall occur; it being understood that (A) such date shall be no later than such time as would be necessary to have the Initial Sale occur by the Initial Sale Deadline and (B) the Issuer and the Stockholder shall cooperate in good faith to ensure that such date shall be mutually beneficial to the Stockholder and the Issuer; and

(ii) no later than three months after the date on which the Initial Registration Statement is declared effective by the Commission (the “Initial Sale Deadline”), the Stockholder shall, pursuant to the Initial Registration Statement, sell all of the Initial Registrable Securities pursuant to a single firm-commitment underwritten public offering (the “Initial Sale”); provided, however, that such three month period shall be extended for a period of time equal to the length of: (A) any Blackout Period; plus (B) the number of days that elapse from (1) the date any written notice contemplated by Section 6.3(a) is given by the Issuer to (2) the date on which the Issuer delivers to the Stockholder the supplement or amendment contemplated by Section 6.3(a) or the date on which a supplement or amendment contemplated by Section 6.3(a) is no longer necessary; plus (C) a period of time of up to three months to the extent that the Majority Managing Underwriters determine that the offering should be delayed due to market conditions; plus (D) a period of time of up to three months to the extent the Majority Managing Underwriters determine that any material event at the Issuer has occurred that would reasonably be expected to adversely affect the offering price of the Initial Registrable Securities in any material respect relative to what the offering price would be expected to be in the absence of such extension; plus (E) the period during which a stop order issued by the Commission is in effect; provided, further, that in addition to any extension described above, the Stockholder may delay the Initial Sale no more than once (unless such delay is immediately followed by an extension described in clause (A), (B), (C), (D) or (E) above, in which case the Stockholder may, pursuant to this proviso, delay the Initial Sale one additional time for each separate delay period or one or more of the extensions described in clauses (A), (B), (C), (D) or (E) above is in effect) and by up to seventy-two hours if (x) such delay would not require any additional sales efforts by the Issuer and (y) the Managing Underwriters unanimously agree that such delay will not adversely affect the offering or the Initial Sale. The parties acknowledge and agree that any extension or delay described above shall begin to run upon its occurrence regardless of whether a prior extension is in effect.

2.2 Grant of Rights. The Issuer hereby grants registration rights to the Stockholder upon the terms and conditions set forth in this Agreement.

2.3 Transfer Restrictions. Except as expressly provided for in this Agreement and subject to any Lock-up Agreements, the Stockholder shall not, directly or indirectly, Transfer any Registrable Securities.

2.4 Rule 144 Sales. Following the completion of the Initial Sale and subject to any Lock-up Agreements, the Stockholder may effect a Transfer of any of the

9

remaining Registrable Securities then held by the Stockholder pursuant to Rule 144 under the Securities Act.

2.5 Transfers to and from Escrow Agent. The Stockholder may Transfer Registrable Securities to and from the Escrow Agent pursuant to the Escrow Agreement.

2.6 Transfer under Section 1145 Exemption. Subject to any Lock-up Agreements, the Stockholder may effect a Transfer of Registrable Securities to the Adelpia Claimants pursuant to the Section 1145 Exemption.

2.7 Transfer pursuant to SEC/DOJ Settlement. The Stockholder may Transfer Registrable Securities to the United States pursuant to the SEC/DOJ Settlement.

ARTICLE III

REPRESENTATIONS AND WARRANTIES

3.1 Certain Acknowledgments of the Stockholder. The Stockholder acknowledges that all Registrable Securities will be issued pursuant to an exemption from registration under the Securities Act and applicable state securities laws and agrees not to Transfer such Registrable Securities in any transaction which would be in violation of the Securities Act or applicable state securities law. The Stockholder acknowledges that the following legend will appear on the certificates for the Registrable Securities reflecting the foregoing restriction. The Issuer shall, at the request of the Stockholder, remove from each certificate evidencing Registrable Securities the following legend if the Registrable Securities are being Transferred pursuant to a Registration Statement or distributed to the Adelpia Claimants pursuant to the Section 1145 Exemption or if the Issuer is reasonably satisfied (based upon an opinion of counsel or other evidence) that the securities evidenced thereby may be publicly sold without registration under the Securities Act; provided, however, that the Issuer or Issuer’s counsel shall not be required to deliver an opinion of counsel to the effect that the securities evidenced thereby may be publicly sold without registration under the Securities Act unless Stockholder Counsel shall have delivered an opinion, upon which the Issuer and Issuer’s counsel are entitled to rely, to the effect that the securities evidenced thereby may be publicly sold without registration under the Securities Act.

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, THE SECURITIES OR “BLUE SKY” LAWS OF ANY STATE OR ANY OTHER SECURITIES LAWS. SUCH SECURITIES MAY NOT BE OFFERED, SOLD, TRANSFERRED, PLEDGED, HYPOTHECATED, OR OTHERWISE ASSIGNED, EXCEPT (I) PURSUANT TO A REGISTRATION STATEMENT WITH RESPECT TO SUCH SECURITIES WHICH IS EFFECTIVE UNDER ALL APPLICABLE SECURITIES LAWS, OR (II) UPON THE FURNISHING TO TIME WARNER CABLE INC. BY THE

HOLDER OF THIS CERTIFICATE OF AN OPINION OF COUNSEL OR OTHER EVIDENCE REASONABLY ACCEPTABLE TO TIME WARNER CABLE INC. THAT SUCH SECURITIES ARE NOT REQUIRED TO BE REGISTERED UNDER APPLICABLE SECURITIES LAWS.”

3.2 Representations and Warranties of the Stockholder. The Stockholder hereby represents and warrants to the Issuer as follows:

(a) Power, Binding Agreement. The Stockholder is a corporation duly organized, validly existing and in good standing under the laws of Delaware. The Stockholder has all requisite corporate power and authority to enter into this Agreement. The execution, delivery and performance by the Stockholder of this Agreement have been duly and validly authorized and no additional corporate, shareholder or similar authorization or consent is required in connection with the execution, delivery and performance by the Stockholder of this Agreement. This Agreement constitutes a valid and legally binding obligation of the Stockholder and (assuming due execution and delivery by the other parties hereto) is enforceable in accordance with its terms except as the indemnification and contribution provisions contained in Article VII may be held to be unenforceable as against public policy.

(b) No Conflicts.

(i) The execution, delivery and performance by the Stockholder of this Agreement does not, and the consummation by the Stockholder of the transactions contemplated by this Agreement will not, (A) violate any provision of the charter, by-laws or other organizational document of the Stockholder, (B) conflict with, or result in any violation or breach of, or constitute (with or without notice or lapse of time, or both) a default (or give rise to a right of termination, cancellation, modification or acceleration of any right or obligation) under, require a consent or waiver under, constitute a change in control under, or result in the imposition of any lien on the Stockholder’s assets under, any of the terms, conditions or provisions of any note, bond, mortgage, indenture, lease, license, contract, agreement or instrument to which the Stockholder is a party or by which it or any of its properties or assets may be bound, or (C) conflict with or violate any permit, concession, franchise, license, judgment, injunction, order, decree, statute, law, ordinance, rule or regulation applicable to the Stockholder or any of its properties or assets, except in the case of clauses (B) and (C) of this Section 3.2(b)(i) for any such conflicts, violations, breaches, defaults, terminations, cancellations, accelerations or liens as would not, individually or in the aggregate, have a material adverse effect on the ability of the Stockholder to consummate the transactions contemplated by this Agreement or the effectiveness of any Registration Statement.

(ii) No consent, approval, license, permit, order or authorization of, or registration, declaration, notice or filing with, any Governmental Entity or any other Person is required by or with respect to the Stockholder in connection with the execution, delivery and performance of this Agreement by the Stockholder or the consummation by the Stockholder of the transactions contemplated by this Agreement,

other than the approval by the Bankruptcy Court (which approval has been obtained as of the date hereof) and, with respect to any Registration or Incidental Registration, the filings and other actions required by the Securities Act, the Exchange Act, the rules of any stock exchange or automated quotation system on which the Registrable Securities are to be listed, the rules of any self-regulatory organization and state securities or “blue sky” laws, and except for any such consents, approvals, licenses, permits, orders or authorization, registration, declaration, notices or filings as would not, individually or in the aggregate, have a material adverse effect on the ability of the Stockholder to consummate the transactions contemplated by this Agreement or the effectiveness of any Registration Statement.

3.3 Representations and Warranties of the Issuer. The Issuer hereby represents and warrants to the Stockholder as follows:

(a) Power, Binding Agreement. The Issuer is a corporation duly organized, validly existing and in good standing under the laws of Delaware. The Issuer has all requisite corporate power and authority to execute and deliver this Agreement and to perform its obligations hereunder. The execution, delivery and performance by the Issuer of this Agreement have been duly and validly authorized and no additional corporate, shareholder or similar authorization or consent is required in connection with the execution, delivery and performance by the Issuer of this Agreement. This Agreement constitutes a valid and legally binding obligation of the Issuer, and (assuming due execution and delivery by the other parties hereto) is enforceable in accordance with its terms, except as the indemnification and contribution provisions contained in Article VII may be held to be unenforceable as against public policy and except as such enforceability may be limited by applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws affecting creditors’ rights generally and by general equitable principles (whether considered in a proceeding in equity or at law).

(b) No Conflicts.

(i) The execution, delivery and performance by the Issuer of this Agreement does not, and the consummation by the Issuer of the transactions contemplated by this Agreement will not, (A) violate any provision of the charter, by-laws or other organizational document of the Issuer, (B) conflict with, or result in any violation or breach of, or constitute (with or without notice or lapse of time, or both) a default (or give rise to a right of termination, cancellation, modification or acceleration of any right or obligation) under, require a consent or waiver under, constitute a change in control under, or result in the imposition of any lien on the Issuer’s assets under, any of the terms, conditions or provisions of any note, bond, mortgage, indenture, lease, license, contract, agreement or instrument to which the Issuer is a party or by which it or any of its properties or assets may be bound, or (C) conflict with or violate any permit, concession, franchise, license, judgment, injunction, order, decree, statute, law, ordinance, rule or regulation applicable to the Issuer or any of its properties or assets, except in the case of clauses (B) and (C) of this Section 3.3(b)(i) for any such conflicts, violations, breaches, defaults, terminations, cancellations, accelerations or liens

as would not, individually or in the aggregate, have a material adverse effect on the Issuer or on the ability of the Issuer to consummate the transactions contemplated by this Agreement or the effectiveness of any Registration Statement.

(ii) No consent, approval, license, permit, order or authorization of, or registration, declaration, notice or filing with, any Governmental Entity or any other Person is required by or with respect to the Issuer in connection with the execution, delivery and performance of this Agreement by the Issuer or the consummation by the Issuer of the transactions contemplated by this Agreement, other than, with respect to any Registration or Incidental Registration, filings and other actions required by the Securities Act, the Exchange Act, the rules of any stock exchange or automated quotation system on which the Registrable Securities are to be listed, the rules of any self-regulatory organization and state securities or “blue sky” laws, and except for any such consents, approvals, licenses, permits, orders or authorization, registration, declaration, notices or filings as would not, individually or in the aggregate, have a material adverse effect on the Issuer or on the ability of the Issuer to consummate the transactions contemplated by this Agreement or the effectiveness of any Registration Statement.

ARTICLE IV

INITIAL REGISTRATION AND SALE; DEMAND REGISTRATION; AND FINAL REGISTRATION

4.1 Initial Registration.

(a) Effective Initial Registration. Subject to Section 6.3, the Issuer shall use commercially reasonable efforts (it being understood that expenses incurred in connection with the preparation and filing of the Initial Registration Statement and the listing of the Initial Registrable Securities shall not be a factor in the measurement of such commercially reasonable efforts) to:

(i) as promptly as reasonably practicable following the Closing, prepare and file a Registration Statement on Form S-1 or other appropriate form under the Securities Act (the “Initial Registration Statement”) covering the Initial Sale of the Initial Registrable Securities on a delayed basis pursuant to Rule 415 under the Securities Act (the “Initial Registration”); it being understood that such Initial Sale shall be effected solely by means of a single firm-commitment underwritten public offering;

(ii) subject to extensions consented to by Adelpia (such consent not to be unreasonably withheld), cause the Initial Registration Statement to be declared effective by the Commission as promptly as reasonably practicable after such filing but not later than the later of (A) five months following the Closing and (B) January 31, 2007 (such later date, the “Initial Registration Deadline”); it being understood that the Issuer and the Stockholder shall cooperate in good faith to ensure that, subject to the Initial Registration Deadline, the Initial Registration Statement shall

be declared effective at a time that is mutually beneficial to the Issuer and the Stockholder; and

(iii) keep the Initial Registration Statement continuously effective until the date which is the earlier of (A) the time at which the Initial Registrable Securities required to be sold pursuant to this Agreement have been sold and (B) the Initial Sale Deadline (subject to extension pursuant to Section 2.1(b)(ii)).

(b) Method of Disposition. The sale of Initial Registrable Securities pursuant to the Initial Registration Statement shall be made solely by means of a single firm-commitment underwritten public offering.

4.2 Demand Registration.

(a) Request for Demand Registration. Subject to any Lock-up Agreements, at any time after the Initial Sale and prior to the effective date of the Remainder Plan, the Stockholder may make a single written request to the Issuer to register the Demand Sale of up to the number of Registrable Securities remaining after the completion of the Initial Sale stated in such request (the “Demand Registrable Securities”) on the appropriate form under the Securities Act (the “Demand Registration Statement”); provided however, that the Issuer shall not be obligated to effect the Demand Registration unless the reasonably expected net proceeds to the Stockholder from the Demand Sale of the Demand Registrable Securities are, as determined at the time of such request, in excess of \$250 million (the “Demand Registration”).

(b) Effective Demand Registration. Subject to Section 6.3, the Issuer shall use commercially reasonable efforts (it being understood that expenses incurred in connection with the preparation and filing of the Demand Registration Statement and the listing of the Demand Registrable Securities shall not be a factor in the measurement of such commercially reasonable efforts) to:

(i) prepare and file the Demand Registration Statement as promptly as reasonably practicable after the Issuer receives the request under Section 4.2(a);

(ii) cause the Demand Registration Statement to be declared effective by the Commission as promptly as reasonably practicable after the Issuer receives such request under Section 4.2(a); and

(iii) keep the Demand Registration Statement continuously effective until the earlier of (A) the completion of the Demand Sale and (B) three months after the date the Demand Registration Statement is declared effective by the Commission; provided, however, that such three month period shall be extended for a period of time equal to the length of: (1) any Blackout Period; plus (2) the number of days that elapse from (x) the date any written notice contemplated by Section 6.3(a) is given by the Issuer to (y) the date on which the Issuer delivers to the Stockholder the supplement or amendment contemplated by

14

Section 6.3(a); plus (3) a period of time of up to three months to the extent that the Majority Managing Underwriters determine that the offering should be delayed due to market conditions; plus (4) a period of time of up to three months to the extent the Majority Managing Underwriters determine that any material event at the Issuer has occurred that would reasonably be expected to adversely affect the offering price of the Initial Registrable Securities relative to what the offering price would be expected to be in the absence of such extension; plus (5) the period during which a stop order issued by the Commission is in effect. The parties acknowledge and agree that any extension described above shall begin to run upon its occurrence regardless of whether a prior extension is in effect.

(c) Method of Disposition. The sale of Demand Registrable Securities pursuant to the Demand Registration Statement shall be made solely by means of a single firm-commitment underwritten public offering.

(d) Revocation of Demand Registration. During the term of this Agreement, the Stockholder may revoke the Demand Registration prior to the effective date of the Demand Registration Statement; provided that such revoked Demand Registration shall count as the Demand Registration for purposes of this Agreement unless the Stockholder has promptly reimbursed the Issuer for all Registration Expenses arising from, in connection with or relating to, such revoked Demand Registration; provided, further, that (i) the Stockholder may revoke the Demand Registration following the filing of the Demand Registration Statement only on one occasion during the term of this Agreement, and (ii) once the “road show” in respect of the Demand Sale pursuant to the Demand Registration has commenced, if the Stockholder revokes the Demand Registration, the Issuer shall not be obligated to resume such “road show” that has commenced or to attend or participate in any other “road show” in respect of the Demand Registration. Upon the revocation of the Demand Registration, the Issuer shall be permitted to withdraw the Demand Registration Statement and shall have no further obligation or other Liability pursuant to this Section 4.2 with respect to such Demand Registration.

(e) Financial Information Requirement. Notwithstanding anything to the contrary in this Agreement, the Issuer shall not have any obligation to register the Demand Registrable Securities pursuant to this Section 4.2 if Adelphia fails to satisfy the Financial Information Requirement.

(f) Reduction of Demand Registrable Securities. Notwithstanding the foregoing, if the Stockholder has requested a Demand Registration in accordance with Section 4.2(a), and the number of Demand Registrable Securities the Stockholder is permitted to include in the offering covered by such Demand Registration is reduced, pursuant to Section 6.9 and/or the Comcast Letter Agreement, to below 50% of the number of Demand Registrable Securities originally requested by the Stockholder because of the inclusion of shares of Class A Common Stock held by another stockholder of the Issuer, the Stockholder shall be entitled to make a request for another Demand Registration pursuant to this Section 4.2

15

4.3 Final Registration

(a) Effective Final Registration. Subject to any Lock-up Agreements, if at any time either (x) any party to this Agreement shall reasonably determine that the Section 1145 Exemption is not available to effect the distribution (coincident with the effective date of any Remainder Plan) of the then remaining Registrable Securities (the “Final Registrable Securities”), based on an order of the Bankruptcy Court, clear statements made by the staff of the Commission or the inability of counsel to such party to deliver an opinion to the effect that the Section 1145 Exemption is available, and with the concurrence of the other parties hereto (which concurrence shall not be unreasonably withheld) (provided that as promptly as practicable following such determination, such party shall provide the other party with written notice of such determination together with a copy of such order or memorandum setting forth the communication with the staff of the Commission or such party’s counsel), or (y) the Issuer shall deliver written notice to the Stockholder electing, in its sole discretion, to effect the distribution of the Final Registrable Securities to the Adelphia Claimants pursuant to the terms of this Section 4.3 and not in reliance on section 1145 of the Bankruptcy Code (provided that the Issuer may not make such election if such election would reasonably be expected to result in a material delay (including any delay pursuant to Section 6.3) relative to when such distribution would occur pursuant to a chapter 11 plan of reorganization resulting in a Termination Event or would otherwise adversely affect such distribution in any material respect) (each such notice pursuant to clause (x) or (y) above, a “Final Distribution Notice”), then, subject to Section 6.3, as promptly as reasonably practicable following delivery of the Final Distribution Notice, the Issuer shall use commercially reasonable efforts (it being understood that expenses incurred in connection with the preparation and

filing of a registration statement and the listing of the Final Registrable Securities to be distributed pursuant to the Final Registration Statement shall not be a factor in the measurement of such commercially reasonable efforts) to:

(i) prepare and file as promptly as reasonably possible following delivery of the Final Distribution Notice no more than one Registration Statement on the appropriate form under the Securities Act (the “Final Registration Statement”) effecting registration (the “Final Registration”) of such transactions involving Final Registrable Securities as are required by the Commission to be registered so that such Final Registrable Securities, when issued to the Adelpia Claimants in such transactions, will be freely tradable by such Adelpia Claimants and not subject to any resale restrictions, except to the extent that any such Adelpia Claimant is an Affiliate of the Issuer or an underwriter (as defined in section 1145(b) of the Bankruptcy Code);

(ii) cause the Final Registration Statement to be declared effective by the Commission as promptly as reasonably practicable after delivery of a Final Distribution Notice; and

(iii) keep the Final Registration Statement continuously effective until the time at which the Final Distribution has been completed and the Class A Common Stock distributed thereby is freely tradable in the hands of the distributees,

16

except to the extent that any such distributee is an Affiliate of the Issuer or an underwriter (as defined in section 1145(b) of the Bankruptcy Code); provided, however, that in no event shall the Issuer be required to keep the Final Registration Statement effective for more than a six month period following the date on which the relevant chapter 11 plan of reorganization of Adelpia and/or any of its Affiliates becomes effective.

(b) Additional Registration. Notwithstanding the foregoing:

(i) If the Issuer makes the election contemplated by Section 4.3(a)(y) and the Stockholder makes a written request, the Issuer shall file one additional Registration Statement to enable the Stockholder to distribute any remaining Registrable Securities to the Adelpia Claimants, to the extent required by the Commission so that such Registrable Securities, when issued to the Adelpia Claimants in such distribution, will be freely tradable by such Adelpia Claimants and not subject to any resale restrictions, except to the extent that any such Adelpia Claimant is an Affiliate of the Issuer or an underwriter (as defined in section 1145(b) of the Bankruptcy Code). Any such registration pursuant to this Section 4.3(b)(i) shall be subject to Section 6.3 and shall otherwise be governed by clauses (i) through (iii) of Section 4.3(a) above, except that the words “delivery of the Final Distribution Notice” in Section 4.3(a)(i) and (ii) shall be replaced with the words “delivery of the notice under Section 4.3(b)(i).”

(ii) If an Additional Registration Event occurs and the Stockholder makes a written request, the Issuer shall file one additional Registration Statement to register the public offering by the Stockholder of the then remaining Registrable Securities for cash in transactions not involving an underwriter or other intermediary (but not any resale transactions by the recipients of such Registrable Securities). Any such registration pursuant to this Section 4.3(b)(ii) shall be subject to Section 6.3 and shall otherwise be governed by clauses (i) through (iii) of Section 4.3(a) above, except that (x) the words “delivery of the Final Distribution Notice” in Section 4.3(a)(i) and (ii) shall be replaced with the words “delivery of the notice under Section 4.3(b)(ii)”, and (y) the Issuer shall not be required to keep effective the Registration Statement filed pursuant to this Section 4.3(b)(ii) for more than one month after the date of its effectiveness.

(c) Method of Disposition. The Final Registration Statement shall be used solely to effect (i) a distribution by the Stockholder of all Final Registrable Securities to the Adelpia Claimants pursuant to a chapter 11 plan of reorganization confirmed by the Bankruptcy Court and (ii) to the extent required by the Commission so that the Final Registrable Securities, when issued to the Adelpia Claimants in such transactions, will be freely tradable by such Adelpia Claimants and not subject to any resale restrictions (except to the extent that any such Adelpia Claimant is an Affiliate of the Issuer or an underwriter (as defined in section 1145(b) of the Bankruptcy Code)), the resale of the Registrable Securities (such distribution described in clauses (i) and (ii), the “Final Distribution”).

17

(d) Restrictions on Solicitation of Votes. The Stockholder and the Issuer shall reasonably consult with each other no less than 60 days prior to the making of any solicitation of votes of the Adelpia Claimants with respect to a Final Distribution and shall use commercially reasonable efforts to determine, based on clear statements made by the staff of the Commission, a final order of the Bankruptcy Court or an opinion of counsel, whether the Section 1145 Exemption is available. The Stockholder, the Issuer and their respective Affiliates shall not make and shall not cause to be made any solicitation of a vote of Adelpia Claimants with respect to the Final Distribution unless either (i) the Final Registration Statement covering such Final Distribution and the related solicitation of the votes of Adelpia Claimants is effective (or, to the extent permitted by securities laws and regulations, filed) at the time of such solicitation, or (ii) the Stockholder and the Issuer have reasonably determined, based on clear statements made by the staff of the Commission, a final order of the Bankruptcy Court or an opinion of counsel to the effect that the Section 1145 Exemption is available.

4.4 Underwriting. The Initial Sale and the Demand Sale shall each be in the form of a single firm-commitment underwritten public offering, and the Managing Underwriters and Co-Managers for the Initial Sale and the Demand Sale shall be selected in accordance with Section 6.8.

4.5 Termination Event. Notwithstanding anything in this Agreement to the contrary, if at any time a Termination Event shall occur, the Issuer and the Stockholder shall have no further obligation or any other Liability under this Agreement (except for any Liability arising prior to such date)

and the Issuer may immediately withdraw or terminate any Registration Statement, whether or not effective as of such time.

ARTICLE V

INCIDENTAL OR “PIGGY-BACK” REGISTRATION

5.1 Issuer Incidental Registration. At any time after the Closing, in connection with either the Initial Registration or, if applicable, the Demand Registration (but not in connection with the Final Registration), the Issuer shall have the right, subject to the limitations set forth in Section 6.9, to register Issuer Securities or securities for the account of any stockholder of the Issuer other than the Stockholder; provided, however, that (i) the Issuer shall not include any securities for the account of another Person (other than pursuant to the Comcast Registration Rights Agreement) if inclusion of such securities will adversely affect the relevant Disposition in any material respect (it being understood that any potential or actual reductions pursuant to Section 6.9 shall not be considered in the determination of any such adverse effect), and (ii) the Issuer shall not include any securities of the Issuer for the account of any Person other than the Stockholder unless such Person accepts the terms of the underwritten offering as agreed upon between the Managing Underwriters and the Stockholder.

18

5.2 Stockholder Incidental Registration.

(a) At any time after the completion of the Initial Sale, subject to any Lock-up Agreements, if the Issuer proposes to file a Registration Statement with respect to an offering of securities (other than debt securities, or non-participating preferred equity securities, which are not exchangeable for or convertible into or otherwise linked to the common equity of the Issuer) by the Issuer for its own account or for the account of any stockholder of the Issuer other than the Stockholder (other than (i) a registration statement on Form S-4 or S-8 or (ii) a registration statement relating to the issuance of securities as consideration in any acquisition by the Issuer), then the Issuer shall give written notice (a “Filing Notice”) of such proposed filing to the Stockholder at least five Business Days before the anticipated filing date, which notice shall describe the proposed registration and distribution and offer the Stockholder the opportunity to register the number of Registrable Securities as the Stockholder requests (an “Incidental Registration”).

(b) If the Stockholder has made a written request to the Issuer to participate in the Incidental Registration within five Business Days after receipt of the Filing Notice, the Issuer shall permit the Stockholder to include up to all of its Registrable Securities (subject to the limitations set forth in Section 6.9) in such offering on the same terms and conditions as the securities of the Issuer or for the account of such other stockholder, as the case may be, included therein. In connection with any Incidental Registration under this Section 5.2 involving an underwritten offering, the Issuer shall not be required to include any Registrable Securities in such underwritten offering unless the Stockholder accepts the terms of the underwritten offering as agreed upon by the Issuer and such other stockholders, if any.

ARTICLE VI

REGISTRATION PROCEDURES

6.1 Obligations of the Issuer. In connection with any Registration pursuant to Article IV or Incidental Registration in which the Stockholder is including Registrable Securities pursuant to Article V:

(a) the Issuer shall (i) before filing a Registration Statement, Prospectus, Free Writing Prospectus or any amendments or supplements thereto, provide Stockholder Counsel and any other Inspector with a reasonable opportunity to review and comment on such Registration Statement, each Prospectus included therein and each Free Writing Prospectus (and each amendment or supplement thereto) to be filed with the Commission, subject to such documents being under the Issuer’s control and (ii) notify the Stockholder, Stockholder Counsel, and each other party participating in such distribution of Registrable Securities of any stop order issued or threatened by the Commission and use commercially reasonable action required to prevent the entry of such stop order or to remove it if entered;

19

(b) the Issuer shall, as promptly as practicable, prepare and file with the Commission such amendments and supplements to such Registration Statement and the Prospectus as may be necessary to keep such Registration Statement effective as required by Article IV of this Agreement and as required to remove, or prevent the issuance of, any stop order issued or threatened by the Commission;

(c) the Issuer shall furnish to the Stockholder, prior to filing a Registration Statement, at least one conformed copy of such Registration Statement as is proposed to be filed, and thereafter shall promptly furnish such number of conformed copies of such Registration Statement, each amendment and supplement thereto (in each case including all exhibits thereto), and the Prospectus included therein (including each preliminary Prospectus and any Prospectus filed under Rule 424 under the Securities Act) as the Stockholder may reasonably request in order to facilitate the disposition of the Registrable Securities; in addition, the Issuer shall promptly after receipt furnish to the Stockholder copies of the portions of any and all transmittal letters and any other correspondence (including comment letters) with the Commission or any other Governmental Entity in respect of such Registration Statement or amendment or supplement thereto and that relate to the sections entitled “Plan of Distribution” or “Selling Stockholder” or other sections containing information provided by the Stockholder pursuant to Section 6.2, and the Stockholder shall have the right to request that, subject to the terms of this Agreement, the Issuer modify any such information contained in such Registration Statement or amendment and supplement thereto pertaining to the Stockholder in such sections, and the Issuer shall use commercially reasonable efforts to comply with such request (provided, however, that the Issuer shall not have any obligation to modify any information if the Issuer reasonably expects that so doing would cause the Registration Statement to contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading);

(d) the Issuer shall use commercially reasonable efforts (i) to register or qualify all Registrable Securities and other securities covered by the Registration Statement under such other securities or “blue sky” laws of such States of the United States of America where an exemption is not available and as the Stockholder shall reasonably request, (ii) to keep such registration or qualification in effect during the period during which the Registration Statement is required to be effective pursuant to this Agreement, (iii) to obtain the withdrawal of any order or other determination suspending such registration or qualification during the period during which the Registration Statement is required to be effective pursuant to this Agreement and (iv) to take any other action which may be reasonably necessary or advisable to enable the Stockholder to consummate the Disposition of the relevant Registrable Securities in such jurisdictions, except that the Issuer shall not for any such purpose be required to (A) qualify generally to do business as a foreign corporation in any jurisdiction wherein it would not but for the requirements of this clause (iv) be obligated to be so qualified, (B) subject itself to taxation in any such jurisdiction or (C) consent to general service of process in any such jurisdiction;

20

(e) the Issuer shall enter into and perform customary agreements (including underwriting and indemnification and contribution agreements in customary form with the Managing Underwriters, Co-Managers or other Counterparty and reasonably acceptable to the Counterparty) and take such other commercially reasonable actions as are required in order to expedite or facilitate each Disposition (other than the Final Distribution or an Additional Disposition) and shall provide all reasonable cooperation, including causing appropriate officers to attend and participate in “road shows,” including other information meetings organized by the Counterparty, customary for similar dispositions; provided, however, that the Issuer and such officers shall not be obligated to attend or participate in more than one “road show” in connection with each such Disposition, unless such “road show” has been interrupted pursuant to Section 6.3, in which case such officers shall continue to be obligated to attend or participate in one more “road show”;

(f) the Issuer shall make available at reasonable times for inspection by the Stockholder, the Counterparties participating in any Disposition (other than the Final Distribution or an Additional Disposition), Stockholder Counsel and any attorney, accountant or other agent retained by any Counterparty (each, an “Inspector” and collectively, the “Inspectors”), all financial and other records, corporate documents of the Issuer and its Subsidiaries (collectively, the “Records”) as are reasonably necessary to enable them to exercise their due diligence responsibilities, and cause the Issuer’s and its Subsidiaries’ officers, directors and employees, and the independent public accountants of the Issuer, to discuss the business and affairs of the Issuer and its Subsidiaries, to supply promptly all information reasonably requested by any such Inspector in connection with such Registration Statement and to otherwise reasonably cooperate in the due diligence process of the Inspectors; provided, however, that the Issuer shall be under no obligation to provide any information to the Stockholder, such Counterparties, Stockholder Counsel or any Inspector, and no such party shall have access to any information that (x) consists of the Tax Returns (as defined in the TW NY APA) of the Issuer or (y) based on advice of the Issuer’s counsel, would (i) reasonably be expected to create any Liability under applicable law, or waive any material legal privilege (provided that in such latter event the Issuer shall use commercially reasonable efforts to cooperate to permit disclosure of such information in a manner consistent with the preservation of such legal privilege), (ii) result in the disclosure of any trade secrets of third parties; or (iii) violate any obligation of the Issuer with respect to confidentiality (provided that, with respect to clause (iii), to the extent specifically requested by the Stockholder, the Issuer has in good faith sought to obtain a waiver regarding the possible disclosure from the third party to whom it owes an obligation of confidentiality);

(g) in preparation for any Disposition (other than the Final Distribution or an Additional Disposition), the Issuer shall use commercially reasonable efforts to obtain “cold comfort” letters addressed to the Issuer and the Counterparties and dated the effective date of the Registration Statement and the date of the closing under the agreement relating to such Disposition from the Issuer’s independent public accountants, relating to the Issuer’s financial information, in customary form and covering such matters of the type customarily covered by “cold comfort” letters delivered in a firm-commitment underwritten public offering;

21

(h) the Issuer shall use commercially reasonable efforts to furnish, at the request of the Stockholder, on the date such Registrable Securities are delivered to the Counterparties for sale pursuant to such Registration Statement (other than the Final Registration Statement or an Additional Registration Statement), a signed opinion, dated such date, of counsel representing the Issuer for the purposes of such Disposition (other than the Final Distribution or an Additional Disposition), addressed to the Counterparties, covering such legal matters with respect to such Disposition in respect of which such opinion is being given as the Counterparties and the Stockholder may reasonably request and are customarily included in such opinions relating to transactions similar to such Disposition;

(i) the Issuer shall comply with all applicable rules and regulations of the Commission, and make available to its security holders, as soon as reasonably practicable but no later than fifteen months after the effective date of the Registration Statement, an earnings statement covering a period of twelve months beginning after the effective date of the Registration Statement, in a manner that satisfies the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder;

(j) with respect to any Disposition or a distribution of Registrable Securities to the Adelpia Claimants pursuant to the Section 1145 Exemption, the Issuer shall use commercially reasonable efforts to cause all Purchase Shares to be listed on the NYSE and to thereafter comply with all applicable rules of the NYSE, at or prior to the time of the relevant Disposition or completion of the distribution pursuant to the Section 1145 Exemption, as the case may be, so as to permit the continued listing of such securities on the NYSE, and if such listing on the NYSE has not been effected within a reasonable period of time following the first Disposition under this Agreement or completion of the distribution pursuant to the Section 1145 Exemption, as the case may be, the Issuer shall use commercially reasonable efforts to cause all Purchase Shares to be listed on the Nasdaq Stock Market and thereafter shall use commercially reasonable efforts to comply with all applicable rules of the Nasdaq Stock Market so as to permit the continued listing of such securities on the Nasdaq Stock Market;

(k) the Issuer shall use commercially reasonable efforts to cause all Registrable Securities covered by the Registration Statement to be registered with or approved by such Governmental Entities as may be necessary in the written opinion of counsel to the Issuer or Stockholder Counsel to enable the Stockholder to consummate the Disposition of such Registrable Securities within the United States of America;

(l) the Issuer shall timely keep Stockholder Counsel advised as to the initiation and progress of any Registration or Incidental Registration;

(m) the Issuer shall cooperate with the Stockholder and each underwriter participating in the Disposition (other than the Final Distribution or an Additional Disposition) of such Registrable Securities and their respective counsel in connection with any filings required to be made with the NASD;

22

(n) during the time when a Prospectus is required to be delivered under the Securities Act, the Issuer shall promptly give notice to the Stockholder (i) of the receipt by the Issuer of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Registrable Securities for sale in any jurisdiction or the initiation or threat in writing of any proceeding for such purpose, (ii) of the occurrence of any of the events described in Section 6.3(b) that results in the Issuer delaying or not taking a Registration Action; and (iii) of the determination by the Issuer that a post-effective amendment to a Registration Statement will be filed with the Commission; and

(o) the Issuer shall use commercially reasonable efforts to promptly take all other steps necessary to effect the registration of the Registrable Securities contemplated hereby.

6.2 Obligations of the Stockholder.

(a) In connection with any Disposition, the Stockholder shall (i) promptly furnish to the Issuer in writing such information with respect to the Stockholder and the Disposition as the Issuer may reasonably request or as may be required by law for use in connection with any related Registration Statement or Prospectus and all information required to be disclosed in order to make the information previously furnished to the Issuer by the Stockholder not materially misleading or necessary to cause such Registration Statement not to omit a material fact with respect to the Stockholder necessary in order to make the statements therein not misleading and (ii) provide the Issuer with the Adelpia Financial Information for use in the preparation of any Registration Statement in a timely manner so as to enable the Issuer to comply with its obligations under Article IV and Sections 6.1 and 6.3 of this Agreement.

(b) The Stockholder shall comply with the Securities Act and the Exchange Act and all applicable state securities laws and comply with all applicable regulations in connection with the registration and the Disposition of the Registrable Securities.

(c) The Stockholder shall enter into and perform customary agreements (including underwriting and indemnification and contribution agreements in customary form with the Managing Underwriters or any other Counterparty and reasonably acceptable to the Counterparty) and take such other commercially reasonable actions as are required in order to expedite or facilitate the Disposition and shall provide all reasonable cooperation customary for similar dispositions.

(d) In connection with any Disposition, the Stockholder and its Affiliates shall not use any Free Writing Prospectus without the prior written consent of the Issuer.

(e) In connection with any Disposition, the Stockholder shall use commercially reasonable efforts to assist the Issuer in responding to portions of any and all transmittal letters and any other correspondence (including comment letters) from

23

the Commission or any other Governmental Entity in respect of any Registration Statement or amendment or supplement thereto to the extent that such portions pertain to the Stockholder, the Adelpia Financial Information or the information the Stockholder has provided pursuant to Section 6.2; it being understood that most relevant information is likely to be in the possession of the Issuer or Comcast.

(f) In preparation for any Disposition (other than the Final Distribution or an Additional Disposition), the Stockholder and Adelpia shall use commercially reasonable efforts to obtain "cold comfort" letters addressed to the Issuer and the Counterparties and dated the effective date of the Registration Statement and the date of the closing under the agreement relating to such Disposition from Adelpia's independent public accountants with respect to the Adelpia Financial Information in customary form and covering such matters of the type customarily covered by "cold comfort" letters delivered in a firm-commitment underwritten public offering.

(g) In connection with the registration process with respect to each Disposition, the Stockholder and Adelpia shall:

(i) use commercially reasonable efforts to cause the independent auditor of Adelpia to provide any consents with respect to the Adelpia Financial Information that are required for offerings registered under the Securities Act; and

(ii) use commercially reasonable efforts to cause the independent auditor of Adelpia to cooperate in each Disposition, including by participating in meetings, drafting sessions and due diligence sessions and cooperating with the Issuer in good faith to respond to any comments from the Commission or any other Governmental Entity with respect to the Adelpia Financial Information.

6.3 Notice to Discontinue; Blackout Periods.

(a) The Issuer shall promptly notify the Stockholder (i) upon discovery that, or upon the happening of any event as a result of which, the Prospectus or the Registration Statement includes an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, or of the occurrence of any event specified in Section 6.3(b) that results in the Issuer delaying or not taking a Registration Action, (ii) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or (iii) of any written request by the Commission for (A) amendments to the Registration Statement or any document incorporated or deemed to be incorporated by reference in the Registration Statement, (B) supplements or amendments to the

Prospectus or (C) additional information. Immediately following any such event (x) upon the request of the Issuer, the Stockholder shall suspend the use of the Prospectus and shall not sell or distribute any Registrable Securities pursuant to the Registration Statement until the Stockholder has received copies of the supplemented or amended Prospectus or until it is advised by the Issuer that the Prospectus may be used, and (y) the Issuer shall use commercially

reasonable efforts to, as promptly as practicable or in the case of an event specified in Section 6.3(b), by the end of the Blackout Period (as defined below), if necessary, prepare and file a post-effective amendment to the Registration Statement or a supplement or amendment to the related Prospectus or any document that would be incorporated by reference into the Registration Statement and Prospectus so that the Registration Statement does not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and such Prospectus does not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading and promptly thereafter deliver to the Stockholder a reasonable number of copies of the supplement or amendment of such Prospectus complying with the foregoing, and, in the case of a post-effective amendment to a Registration Statement, use commercially reasonable efforts to cause it to be declared effective as promptly as is reasonably practicable.

(b) The Issuer shall not be required to file any Registration Statement pursuant to this Agreement, file any amendment thereto, furnish any supplement or amendment to a Prospectus included in a Registration Statement, make any other filing with the Commission, cause any Registration Statement or other filing with the Commission to become effective, or take any similar action (collectively, "Registration Actions") and may withdraw any Registration Statement or other filing with the Commission, and any and all sales of Registrable Securities by a holder thereof pursuant to a Registration Statement shall be suspended for a period of time (each such period, a "Blackout Period") for so long as, in the good faith judgment of the Issuer (as evidenced by a certificate of an officer of the Issuer), such Registration Action would (i) materially interfere with business activities or plans of the Issuer, (ii) adversely affect the Issuer or the Issuer's trading markets, (iii) require the disclosure of material non-public information which disclosure would be detrimental to the Issuer, (iv) require the inclusion of financial statements of the Issuer or any business acquired by the Issuer that are not then available or (v) be prohibited by the Comcast Letter Agreement for the periods set forth therein. Upon the occurrence of any condition described in clause (i), (ii), (iii), (iv) or (v) of the first sentence of this Section 6.3(b), the Issuer shall give prompt notice thereof to the Stockholder if it intends to delay any of the Registration Actions and/or suspend sales of Registrable Securities. Upon the termination of the condition described in clause (i), (ii), (iii), (iv) or (v) of the first sentence of this Section 6.3(b), the Issuer shall give prompt notice to the Stockholder and shall promptly proceed with the Registration Actions and make any other filing with the Commission required of it or terminate any suspension of sales or distribution it has put into effect and shall take such other commercially reasonable actions to permit the Disposition of Registrable Securities as contemplated by this Agreement.

(c) In the event that the Issuer declares a Blackout Period pursuant to Section 6.3(b) with respect to the Demand Registration, the Stockholder shall have the right to revoke such Demand Registration without such request counting as a revocation of a Demand Registration for purposes of Section 4.2(d)

and without any liability for Registration Expenses arising from, in connection with or relating to, such revoked Demand Registration.

6.4 Reports and Materials to be Filed under the Securities Act and the Exchange Act. The Issuer shall timely file the reports and materials required to be filed by it under the Securities Act and the Exchange Act and the rules and regulations adopted by the Commission thereunder (including but not limited to the reports under Sections 13 and 15(d) of the Exchange Act referred to in subparagraph (c) of Rule 144) and, following the completion of the Initial Sale, shall take all commercially reasonable actions as the Stockholder or any broker or dealer facilitating a sale of Registrable Securities may reasonably request to enable the Stockholder to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by (a) Rule 144 under the Securities Act, as such Rule may be amended from time to time, or (b) any similar rules or regulations hereafter adopted by the Commission. Upon the request of the Stockholder, the Issuer shall deliver to the Stockholder a written statement as to whether it has complied with such requirements.

6.5 Registration Expenses. The Issuer shall pay all Registration Expenses (as defined below) arising from or incident to the Initial Registration; provided, however, that the Stockholder shall bear the expense of any broker's commission or underwriter's discount, fee or commission relating to the Initial Registrable Securities included in the Initial Registration and the Initial Sale and the fees, disbursements and expenses of the Stockholder's counsel and accountants (except to the extent such accountants' expenses are contemplated to be paid by the Issuer pursuant to the TW NY APA). The Stockholder shall pay all Registration Expenses arising from or incident to the Demand Registration, the Final Registration, each Additional Registration, the Demand Sale, the Final Distribution and each Additional Disposition, including the expense of any broker's commission or underwriter's discount, fee or commission relating to such Registration and Disposition, provided, however, that the Issuer shall bear the portion of the Registration Expenses that is equal to the incremental amount incurred as a result of the participation of the Issuer or any Person other than the Stockholder in a Demand Sale, Final Distribution or Additional Disposition. In connection with any Incidental Registration, the Stockholder shall bear the portion of the Registration Expenses that is equal to the incremental amount incurred as a result of the Stockholder's participation in the Incidental Registration. The Issuer shall pay all fees and expenses payable in connection with the listing of the securities on any securities exchange. "Registration Expenses" means all expenses arising from or incident to any Registration or Incidental Registration, including any and all expenses incident to performance of or compliance with any registration or marketing of securities pursuant to this Agreement, including: (a) the fees, disbursements and expenses of Issuer's counsel and accountants in connection with this Agreement and the performance of the Issuer's counsel and accountants in connection with this Agreement and the performance of the Issuer's obligations hereunder; (b) all expenses, including filing fees, in connection with the preparation, printing and filing of any Registration Statement, any Prospectus or preliminary Prospectus, any other offering document and amendments and supplements thereto and the mailing and delivering of copies thereof to any underwriters and dealers;

(c) the cost of printing or producing any agreements among underwriters, underwriting agreements, and blue sky or legal investment memoranda, any selling agreements and any other documents in connection with the offering, sale, distribution or delivery of the securities to be disposed of; (d) all expenses in connection with the qualification of the securities to be disposed of for offering and sale or distribution under state securities laws, including the fees and disbursements of counsel for the underwriters in connection with such qualification and in connection with any blue sky and legal investment surveys; (e) the filing fees incident to securing any required review by the NASD of the terms of the sale or distribution of the securities to be disposed of; (f) transfer agents' and registrars' fees and expenses and the fees and expenses of any other agent or trustee appointed in connection with such offering; (g) all security engraving and security printing expenses; (h) any other fees and disbursements of underwriters customarily paid by the issuers of securities; and (i) the costs and expenses of the Issuer relating to analyst or investor presentations or any "road show" undertaken in connection with the registration and/or marketing of any Registrable Securities. Without limiting the generality of the foregoing, in no event shall the Issuer or any of its Affiliates bear any Registration Expenses of or relating to resales of Class A Common Stock by Adelpia Claimants in the Final Distribution or any Additional Distribution.

6.6 Confidentiality. Any Records provided in connection with Section 6.1(f) that the Issuer determines, in good faith, to be confidential and which it notifies the Inspectors are confidential shall not be publicly disclosed by the Inspectors (and the Inspectors shall confirm their agreement in writing in advance to the Issuer if the Issuer shall so request) unless (a) the disclosure of such Records is necessary, in the Issuer's reasonable judgment, to avoid or correct a misstatement or omission in the Registration Statement, (b) the release of such Records is ordered pursuant to a subpoena or other order from a court of competent jurisdiction after exhaustion of all appeals therefrom or (c) the information in such Records was known to the Inspectors on a non-confidential basis prior to its disclosure by the Issuer or has been made generally available to the public or otherwise becomes available on a non-confidential basis. The Stockholder agrees that it shall, upon learning that disclosure of such Records is sought in a court of competent jurisdiction, give prompt notice to the Issuer and allow the Issuer, at the Issuer's expense, to undertake appropriate action to prevent disclosure of the Records deemed confidential.

6.7 Lock-Up Agreements.

(a) If requested in writing by any Managing Underwriter in connection with the Initial Registration, Demand Registration or any Incidental Registration, each of the Stockholder and the Issuer shall execute and deliver agreements ("Lock-up Agreements") containing such customary restrictions on its ability to Transfer Registrable Securities as such Managing Underwriter may reasonably request; provided that such restrictions shall be the same for all parties to this Agreement (except that, with respect to the Final Distribution or any distribution under section 1145 of the Bankruptcy Code, if agreed to by the Managing Underwriters, the restriction on the Stockholder may be shorter than that applicable to the Issuer) and shall not have a duration in excess of the shortest period required by the Managing Underwriters and in any event not more than

180 days after the completion of such offering. Any Lock-up Agreements shall not prohibit the filing of the Final Registration Statement (and the Registration Actions related thereto) or the solicitation of votes of the Adelpia Claimants with respect to the approval of the Final Distribution. Any Lock-up Agreements executed by the Stockholder shall contain provisions naming the Issuer as intended third-party beneficiaries thereof and requiring the prior written consent of the Issuer for any amendments thereto or waivers thereof. Any Lock-up Agreements executed by the Issuer shall contain provisions naming the Stockholder as intended third-party beneficiaries thereof and requiring the prior written consent of the Stockholder for any amendments thereto or waivers thereof.

(b) The Issuer shall use best efforts to cause all of its executive officers and directors to execute lock-up agreements that contain restrictions that are no less restrictive than the restrictions contained in the Lock-up Agreements executed by the Issuer. The terms of any underwriting agreement entered into under this Agreement shall provide that the Managing Underwriters will not waive the lock-up provisions applicable to any 5% or greater stockholder of the Issuer (other than Comcast or TWE Holdings II Trust) without granting a similar waiver to the Stockholder. In addition, such underwriting agreement shall also provide that to the extent any other stockholder (other than Comcast or TWE Holdings II Trust) has shares being sold in the same registration as the Stockholder, such stockholder shall be subject to a lock-up agreement containing restrictions at least as restrictive as those imposed on the Stockholder.

6.8 Selection of Underwriters. In connection with the Initial Registration and the Demand Registration, the Issuer and the Stockholder shall select, in the aggregate, three nationally-recognized investment banking firms as the Managing Underwriters and such number of (x) additional Managing Underwriters and (y) nationally-recognized investment banking firms as co-lead managers (or the equivalent) (the "Co-Managers"), in each case, as determined by the Issuer in its discretion, and in accordance with the following:

(a) the Issuer shall have the right to select two of the three Managing Underwriters, the identity of which shall be subject to the consent of the Stockholder, such consent not to be unreasonably withheld;

(b) the Stockholder shall have the right to select one of the three Managing Underwriters, the identity of which shall be subject to the consent of the Issuer, such consent not to be unreasonably withheld;

(c) if the Issuer elects to have additional Managing Underwriters, each of the Issuer and the Stockholder shall have the right to select the same number of such additional Managing Underwriters (in each case, subject to the consent of the other party, such consent not to be unreasonably withheld);

(d) each of the Issuer and the Stockholder shall have the right to select the same number of Co-Managers (in each case, subject to the consent of the

other party with respect to the identity of such Co-Managers, such consent not to be unreasonably withheld); and

(e) the Issuer shall have the right, in its sole discretion, to designate the global coordinator(s) and the stabilization agent.

Notwithstanding the foregoing, in the event that Comcast exercises its right to select one co-lead manager (or the equivalent) with respect to the offering pursuant to Section 6.9 of the Comcast Registration Rights Agreement, any co-lead manager (or the equivalent) selected by Comcast shall serve as a Co-Manager in connection with such offering but shall be in addition to any of the Managing Underwriters, additional Managing Underwriters or Co-Managers described above.

6.9 Priority. In any public offering of equity securities of the Issuer (including pursuant to Article IV or Article V), if any Managing Underwriter determines in good faith that the registration of all or part of such securities requested to be included would have a material and adverse effect on the success of such offering, then the securities to be included in such offering shall be reduced by the Managing Underwriter as follows:

(a) with respect to any Registration,

(i) first, from any Issuer Securities or other securities (other than debt securities, or non-participating preferred equity securities, not exchangeable for or convertible into or otherwise linked to the common equity of the Issuer) for the account of the Issuer and any Person other than the Stockholder proposed to be included in such offering, until such Issuer Securities have, if necessary, been reduced to zero; and

(ii) second, subject to clause (c) below, from any Registrable Securities held by the Stockholder;

(b) with respect to any other public offering,

(i) first, from any Registrable Securities held by the Stockholder to be included in such offering, until such Registrable Securities have, if necessary, been reduced to zero; and

(ii) second, from any Issuer Securities or other securities (other than debt securities, or non-participating preferred equity securities, not exchangeable for or convertible into or otherwise linked to the common equity of the Issuer) for the account of the Issuer and any stockholder of the Issuer other than the Stockholder proposed to be included in such offering.

Notwithstanding the foregoing, no reduction pursuant to this Section 6.9 shall be made in the number of Initial Registrable Securities required to be included in the Initial Registration or the Initial Sale pursuant to Sections 2.1 and 4.1 unless one or more holders of Issuer Securities other than the Stockholder and the Issuer are participating in the Initial Registration or the Initial Sale, in which case such reduction shall be made pro

29

rata (unless the stockholders participating in the offering agree otherwise, subject to the proviso below) as to all securities (other than debt securities, or non-participating preferred equity securities, not exchangeable for or convertible into or otherwise linked to the common equity of the Issuer) proposed to be included in such offering; provided, however, that in all events, following any such reductions, such offering shall include a number of shares of Class A Common Stock equal to or greater than the Initial Number of Shares. If the number of shares of Class A Common Stock sold by the Stockholder and the other selling stockholders in such offering equals or exceeds the Initial Number of Shares, the Stockholder shall be deemed to have satisfied its obligations under Section 2.1(b)(ii).

6.10 Pricing. The offering price of the Registrable Securities and the gross spread in a Disposition (other than the Final Distribution or an Additional Disposition) shall be determined by the Stockholder, following consultation with the Issuer and in accordance with the recommendations of the Managing Underwriters and, in the case of the Initial Sale, as necessary to effectuate such Disposition.

ARTICLE VII

INDEMNIFICATION

7.1 Indemnification by the Issuer. The Issuer agrees to indemnify and hold harmless the Stockholder, its partners, directors, officers, trustees, other Affiliates, agents and representatives and each Person who controls (within the meaning of Section 15 of the Securities Act) the Stockholder from and against any and all losses, claims, damages, liabilities and expenses, or any action or proceeding in respect thereof (including reasonable costs of investigation and reasonable attorneys' fees and expenses) (each, a "Liability" and collectively, "Liabilities") arising out of or based upon (a) any untrue statement or alleged untrue statement of a material fact contained in the Disclosure Package, the Registration Statement, the Prospectus or in any amendment or supplement thereto; and (b) the omission or alleged omission to state in the Disclosure Package, the Registration Statement, the Prospectus or in any amendment or supplement thereto any material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that the Issuer shall not be liable (i) in any such case to the extent that any such Liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such Disclosure Package, Registration Statement, Prospectus or preliminary prospectus or amendment or supplement thereto in reliance upon and in conformity with written information furnished to the Issuer by or on behalf of the Stockholder (including the information provided pursuant to Section 6.2), specifically for inclusion therein or, in the case of information provided pursuant to Section 6.2(a)(ii), for use in the preparation thereof; and (ii) for any Liability if (A) the Issuer has notified the Stockholder to suspend use of the Prospectus pursuant to Section 6.3(a) or (b); (B) the Stockholder continues to use the relevant Prospectus notwithstanding such notice; and (C) such Liability arises from or is based upon an untrue statement or alleged untrue statement of any material fact or

30

omission to state a material fact that was cured in the supplemented or amended Prospectus contemplated by Section 6.3(a) or (b).

7.2 Indemnification by the Stockholder. In connection with any offering (including any Disposition) in which the Stockholder is participating pursuant to Article IV or Article V, the Stockholder agrees to indemnify and hold harmless the Issuer, any underwriter retained by the Issuer, their respective directors, officers, other Affiliates and each Person who controls the Issuer or such underwriter (within the meaning of Section 15 of the Securities Act) from and against any and all Liabilities arising out of or based upon (a) any untrue statement or alleged untrue statement of a material fact contained in the Disclosure Package, the Registration Statement, the Prospectus or in any amendment or supplement thereto; and (b) the omission or alleged omission to state in the Disclosure Package, the Registration Statement, the Prospectus or in any amendment or supplement thereto any material fact required to be stated therein or necessary to make the statements therein not misleading to the extent such Liabilities arise out of or are based upon written information furnished by the Stockholder or on the Stockholder's behalf specifically for inclusion in or, in the case of information provided pursuant to Section 6.2(a)(ii), for use in the preparation of, the Disclosure Package, the Registration Statement, the Prospectus or any amendment or supplement thereto relating to the Registrable Securities as provided in Section 6.2; provided, however, that the liability of the Indemnifying Party under this Section 7.2 shall be limited to the amount of net proceeds received by the Stockholder in the transaction giving rise to such Liability.

7.3 Conduct of Indemnification Proceedings. Any Person entitled to indemnification under this Article VII (each, an "Indemnified Party") agrees to give prompt written notice to each indemnifying party (each, an "Indemnifying Party") after the receipt by the Indemnified Party of any written notice of the commencement of any action, suit, proceeding or investigation or threat thereof made in writing for which the Indemnified Party intends to claim indemnification or contribution pursuant to this Agreement; provided, however, that the failure so to notify the Indemnifying Party shall not relieve the Indemnifying Party of any Liability that it may have to the Indemnified Party hereunder (except to the extent that the Indemnifying Party forfeits rights or defenses or is otherwise prejudiced by reason of such failure). If notice of commencement of any such action is given to the Indemnifying Party as above provided, the Indemnifying Party shall be entitled to participate in and, to the extent it may wish, jointly with any other Indemnifying Party similarly notified, to assume the defense of such action at its own expense, with counsel chosen by it. The Indemnified Party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be paid by the Indemnified Party unless (a) the Indemnifying Party agrees to pay the same or (b) the named parties to any such action (including any impleaded parties) include both the Indemnifying Party and the Indemnified Party and such parties have been advised by such counsel that either (i) representation of such Indemnified Party and the Indemnifying Party by the same counsel would be inappropriate under applicable standards of professional conduct or would present a conflict of interest; or (ii) there may be one or more legal defenses available to the Indemnified Party which are different

from, inconsistent with or additional to those available to the Indemnifying Party. In any of the cases specified in the immediately preceding sentence, the Indemnifying Party shall not be liable for the fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) for all Indemnified Parties. No Indemnifying Party shall be liable for any settlement entered into without its written consent, which consent shall not be unreasonably withheld. No Indemnifying Party shall, without the consent of such Indemnified Party, effect any settlement of any pending or threatened proceeding in respect of which such Indemnified Party is a party and indemnity has been sought hereunder by such Indemnified Party, unless such settlement includes an unconditional release of such Indemnified Party from all Liability for claims that are the subject matter of such proceeding.

7.4 Contribution. If the indemnification provided for in this Article VII shall for any reason be held by a court of competent jurisdiction to be unavailable to an Indemnified Party, in respect of any Liability, then, in lieu of the amount paid or payable under Section 7.1 or 7.2, as the case may be, the Indemnified Party and the Indemnifying Party shall contribute to the aggregate Liabilities in such proportion as is appropriate to reflect the relative fault of the Issuer and the Stockholder in connection with the statements or omissions which resulted in such loss, claim, damage or liability, or action or proceeding in respect thereof, as well as any other relevant equitable considerations (the relative fault of the Issuer and the Stockholder to be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Issuer or the Stockholder and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission). The parties hereto acknowledge that in no event shall the obligation of any Indemnifying Party to contribute under this Section 7.4 exceed the amount that such Indemnifying Party would have been obligated to pay by way of indemnification if the indemnification provided for under Section 7.1 or 7.2 had been available under the circumstances. The Issuer and the Stockholder agree that it would not be just and equitable if contribution pursuant to this Section 7.4 were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in the first sentence of this Section 7.4. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

ARTICLE VIII

MISCELLANEOUS

8.1 Recapitalizations, Exchanges, etc. The provisions of this Agreement shall apply to the full extent set forth herein with respect to (a) the Purchase Shares, (b) any and all shares of voting common stock of the Issuer (excluding any such securities that are freely transferable without registration under the Securities Act) into which the Purchase Shares are converted, exchanged or substituted in any recapitalization or other capital reorganization by the Issuer and (c) any and all equity securities (excluding any

such securities that are freely transferable without registration under the Securities Act) of the Issuer or any of its Affiliates or any successor or assign or acquiror of the Issuer or any of its Affiliates (whether by merger, consolidation, sale of assets or otherwise) which may be issued in respect of, in conversion of, in exchange for, in substitution of or as a distribution on, the Purchase Shares and shall be appropriately adjusted for any stock dividends, splits, reverse splits, combinations, recapitalizations and the like occurring after the date hereof. The Issuer shall cause any such Affiliate, successor or assign or acquiror

Any party to this Agreement may give any notice or other communication hereunder using any other means (including personal delivery, messenger service, telecopy or ordinary mail), but no such notice or other communication shall be deemed to have been duly given unless and until it actually is received by the office of the party for whom it is intended during business hours on a Business Day in the place of receipt. Any party to this Agreement may change the address to which notices and other communications hereunder are to be delivered by giving the other parties to this Agreement notice in the manner herein set forth.

8.3 Entire Agreement; No Inconsistent Agreements. This Agreement constitutes the entire agreement among the parties hereto and supersedes any prior understandings, agreements or representations by or among the parties hereto, or any of them, written or oral, with respect to the subject matter hereof.

8.4 Further Assurances. Each of the parties shall execute such documents and perform such further acts as may be reasonably required or desirable to carry out or to perform the provisions of this Agreement.

34

8.5 Other Agreements. Nothing contained in this Agreement shall be deemed to be a waiver of, or release from, any obligations any party hereto may have under the TW NY APA.

8.6 No Third-Party Beneficiaries. Except as provided in Article VII or Section 8.7, this Agreement is not intended, and shall not be deemed, to confer any rights or remedies upon any Person other than the parties hereto and their respective successors and permitted assigns or to otherwise create any third-party beneficiaries hereto.

8.7 Assignment. This Agreement shall be binding upon and inure to the benefit of and shall be enforceable by the parties hereto and their respective successors and assigns. Concurrently with or immediately following the effective time of the Remainder Plan, Adelpia may Transfer the Purchase Shares then held by Adelpia and, in connection therewith, may assign this Agreement and the rights hereunder to a limited number of entities acting on behalf of Adelpia's estate designated by Adelpia (such number and the form and identity of each entity to be) reasonably acceptable to the Issuer (each, a "Permitted Assignee"); provided that each such Permitted Assignee (a) shall, effective upon such assignment, be deemed to be a party hereto and to have made the representations and warranties in Section 3.1 and 3.2 as to itself; (b) shall agree in writing to be bound by the obligations of the Stockholder set forth in this Agreement and (c) shall agree in writing to be bound by the obligations of Adelpia set forth in Section 5.5(c) of the TW NY APA; provided, further that such assignment by Adelpia under this Section 8.7 shall relieve Adelpia of any further obligation and Liability under this Agreement arising after the date of assignment if, but only if, Adelpia provides the Issuer with an indemnification agreement (in form and substance reasonably satisfactory to the Issuer, it being understood that the amount or nature of the remaining assets or liabilities of Adelpia shall not be a factor in such determination) indemnifying the Issuer for any breach of the obligations and Liabilities of the Permitted Assignee under this Agreement.

8.8 Amendments and Waivers. Except as otherwise provided herein, the provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, unless consented to in writing by the Issuer and the Stockholder with respect to any amendment or supplement and by the party to this Agreement entitled to the benefit in the case of a waiver or consent.

8.9 Severability. The provisions of this Agreement shall be deemed severable and any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If the final judgment of a court of competent jurisdiction declares that any term or provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, the parties hereto agree that the court making such determination shall have the power to limit the term or provision, to delete specific words or phrases, or to replace any invalid or unenforceable term or provision with a term or provision that is valid and enforceable

35

and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the parties hereto agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that shall achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term and the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

8.10 Counterparts and Signature. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each of the parties hereto and delivered to the other parties, it being understood that all parties need not sign the same counterpart. This Agreement may be executed and delivered by facsimile transmission.

8.11 Interpretation. When reference is made in this Agreement to an Article or Section, such reference shall be to an Article or Section of this Agreement, unless otherwise indicated. The headings contained in this Agreement are for convenience of reference only and shall not affect in any way the meaning or interpretation of this Agreement. The language used in this Agreement shall be deemed to be the language chosen by the parties hereto to express their mutual intent, and no rule of strict construction shall be applied against any party. Whenever the context may require, any pronouns used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns and pronouns shall include the plural, and vice versa. Any reference to any federal, state, local or foreign statute or law shall be deemed also to refer to all rules and regulations promulgated thereunder, unless the context requires otherwise. Whenever the words "include," "includes" or "including" are used in this Agreement, they shall be deemed to be followed by the words "without limitation."

8.12 **GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO ANY CHOICE OR CONFLICT OF LAWS PROVISION OR RULE (WHETHER OF THE STATE OF NEW YORK OR ANY OTHER JURISDICTION) THAT WOULD CAUSE THE APPLICATION OF LAWS OF ANY JURISDICTIONS OTHER THAN THOSE OF THE STATE OF NEW YORK.**

8.13 Submission to Jurisdiction; Selection of Forum; Waiver of Trial by Jury. Each party hereto agrees that it shall bring any action or proceeding in respect of any claim arising out of or related to this Agreement or the transactions contained in or contemplated by this Agreement exclusively in (a) the Bankruptcy Court so long as the

Bankruptcy Case remains open and (b) after the completion of the Bankruptcy Case or in the event that the Bankruptcy Court determines that it does not have jurisdiction, the United States District Court for the Southern District of New York or any New York State court sitting in New York City (together with the Bankruptcy Court, the "Chosen Courts"), and solely in connection with claims arising under this Agreement or the transactions that are the subject of this Agreement (i) irrevocably submits to the exclusive jurisdiction of the Chosen Courts, (ii) waives any objection to laying venue in any such action or proceeding in the Chosen Courts, (iii) waives any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any party hereto and (iv) agrees that process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court; provided that service of process upon such party in any such action or proceeding shall be effective if notice is given in accordance with Section 8.2. The Stockholder irrevocably designates The Corporation Trust Company as its agent and attorney-in-fact for the acceptance of service of process and making an appearance on its behalf in any such claim or proceeding and for the taking of all such acts as may be necessary or appropriate in order to confer jurisdiction over it before the Chosen Courts and the Stockholder stipulates that such consent and appointment is irrevocable and coupled with an interest. Each party hereto irrevocably waives any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

8.14 Remedies.

(a) Any and all remedies herein expressly conferred upon a party shall be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such party, and the exercise by a party of any one remedy shall not preclude the exercise of any other remedy. The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, this being in addition to any other remedy to which the parties are entitled at law or in equity.

(b) Any breach by the Stockholder of the representations or warranties, covenants or agreement set forth in this Agreement shall be deemed a covenant breach by Adelphia pursuant to the TW NY APA and Adelphia shall indemnify, defend and hold harmless TW NY (on its own behalf and/or on behalf of the Issuer or any other Buyer Indemnified Party) from, against and in respect of any Losses imposed on, sustained, incurred or suffered by, or asserted against, any of such Persons, whether in respect of third party claims, claims between the parties hereto, or otherwise, directly or indirectly relating to, arising out of or resulting from such breach. TW NY, the Issuer and any other Buyer Indemnified Party shall have the right, each in its sole discretion, to exercise its rights and remedies with respect to such Loss against either the Escrow Account, the Stockholder or Adelphia and, to the extent exercised against Adelphia, such

rights and remedies shall constitute an administrative expense under section 507(a)(1) of the Bankruptcy Code.

8.15 Comcast Letter Agreement. If compliance by any of the parties hereto with the Comcast Letter Agreement would otherwise result in a violation of this Agreement, such violation shall be deemed to be automatically waived by the other parties hereto.
