Notes

1. We define Adjusted EBITDA as net income attributable to Comcast Corporation before net (income) loss attributable to noncontrolling interests and redeemable subsidiary preferred stock, income tax expense, other income (expense) items, net, depreciation and amortization expense, and other operating gains, and excluding impairment charges related to fixed and intangible assets and gains or losses on the sale of long-lived assets, if any. From time to time we may exclude from Adjusted EBITDA the impact of events, gains, losses or other charges (such as significant legal settlements) that affect the period-to-period comparability of our operating performance.

2. Please refer to our Form 8-K (Quarterly Earnings Release) for reconciliations of Consolidated, NBCUniversal, Cable Networks and Broadcast Television revenue excluding the Olympics; NBCUniversal Adjusted EBITDA excluding the Olympics; and consolidated post-split earnings per share on an adjusted basis.

3. Free Cash Flow, which is a non-GAAP financial measure, is defined as “Net Cash Provided by Operating Activities” (as stated in our Consolidated Statement of Cash Flows) reduced by capital expenditures, cash paid for intangible assets, principal payments on capital leases and cash distributions to noncontrolling interests; and adjusted for any payments and receipts related to certain nonoperating items, net of estimated tax effects (such as income taxes on investment sales, and payments related to income tax and litigation contingencies of acquired companies). The definition of Free Cash Flow specifically excludes any impact from Economic Stimulus packages. Please refer to our Form 8-K (Quarterly Earnings Release) for a reconciliation and further details.

4. Consolidated net debt represents total debt less cash and cash equivalents (as stated in our Consolidated Balance Sheet) and includes $725MM of preferred stock at NBCUniversal Enterprise, Inc. Consolidated net debt/Adjusted EBITDA is calculated based on trailing 12 month Adjusted EBITDA. Adjusted EBITDA for the twelve months ended September 30, 2017 was $28.1 Bn.
