Item 8.01. Other Events

As described in more detail below, Comcast Corporation ("Comcast") has fully and unconditionally guaranteed the Listed ZONES and the 10 5/8% Senior Subordinated Debentures due 2012 issued by Comcast Holdings Corporation ("Holdings").

Listed ZONES. On September 12, 2005, Holdings, Comcast and Deutsche Bank Trust Company Americas (formerly known as Bankers Trust Company), as Trustee, entered into a supplemental indenture (the "ZONES First Supplemental Indenture"), which amended the Indenture dated as of June 15, 1999 between Holdings and Bankers Trust Company (the "ZONES Indenture"), pursuant to which Holdings issued certain debt securities, including its 2.0% Exchangeable Subordinated Debentures due (October) 2029 (the "Listed ZONES").

Under the terms of the ZONES First Supplemental Indenture, Comcast has fully and unconditionally guaranteed the Listed ZONES. Any payments under this guaranty are subordinated in right of payment to the prior payment in full of all of Comcast's senior indebtedness, all upon the terms and subject to the conditions set out in the ZONES First Supplemental Indenture.

The guaranty extends to the Listed ZONES, which were issued in October 1999, but not to Holdings' 2.0% Exchangeable Subordinated Debentures due November 2029 (the "Unlisted ZONES") issued in November 1999. The Listed Zones are, and will continue to be listed on the New York Stock Exchange, Inc., under the symbol "CCZ".

10 5/8% Senior Subordinated Debentures due 2012. On September 12, 2005, Holdings, Comcast and The Bank of New York (successor to Morgan Guaranty Trust Company of New York), as Trustee, entered into a supplemental indenture (the "Senior Debentures First Supplemental Indenture"), which amended the Indenture dated as of October 17, 1991 between Holdings and Morgan Guaranty Trust Company of New York, pursuant to which Holdings issued its 10 5/8% Senior Subordinated Debentures due 2012.

Under the terms of the Senior Debentures First Supplemental Indenture, Comcast has fully and unconditionally guaranteed the 10 5/8% Senior Subordinated Debentures due 2012. Any payments under this guaranty are subordinated in right of payment to the prior payment in full of all of Comcast's senior indebtedness, all upon the terms and subject to the conditions set out in the Senior Debentures First Supplemental Indenture.

Copies of the ZONES First Supplemental Indenture and the Senior Debentures First Supplemental Indenture are included as exhibits to and incorporated by reference in this Current Report on Form 8-K.

On September 13, 2005, Holdings filed a Form 15 with the Securities and Exchange Commission in respect of the Unlisted ZONES.

2

As a result of the guaranties by Comcast of the Listed ZONES and the 10 5/8% Senior Subordinated Debentures due 2012, as described above, and the filing of the Form 15 in respect of the Unlisted ZONES, Holdings will no longer be required to file quarterly reports on Form 10-Q, annual reports on Form 10-K or other periodic reports pursuant to Sections 13 or 15(d) of the Securities Exchange Act of 1934, as amended. Condensed consolidated financial information relating to Holdings will appear in the notes to consolidated financial statements in Comcast's quarterly reports on Form 10-Q and annual reports on Form 10-K beginning with the quarterly report on Form 10-Q as and for the nine months ended September 30, 2005.

FIRST SUPPLEMENTAL INDENTURE

Dated as of September 12, 2005

to

Indenture dated as of June 15, 1999

THIS FIRST SUPPLEMENTAL INDENTURE (the “**Supplemental Indenture**”) is made as of September 12, 2005 among Comcast Holdings Corporation (formerly known as Comcast Corporation), a Pennsylvania corporation (the “**Issuer**”), Comcast Corporation, a Pennsylvania corporation and the parent of the Issuer (the “**Guarantor**”), and Deutsche Bank Trust Company Americas (formerly known as Bankers Trust Company), a New York banking corporation, as Trustee (the “**Trustee**”).

RECITALS

WHEREAS, the Issuer executed and delivered an Indenture providing for the issuance from time to time of its unsecured debentures, notes or other evidences of indebtedness to be issued in one or more series, dated as of June 15, 1999 between the Issuer and the Trustee (the “**Indenture**”);

WHEREAS, the Issuer issued 16,079,418 of its 2.0% Exchangeable Subordinated Debentures due 2029 (the “**Notes**”) pursuant to the terms of the Indenture;

WHEREAS, the Issuer and the Guarantor desire by this Supplemental Indenture to add the Guarantor as a party to the Indenture and to provide for the full and unconditional guarantee by the Guarantor of the due and punctual payment of the Principal of (and premium, if any) and interest on, the Outstanding Notes, when and as the same shall become due and payable, whether at the stated maturity, by acceleration, or call for redemption, or otherwise, all according to the terms thereof and the terms of the Indenture;

WHEREAS, for the avoidance of doubt, although the Issuer issued 2.0% Exchangeable Subordinated Debentures due November 2029 (the “**November Notes**”) pursuant to the terms of the Indenture, the guarantee hereunder shall not extend to any Outstanding November Notes;

WHEREAS, Section 7.01 of the Indenture provides that the Indenture may be amended, subject to certain exceptions specified in such Section 7.01, without the consent of the Holders of the Outstanding Notes; and

WHEREAS, all other conditions and requirements necessary to make this Supplemental Indenture a valid and binding instrument in accordance with its terms and the terms of the Indenture have been satisfied.

NOW, THEREFORE, in consideration of the mutual agreements, provisions and covenants contained herein, the Issuer, the Guarantor and the Trustee hereby covenant and agree, for the equal and proportionate benefit of all Holders of the Notes, as follows:

ARTICLE 1
GUARANTEE

Section 1.01. *The Guarantee.* Subject to the provisions of this Article, the Guarantor hereby irrevocably, fully and unconditionally guarantees the full and punctual payment (whether at maturity, upon redemption, or otherwise) of the Principal of (and premium, if any) and interest on, and all other amounts payable under the Notes, and the full and punctual payment of all other amounts payable by the Issuer to the Holders of the Notes under the Indenture. Upon the failure by the Issuer to pay punctually any such amount, the Guarantor shall forthwith on demand pay the amount not so paid at the place and in the manner specified in the Indenture.

Section 1.02. *Guarantee Unconditional.* The obligations of the Guarantor hereunder are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by:

(a) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Issuer under the Indenture or the Notes, by operation of law or otherwise;

(b) any modification or amendment of or supplement to the Indenture or the Notes;

(c) any change in the corporate existence, structure or ownership of the Issuer, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Issuer or its assets or any resulting release or discharge of any obligation of the Issuer contained in the Indenture or the Notes;

(d) the existence of any claim, set-off or other rights which the Guarantor may have at any time against the Issuer, the Trustee or any other Person, whether in connection with the Indenture or an unrelated transaction, provided that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim;

(e) any invalidity, irregularity or unenforceability relating to or against the Issuer for any reason of the Indenture or the Notes, or any provision of applicable law or regulation purporting to prohibit the payment by the Issuer of the Principal of or interest on the Notes or any other amount payable by the Issuer under the Indenture; or

(f) any other act or omission to act or delay of any kind by the Issuer, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to the Guarantor's obligations hereunder.

Section 1.03. *Subordination.* The obligations of the Guarantor hereunder are, to the extent and in the manner set forth in Article 2, subordinated and subject

2

in right of payment to the prior payment in full of the principal of (and premium, if any) and interest on all Senior Indebtedness of the Guarantor and is made subject to such provisions of this Supplemental Indenture.

Section 1.04. *Discharge; Reinstatement.* The Guarantor's obligations hereunder will remain in full force and effect until the Principal of (and premium, if any) and interest on the Notes and all other amounts payable by the Issuer with respect to the Notes under the Indenture have been paid in full. If at any time any payment of the Principal of (and premium, if any) or interest on the Notes or any other amount payable by the Issuer with respect to the Notes under the Indenture is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of the Issuer or otherwise, the Guarantor's obligations hereunder with respect to such payment will be reinstated as though such payment had been due but not made at such time.

Section 1.05. *Waiver by the Guarantor.* The Guarantor irrevocably waives acceptance hereof, presentment, demand, protest and any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against the Issuer or any other Person.

Section 1.06. *Stay of Acceleration.* If acceleration of the time for payment of any amount payable by the Issuer under the Indenture or the Notes is stayed upon the insolvency, bankruptcy or reorganization of the Issuer, all such amounts otherwise subject to acceleration under the terms of the Indenture are nonetheless payable by the Guarantor hereunder forthwith on demand by the Trustee or the Holders of the Notes.

Section 1.07. *Release of Guarantor.* The Guarantor's obligation under the guarantee will terminate upon:

(a) a sale or other disposition (including by way of consolidation or merger) of the Issuer or the sale or disposition of all or substantially all the assets of the Issuer (in each case other than to the Guarantor or a Person who, prior to such sale or other disposition, is an affiliate of the Guarantor); or

(b) defeasance or discharge of the Notes, as provided in Article 9 of the Indenture.

Upon delivery by the Issuer to the Trustee of an Officers' Certificate and an Opinion of Counsel to the foregoing effect, the Trustee will execute any documents reasonably required in order to evidence the release of the Guarantor from its obligations under the guarantee.

3

ARTICLE 2 SUBORDINATION OF GUARANTEE

Section 2.01. *Agreement of Subordination.* The Guarantor covenants and agrees, and each Holder of the Notes by his acceptance thereof likewise covenants and agrees, that the Notes shall be issued subject to the provisions of this Article 2; and each Holder of the Notes, whether upon original issue or upon transfer or assignment thereof, accepts and agrees to be bound by such provisions.

The obligations of the Guarantor to make any payment of the Principal of (and premium, if any) and interest on the Notes pursuant to Article 1 of this Supplemental Indenture shall, to the extent and in the manner hereinafter set forth, be subordinated and subject in the right of payment to the prior payment in full of all Senior Indebtedness of the Guarantor, whether outstanding at the date of this Supplemental Indenture or thereafter incurred.

No provision of this Article 2 shall prevent the occurrence of any default or Event of Default hereunder.

Section 2.02. *Payments to Holders of the Notes.* In the event and during the continuation of any default in the payment of principal, premium, interest or any other payment due on any Senior Indebtedness of the Guarantor continuing beyond the period of grace, if any, specified in the instrument or lease evidencing such Senior Indebtedness, then, unless and until such default shall have been cured or waived or shall have ceased to exist, no payment shall be made by the Guarantor pursuant to Article 1 of this Supplemental Indenture with respect to the Principal of, or premium, if any, or interest on the Notes, except sinking fund payments, if any, made by the acquisition of the Notes under Section 11.05 of the Indenture prior to the happening of such default and payments made pursuant to Article 9 of the Indenture from monies deposited with the Trustee pursuant thereto prior to the happening of such default.

Upon any payment by the Guarantor, or distribution of assets of the Guarantor of any kind or character, whether in cash, property, or securities, to creditors upon any dissolution or winding-up or liquidation or reorganization of the Guarantor, whether voluntary or involuntary or in bankruptcy, insolvency, receivership or other proceedings, all amounts due or to become due upon all Senior Indebtedness of the Guarantor shall first be paid in full, or payment thereof provided for in money in accordance with its terms, before any payment is made on account of the Principal (and premium, if any) or interest on the Notes (except payments made pursuant to Article 9 of the Indenture from the monies deposited with the Trustee pursuant thereto prior to the happening of such dissolution, winding-up, liquidation or reorganization); and upon any such dissolution, winding-up or liquidation or reorganization any payment by the Guarantor, or distribution of assets of the Guarantor of any kind or character, whether in cash, property or securities, to which the Holders of the Notes or the Trustee would be entitled pursuant to Article 1 of this Supplemental Indenture, except for the

provisions of this Article 2, shall (except as aforesaid) be paid by the Guarantor or by any receiver, trustee in bankruptcy, liquidating trustee, agent or other Person making such payment or distribution, or by the Holders of the Notes or by the Trustee under the Indenture if received by them or it, directly to the holders of Senior Indebtedness of the Guarantor (pro rata to such holders on the basis of the respective amounts of Senior Indebtedness of the Guarantor held by such holders, as calculated by the Guarantor) or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing any Senior Indebtedness of the Guarantor may have been issued, as their respective interest may appear, to the extent necessary to pay all Senior Indebtedness of the Guarantor in full, in money or money's worth, after giving effect to any concurrent payment or distribution to or for the holders of Senior Indebtedness of the Guarantor, before any payment or distribution is made to the Holders of the Notes or to the Trustee.

In the event that, notwithstanding the foregoing, any payment or distribution of assets of the Guarantor of any kind or character, whether in cash, property or securities, prohibited by the foregoing, shall be received by the Trustee or the Holders of the Notes before all Senior Indebtedness of the Guarantor is paid in full, or provision is made for such payment in money in accordance with its terms, such payment or distribution shall be held in trust for the benefit of and shall be paid over or delivered to the holders of Senior Indebtedness of the Guarantor or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing any Senior Indebtedness of the Guarantor may have been issued, as their respective interest may appear, as calculated by the Guarantor, for application to the payment of all Senior Indebtedness of the Guarantor remaining unpaid to the extent necessary to pay all Senior Indebtedness of the Guarantor in full in money in accordance with its terms, after giving effect to any concurrent payment or distribution to or for the holders of such Senior Indebtedness.

For purposes of this Article 2, the words "cash, property or securities" shall not be deemed to include shares of stock of the Guarantor as reorganized or readjusted, or securities of the Guarantor or any other corporation provided for by a plan of reorganization or readjustment, the payment of which is subordinated at least to the extent provided in this Article 2 with respect to the Notes to the payment of all Senior Indebtedness of the Guarantor which may at the time be outstanding; provided that (i) the Senior Indebtedness of the Guarantor is assumed by the new corporation, if any, resulting from any such reorganization or readjustment, and (ii) the rights of the holders of the Senior Indebtedness of the Guarantor (other than leases) and of leases which are assumed are not, without the consent of such holders, altered by such reorganization or readjustment. The consolidation of the Guarantor with, or the merger of the Guarantor into, another corporation or the liquidation or dissolution of the Guarantor following the conveyance or transfer of its property as an entirety, or substantially as an entirety, to another corporation upon the terms and conditions provided for in Article 8 of the Indenture shall not be deemed a dissolution, winding-up,

liquidation or reorganization for the purposes of this Section 2.02 if such other corporation shall, as part of such consolidation, merger, conveyance or transfer, comply with the conditions stated in Article 8 of the Indenture.

Section 2.03. Subrogation of Notes. Subject to the payment in full of all Senior Indebtedness of the Guarantor, the rights of the Holders of the Notes shall be subrogated to the rights of the holders of Senior Indebtedness of the Guarantor to receive payments or distributions of cash, property or securities of the Guarantor applicable to the Senior Indebtedness of the Guarantor until the Principal of (and premium, if any) and interest on the Notes shall be paid in full; and, for the purposes of such subrogation, no payments or distributions to the holders of the Senior Indebtedness of the Guarantor of any cash, property or securities to which the Holders of the Notes or the Trustee would be entitled except for the provisions of this Article 2, and no payment pursuant to the provisions of this Article 2, to or for the benefit of the holders of Senior Indebtedness of the Guarantor, by Holders of the Notes or the Trustee, shall, as between the Guarantor, its creditors other than holders of Senior Indebtedness of the Guarantor, and the Holders of the Notes, be deemed to be a payment by the Guarantor to or on account of the Senior Indebtedness of the Guarantor. It is understood that the provisions of this Article 2 are and are intended solely for the purpose of defining the relative rights of the Holders of the Notes, on the one hand, and the holders of the Senior Indebtedness of the Guarantor, on the other hand.

Nothing contained in this Article 2 or elsewhere in this Supplemental Indenture, in the Indenture or in the Notes is intended to or shall impair, as between the Guarantor, its creditors other than the holders of Senior Indebtedness of the Guarantor, and the Holders of the Notes, the obligation of the Guarantor, which is absolute and unconditional, to pay to the Holders of the Notes the Principal of (and premium, if any) and interest on the Notes in accordance with the terms of Article 1 of this Supplemental Indenture, or is intended to or shall affect the relative rights of the Holders of the Notes and creditors of the Guarantor other than the holders of the Senior Indebtedness of the Guarantor, nor shall anything herein or therein prevent the Trustee or a Holder of the Notes from exercising all remedies otherwise permitted by applicable law upon default under this Supplemental Indenture or the Indenture, subject to the rights, if any, under this Article 2 of the holders of Senior Indebtedness of the Guarantor, in respect of cash, property or securities of the Guarantor received upon the exercise of any such remedy.

Upon any payment or distribution of assets of the Guarantor referred to in this Article 2, the Trustee, subject to the provisions of Section 5.01 of the Indenture, and the Holders of the Notes shall be entitled to rely upon any order or decree made by any court of competent jurisdiction in which such dissolution, winding-up, liquidation or reorganization proceedings are pending, or a certificate of the receiver, trustee in bankruptcy, liquidating trustee, agent or other Person making such payment or distribution, delivered to the Trustee or the Holders of

the Notes, for the purpose of ascertaining the Persons entitled to participate in such distribution, the holders of the Senior Indebtedness of the Guarantor and other indebtedness of the Guarantor, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article 2.

Section 2.04. *Authorization by Holders of the Notes.* Each Holder of the Notes by his acceptance thereof authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to effectuate the subordination provided in this Article 2 and appoints the Trustee his attorney-in-fact for any and all such purposes.

Section 2.05. *Notice to Trustee.* The Guarantor shall give prompt written notice to a Responsible Officer of the Trustee of any fact known to the Guarantor which would prohibit the making of any payment of monies to or by the Trustee in respect of the Notes pursuant to the provisions of this Article 2. Notwithstanding the provisions of this Article 2 or any other provision of this Supplemental Indenture or the Indenture, the Trustee shall not be charged with knowledge of the existence of any facts which would prohibit the making of any payment of monies to or by the Trustee in respect of the Notes pursuant to the provisions of this Article 2, unless and until a Responsible Officer of the Trustee shall have received written notice thereof at the Corporate Trust Office of the Trustee from the Guarantor or a holder or holders of the Senior Indebtedness of the Guarantor or from any trustee therefor; and before the receipt of any such written notice, the Trustee, subject to the provisions of Section 5.01 of the Indenture, shall be entitled in all respects to assume that no such facts exist; provided that if on a date not fewer than three Business Days prior to the date upon which by the terms hereof any such monies may become payable for any purpose (including, without limitation, the payment of the Principal of (or premium, if any) or interest on the Notes) the Trustee shall not have received, with respect to such monies, the notice provided for in this Section 2.05, then, anything herein contained to the contrary notwithstanding, the Trustee shall have full power and authority to receive such monies and to apply the same to the purpose for which they were received, and shall not be affected by any notice to the contrary which may be received by it on or after such prior date.

Notwithstanding anything to the contrary hereinbefore set forth, nothing shall prevent any payment by the Guarantor or the Trustee to the Holders of the Notes of monies in connection with a redemption of the Notes if (i) notice of such redemption has been given pursuant to Article 11 or Section 9.01 of the Indenture prior to the receipt by the Trustee of written notice as aforesaid, and (ii) such notice of redemption is given not earlier than 60 days before the redemption date.

The Trustee shall be entitled to conclusively rely on the delivery to it of a written notice by a Person representing himself to be a holder of Senior Indebtedness of the Guarantor (or a trustee on behalf of such holder) to establish that such notice has been given by a holder of Senior Indebtedness of the Guarantor or a trustee on behalf of any such holder or holders. In the event that the Trustee determines in good faith that further evidence is required with respect to the right of any Person as a holder of Senior Indebtedness of the

Guarantor to participate in any payment or distribution pursuant to this Article 2, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Indebtedness of the Guarantor held by such Person, the extent to which such person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of such Person under this Article 2, and if such evidence is not furnished the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive payment.

Section 2.06. *Trustee's Relation to Senior Indebtedness of the Guarantor.* The Trustee in its individual capacity shall be entitled to all the rights set forth in this Article 2 in respect of any Senior Indebtedness of the Guarantor at any time held by it, to the same extent as any other holder of Senior Indebtedness of the Guarantor and nothing elsewhere in this Supplemental Indenture or in the Indenture shall deprive the Trustee of any of its rights as such holder.

With respect to the holders of Senior Indebtedness of the Guarantor, the Trustee undertakes to perform or to observe only such of its covenants and obligations as are specifically set forth in this Article 2, and no implied covenants or obligations with respect to the holders of Senior Indebtedness of the Guarantor shall be read into this Supplemental Indenture or the Indenture against the Trustee. The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness of the Guarantor and the Trustee shall not be liable to any holder of Senior Indebtedness of the Guarantor if it shall pay over or deliver to the Holders of the Notes, the Guarantor or any other Person money or assets to which any holder of Senior Indebtedness of the Guarantor shall be entitled by virtue of this Article 2 or otherwise.

Section 2.07. *No Impairment of Subordination.* No right of any present or future holder of any Senior Indebtedness of the Guarantor to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Guarantor or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Guarantor with the terms, provisions and covenants of this Supplemental Indenture, regardless of any knowledge thereof which any such holder may have or otherwise be charged with.

Section 2.08. *Definition of Senior Indebtedness of the Guarantor.* For purposes of this Supplemental Indenture, "Senior Indebtedness of the Guarantor" means the principal of, premium, if any, interest on, and any other payment due pursuant to any of the following, whether outstanding at the date hereof or hereafter incurred or created:

(a) all indebtedness of the Guarantor for money borrowed (including any indebtedness secured by a mortgage, conditional sales contract or other lien which is (i) given to secure all or part of the purchase price of property subject thereto, whether given to the vendor of such property or to another or (ii) existing on property at the time of acquisition thereof);

(b) all indebtedness of the Guarantor evidenced by notes, debentures, bonds or other securities sold by the Guarantor for money;

(c) all lease obligations of the Guarantor which are capitalized on the books of the Guarantor in accordance with generally accepted accounting principles;

(d) all indebtedness of others of the kinds described in either of the preceding clause (a) or (b) and all lease obligations of others of the kind described in the preceding clause (c) assumed by or guaranteed in any manner by the Guarantor or in effect guaranteed by the Guarantor through an

agreement to purchase, contingent or otherwise; and

(e) all renewals, extensions or refundings of indebtedness of the kinds described in any of the preceding clauses (a), (b) and (d) and all renewals or extensions of lease obligations of the kinds described in either of the preceding clause (c) or (d);

unless, in the case of any particular indebtedness, lease, renewal, extension or refunding, the instrument or lease creating or evidencing the same or the assumption or guarantee of the same expressly provides that such indebtedness, lease, renewal, extension or refunding is not superior in right of payment to the Holders of the Notes pursuant to Article 1 of this Supplemental Indenture.

ARTICLE 3 AMENDMENTS TO CERTAIN PROVISIONS OF THE INDENTURE

Section 3.01 *Amendments to Certain Provisions of the Indenture.* The following definition in Section 1.01 is replaced as set forth below:

THIS FIRST SUPPLEMENTAL INDENTURE (the “**Supplemental Indenture**”) is made as of September 12, 2005 among Comcast Holdings Corporation (formerly known as Comcast Corporation), a Pennsylvania corporation (the “**Company**”), Comcast Corporation, a Pennsylvania corporation and the parent of the Company (the “**Guarantor**”), and The Bank of New York, a New York banking corporation, as Trustee (the “**Trustee**”).

RECITALS

WHEREAS, the Company executed and delivered an Indenture providing for the issuance from time to time of its debentures, notes or other evidences of indebtedness to be issued in one or more series (the “**Debentures**”), dated as of October 17, 1991 between the Company and the Trustee’s predecessor, Morgan Guaranty Trust Company of New York (the “**Indenture**”);

WHEREAS, the Company issued \$300,000,000 aggregate principal amount of 10 5/8% Senior Subordinated Debentures due 2012 (the “**Notes**”) pursuant to the terms of the Indenture;

WHEREAS, the Company and the Guarantor desire by this Supplemental Indenture to add the Guarantor as a party to the Indenture and to provide for the full and unconditional guarantee by the Guarantor of the due and punctual payment of the Principal of (and premium, if any) and interest on, all of the Debentures, including the Notes, Outstanding, when and as the same shall become due and payable, whether at the stated maturity, by acceleration, or call for redemption, or otherwise, all according to the terms thereof and the terms of the Indenture;

WHEREAS, Section 12.1 of the Indenture provides that the Indenture may be amended, subject to certain exceptions specified in such Section 12.1, without the consent of the holders of the Outstanding Debentures; and

WHEREAS, all other conditions and requirements necessary to make this Supplemental Indenture a valid and binding instrument in accordance with its terms and the terms of the Indenture have been satisfied.

NOW, THEREFORE, in consideration of the mutual agreements, provisions and covenants contained herein, the Company, the Guarantor and the Trustee hereby covenant and agree, for the equal and proportionate benefit of all holders from time to time of the Debentures, as follows:

ARTICLE 1
GUARANTEE

Section 1.01. *The guarantee.* Subject to the provisions of this Article, the Guarantor hereby irrevocably, fully and unconditionally guarantees the full and

punctual payment (whether at maturity, upon redemption, or otherwise) of the Principal of (and premium, if any) and interest on, and all other amounts payable under, each Debenture, and the full and punctual payment of all other amounts payable by the Company under the Indenture. Upon the failure by the Company to pay punctually any such amount, the Guarantor shall forthwith on demand pay the amount not so paid at the place and in the manner specified in the Indenture.

Section 1.02. *Guarantee unconditional.* The obligations of the Guarantor hereunder are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by:

- (a) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Debenture, by operation of law or otherwise;
- (b) any modification or amendment of or supplement to the Indenture or any Debenture;
- (c) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Debenture;
- (d) the existence of any claim, set-off or other rights which the Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or an unrelated transaction, provided that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim;
- (e) any invalidity, irregularity or unenforceability relating to or against the Company for any reason of the Indenture or any Debenture, or any provision of applicable law or regulation purporting to prohibit the payment by the Company of the Principal of or interest on any Debenture or any other amount payable by the Company under the Indenture; or
- (f) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to the Guarantor's obligations hereunder.

Section 1.03. *Subordination.* The obligations of the Guarantor hereunder are, to the extent and in the manner set forth in Article 2, subordinated and subject in right of payment to the prior payment in full of the principal of (and premium, if any) and interest on all Senior Indebtedness of the Guarantor and is made subject to such provisions of this Supplemental Indenture.

2

Section 1.04. *Discharge; reinstatement.* The Guarantor's obligations hereunder will remain in full force and effect until the Principal of (and premium, if any) and interest on the Debentures of each series and all other amounts payable by the Company under the Indenture have been paid in full. If at any time any payment of the Principal of (and premium, if any) or interest on any Debenture or any other amount payable by the Company with respect to any Debenture under the Indenture is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of the Company or otherwise, the Guarantor's obligations hereunder with respect to such payment will be reinstated as though such payment had been due but not made at such time.

Section 1.05. *Waiver by the Guarantor.* The Guarantor irrevocably waives acceptance hereof, presentment, demand, protest and any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against the Company or any other Person.

Section 1.06. *Stay of acceleration.* If acceleration of the time for payment of any amount payable by the Company under the Indenture or the Debentures is stayed upon the insolvency, bankruptcy or reorganization of the Company, all such amounts otherwise subject to acceleration under the terms of the Indenture are nonetheless payable by the Guarantor hereunder forthwith on demand by the Trustee or the holders of Debentures.

Section 1.07. *Release of Guarantor.* The Guarantor's obligation under the guarantee will terminate upon:

- (a) a sale or other disposition (including by way of consolidation or merger) of the Company or the sale or disposition of all or substantially all the assets of the Company (in each case other than to the Guarantor or a Person who, prior to such sale or other disposition, is an Affiliate of the Guarantor); or
- (b) defeasance, satisfaction or discharge of the Debentures, as provided in Article VI of the Indenture.

Upon delivery by the Company to the Trustee of an Officers' Certificate and an Opinion of Counsel to the foregoing effect, the Trustee will execute any documents reasonably required in order to evidence the release of the Guarantor from its obligations under the guarantee.

ARTICLE 2 SUBORDINATION OF GUARANTEE

Section 2.01. *Agreement of subordination.* The Guarantor covenants and agrees, and each holder of the Debentures by his acceptance thereof likewise covenants and agrees, that the Debentures shall be issued subject to the provisions of this Article 2; and each holder of the Debentures, whether upon original issue

3

or upon transfer or assignment thereof, accepts and agrees to be bound by such provisions.

The obligations of the Guarantor to make any payment of the Principal of (and premium, if any) and interest on the Debentures pursuant to Article 1 of this Supplemental Indenture shall, to the extent and in the manner hereinafter set forth, be subordinated and subject in the right of payment to the prior payment in full of all Senior Indebtedness of the Guarantor, whether outstanding at the date of this Supplemental Indenture or thereafter incurred.

No provision of this Article 2 shall prevent the occurrence of any default or Event of Default hereunder.

Section 2.02. *Payments to holders of the Debentures.* In the event and during the continuation of any default in the payment of principal, premium, interest or any other payment due on any Senior Indebtedness of the Guarantor continuing beyond the period of grace, if any, specified in the instrument or lease evidencing such Senior Indebtedness, then, unless and until such default shall have been cured or waived or shall have ceased to exist, no payment shall

be made by the Guarantor pursuant to Article 1 of this Supplemental Indenture with respect to the Principal of, or premium, if any, or interest on the Debentures, except sinking fund payments, if any, made by the acquisition of the Debentures under Section 5.5 of the Indenture prior to the happening of such default and payments made pursuant to Article VI of the Indenture from monies deposited with the Trustee pursuant thereto prior to the happening of such default.

Upon any payment by the Guarantor, or distribution of assets of the Guarantor of any kind or character, whether in cash, property, or securities, to creditors upon any dissolution or winding-up or liquidation or reorganization of the Guarantor, whether voluntary or involuntary or in bankruptcy, insolvency, receivership or other proceedings, all amounts due or to become due upon all Senior Indebtedness of the Guarantor shall first be paid in full, or payment thereof provided for in money in accordance with its terms, before any payment is made on account of the Principal (and premium, if any) or interest on the Debentures (except payments made pursuant to Article VI of the Indenture from the monies deposited with the Trustee pursuant thereto prior to the happening of such dissolution, winding-up, liquidation or reorganization); and upon any such dissolution, winding-up or liquidation or reorganization any payment by the Guarantor, or distribution of assets of the Guarantor of any kind or character, whether in cash, property or securities, to which the holders of the Debentures or the Trustee would be entitled pursuant to Article 1 of this Supplemental Indenture, except for the provisions of this Article 2, shall (except as aforesaid) be paid by the Guarantor or by any receiver, trustee in bankruptcy, liquidating trustee, agent or other Person making such payment or distribution, or by the holders of the Debentures or by the Trustee under the Indenture if received by them or it, directly to the holders of Senior Indebtedness of the Guarantor (pro rata to such holders on the basis of the respective amounts of Senior Indebtedness

of the Guarantor held by such holders, as calculated by the Guarantor) or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing any Senior Indebtedness of the Guarantor may have been issued, as their respective interest may appear, to the extent necessary to pay all Senior Indebtedness of the Guarantor in full, in money or money's worth, after giving effect to any concurrent payment or distribution to or for the holders of Senior Indebtedness of the Guarantor, before any payment or distribution is made to the holders of the Debentures or to the Trustee.

In the event that, notwithstanding the foregoing, any payment or distribution of assets of the Guarantor of any kind or character, whether in cash, property or securities, prohibited by the foregoing, shall be received by the Trustee or the holders of the Debentures before all Senior Indebtedness of the Guarantor is paid in full, or provision is made for such payment in money in accordance with its terms, such payment or distribution shall be held in trust for the benefit of and shall be paid over or delivered to the holders of Senior Indebtedness of the Guarantor or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing any Senior Indebtedness of the Guarantor may have been issued, as their respective interest may appear, as calculated by the Guarantor, for application to the payment of all Senior Indebtedness of the Guarantor remaining unpaid to the extent necessary to pay all Senior Indebtedness of the Guarantor in full in money in accordance with its terms, after giving effect to any concurrent payment or distribution to or for the holders of such Senior Indebtedness.

For purposes of this Article 2, the words "cash, property or securities" shall not be deemed to include shares of stock of the Guarantor as reorganized or readjusted, or securities of the Guarantor or any other corporation provided for by a plan of reorganization or readjustment, the payment of which is subordinated at least to the extent provided in this Article 2 with respect to the Debentures to the payment of all Senior Indebtedness of the Guarantor which may at the time be outstanding; provided that (i) the Senior Indebtedness of the Guarantor is assumed by the new corporation, if any, resulting from any such reorganization or readjustment, and (ii) the rights of the holders of the Senior Indebtedness of the Guarantor (other than leases) and of leases which are assumed are not, without the consent of such holders, altered by such reorganization or readjustment. The consolidation of the Guarantor with, or the merger of the Guarantor into, another corporation or the liquidation or dissolution of the Guarantor following the conveyance or transfer of its property as an entirety, or substantially as an entirety, to another corporation upon the terms and conditions provided for in Article X of the Indenture shall not be deemed a dissolution, winding-up, liquidation or reorganization for the purposes of this Section 2.02 if such other corporation shall, as part of such consolidation, merger, conveyance or transfer, comply with the conditions stated in Article X of the Indenture.

Section 2.03. *Subrogation of Debentures.* Subject to the payment in full of all Senior Indebtedness of the Guarantor, the rights of the holders of the

Debentures shall be subrogated to the rights of the holders of Senior Indebtedness of the Guarantor to receive payments or distributions of cash, property or securities of the Guarantor applicable to the Senior Indebtedness of the Guarantor until the Principal of (and premium, if any) and interest on the Debentures shall be paid in full; and, for the purposes of such subrogation, no payments or distributions to the holders of the Senior Indebtedness of the Guarantor of any cash, property or securities to which the holders of the Debentures or the Trustee would be entitled except for the provisions of this Article 2, and no payment pursuant to the provisions of this Article 2, to or for the benefit of the holders of Senior Indebtedness of the Guarantor, by holders of the Debentures or the Trustee, shall, as between the Guarantor, its creditors other than holders of Senior Indebtedness of the Guarantor, and the holders of the Debentures, be deemed to be a payment by the Guarantor to or on account of the Senior Indebtedness of the Guarantor. It is understood that the provisions of this Article 2 are and are intended solely for the purpose of defining the relative rights of the holders of the Debentures, on the one hand, and the holders of the Senior Indebtedness of the Guarantor, on the other hand.

Nothing contained in this Article 2 or elsewhere in this Supplemental Indenture, in the Indenture or in the Debentures is intended to or shall impair, as between the Guarantor, its creditors other than the holders of Senior Indebtedness of the Guarantor, and the holders of the Debentures, the obligation of the Guarantor, which is absolute and unconditional, to pay to the holders of the Debentures the Principal of (and premium, if any) and interest on the Debentures in accordance with the terms of Article 1 of this Supplemental Indenture, or is intended to or shall affect the relative rights of the holders of the Debentures and creditors of the Guarantor other than the holders of the Senior Indebtedness of the Guarantor, nor shall anything herein or therein prevent the Trustee or a holder of the Debentures from exercising all remedies otherwise permitted by applicable law upon default under this Supplemental Indenture or the Indenture, subject to the rights, if any, under this Article 2 of the holders of Senior Indebtedness of the Guarantor, in respect of cash, property or securities of the Guarantor received upon the exercise of any such remedy.

Upon any payment or distribution of assets of the Guarantor referred to in this Article 2, the Trustee, subject to the provisions of Section 11.1 of the Indenture, and the holders of the Debentures shall be entitled to rely upon any order or decree made by any court of competent jurisdiction in which such dissolution, winding-up, liquidation or reorganization proceedings are pending, or a certificate of the receiver, trustee in bankruptcy, liquidating trustee, agent or other Person making such payment or distribution, delivered to the Trustee or the holders of the Debentures, for the purpose of ascertaining the Persons

entitled to participate in such distribution, the holders of the Senior Indebtedness of the Guarantor and other indebtedness of the Guarantor, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article 2.

Section 2.04. *Authorization by holders of the Debentures.* Each holder of the Debentures by his acceptance thereof authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to effectuate the subordination provided in this Article 2 and appoints the Trustee his attorney-in-fact for any and all such purposes.

Section 2.05. *Notice to Trustee.* The Guarantor shall give prompt written notice to a Responsible Officer of the Trustee of any fact known to the Guarantor which would prohibit the making of any payment of monies to or by the Trustee in respect of the Debentures pursuant to the provisions of this Article 2. Notwithstanding the provisions of this Article 2 or any other provision of this Supplemental Indenture or the Indenture, the Trustee shall not be charged with knowledge of the existence of any facts which would prohibit the making of any payment of monies to or by the Trustee in respect of the Debentures pursuant to the provisions of this Article 2, unless and until a Responsible Officer of the Trustee shall have received written notice thereof from the Guarantor or a holder or holders of the Senior Indebtedness of the Guarantor or from any trustee therefor; and before the receipt of any such written notice, the Trustee, subject to the provisions of Section 11.1 of the Indenture, shall be entitled in all respects to assume that no such facts exist; provided that if on a date not fewer than three Business Days prior to the date upon which by the terms hereof any such monies may become payable for any purpose (including, without limitation, the payment of the Principal of (or premium, if any) or interest on the Debentures) the Trustee shall not have received, with respect to such monies, the notice provided for in this Section 2.05, then, anything herein contained to the contrary notwithstanding, the Trustee shall have full power and authority to receive such monies and to apply the same to the purpose for which they were received, and shall not be affected by any notice to the contrary which may be received by it on or after such prior date.

Notwithstanding anything to the contrary hereinbefore set forth, nothing shall prevent any payment by the Guarantor or the Trustee to the holders of the Debentures of monies in connection with a redemption of the Debentures if (i) notice of such redemption has been given pursuant to Article V of the Indenture prior to the receipt by the Trustee of written notice as aforesaid, and (ii) such notice of redemption is given not earlier than 60 days before the redemption date.

The Trustee shall be entitled to rely conclusively on the delivery to it of a written notice by a Person representing himself to be a holder of Senior Indebtedness of the Guarantor (or a trustee on behalf of such holder) to establish that such notice has been given by a holder of Senior Indebtedness of the Guarantor or a trustee on behalf of any such holder or holders. In the event that the Trustee determines in good faith that further evidence is required with respect to the right of any Person as a holder of Senior Indebtedness of the Guarantor to participate in any payment or distribution pursuant to this Article 2, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Indebtedness of the Guarantor held by such

Person, the extent to which such person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of such Person under this Article 2, and if such evidence is not furnished the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive payment.

Section 2.06. *Trustee's relation to Senior Indebtedness of the Guarantor.* The Trustee in its individual capacity shall be entitled to all the rights set forth in this Article 2 in respect of any Senior Indebtedness of the Guarantor at any time held by it, to the same extent as any other holder of Senior Indebtedness of the Guarantor and nothing elsewhere in this Supplemental Indenture or in the Indenture shall deprive the Trustee of any of its rights as such holder.

With respect to the holders of Senior Indebtedness of the Guarantor, the Trustee undertakes to perform or to observe only such of its covenants and obligations as are specifically set forth in this Article 2, and no implied covenants or obligations with respect to the holders of Senior Indebtedness of the Guarantor shall be read into this Supplemental Indenture or the Indenture against the Trustee. The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness of the Guarantor and the Trustee shall not be liable to any holder of Senior Indebtedness of the Guarantor if it shall pay over or deliver to the holders of the Debentures, the Guarantor or any other Person money or assets to which any holder of Senior Indebtedness of the Guarantor shall be entitled by virtue of this Article 2 or otherwise.

Section 2.07. *No impairment of subordination.* No right of any present or future holder of any Senior Indebtedness of the Guarantor to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Guarantor or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Guarantor with the terms, provisions and covenants of this Supplemental Indenture, regardless of any knowledge thereof which any such holder may have or otherwise be charged with.

Section 2.08. *Definition of Senior Indebtedness of the Guarantor.* For the purposes of this Supplemental Indenture, "Senior Indebtedness of the Guarantor" means the principal of, premium, if any, interest on, and any other payment due pursuant to any of the following, whether outstanding at the date hereof or hereafter incurred or created:

(a) all indebtedness of the Guarantor for money borrowed (including any indebtedness secured by a mortgage, conditional sales contract or other lien which is (i) given to secure all or part of the purchase price of property subject thereto, whether given to the vendor of such property or to another or (ii) existing on property at the time of acquisition thereof);

(b) all indebtedness of the Guarantor evidenced by notes, debentures, bonds or other securities sold by the Guarantor for money;

(c) all lease obligations of the Guarantor which are capitalized on the books of the Guarantor in accordance with generally accepted accounting principles;

(d) all indebtedness of others of the kinds described in either of the preceding clause (a) or (b) and all lease obligations of others of the kind described in the preceding clause (c) assumed by or guaranteed in any manner by the Guarantor or in effect guaranteed by the Guarantor through an agreement to purchase, contingent or otherwise; and

(e) all renewals, extensions or refundings of indebtedness of the kinds described in any of the preceding clauses (a), (b) and (d) and all renewals or extensions of lease obligations of the kinds described in either of the preceding clause (c) or (d);

unless, in the case of any particular indebtedness, lease, renewal, extension or refunding, the instrument or lease creating or evidencing the same or the assumption or guarantee of the same expressly provides that such indebtedness, lease, renewal, extension or refunding is not superior in right of payment to the holders of the Debentures pursuant to Article 1 of this Supplemental Indenture.
